Every participating family is asked to provide one or more adults to serve in a volunteer capacity throughout the swim season. Space is limited and volunteer positions will be filled on a first come first serve basis. The success of our swim team **depends on parent participation! There are a variety of jobs that can accommodate everyone's life circumstances including working parents, assignments that do not require physical labor or time away from youngsters. Volunteering for one of the positions below means you will help at one or more meets, not ALL meets. Please feel free to sign up for more than one.

- Snack Stand – Purchase food for snack stand, set up snack stand for home meets, and sell snacks during meets.
- Scorers – Help tally scores as they come in during the meet.
- Meet Set-up and Breakdown – Help ready the swim lanes prior to home dual meets and take down and pack lane equipment at the conclusion of the meet.
- Ad Book for Highland Lakes Invitational – Solicit ads from local businesses.
- Timing – Time swimmers throughout the swim meet.

The child/children listed above have my / our permission to participate on the Highland Lakes Swim Team during the 2017 summer season. As a parent of a Swim Team member, I/we understand that the Swim Team is organized and managed by volunteer parents. I/we fully understand that I/we will be asked and expected to assist in the operation of the Swim Team and the Team's events. For my child's safety, I/we agree to sign my child out, or to have my designated representative sign my child out, on the Bus Roster Sheet if they have taken the bus to the away meet but are not returning on the bus.
