Highland Lakes Sailing

MARK BURUCHIAN, SAILING COORDINATOR

As the Fleet Coordinator for the Highland Lakes Sailing Programs, my primary goal is to promote the love of sailing to as many members as possible. While we run numerous races and provide a competitive environment for sailors to hone their racing skills, it is more about promoting good sportsmanship and providing a fun and safe environment for all to learn and practice the sport of sailing.

Highland Lakes has one of the more structured and successful sailing programs in northern New Jersey. Many of our sailors have progressed from sailing at the lake to successfully competing in regattas at the local, collegiate, regional, national, and international level. Two of our “home grown” kids are now presidents of major sailing organizations – the Comet Class Yacht Racing Association and the US Sunfish Class Association.

The following are active, recognized racing fleets at Highland Lakes:

1. Flying Junior “FJ” Fleet (Sunday’s @ 11:00 am – 2 races) – James Sullivan, Fleet Captain
2. Force 5 Fleet (Saturday’s @ 10:00 am – 2 races) – Erika Rodger, Fleet Captain
3. Hobie Fleet (Saturday’s @ 12:30 pm – 2 races) – Chip Ehrhardt & Rick Thompson, Fleet Captains
4. Junior Doubles Sunfish Fleet (Friday’s @ 11:00 am – 2 races) – Krissy Amato, Kevin Murphy & Justin Murphy – Fleet Captains
5. Junior Singles Sunfish Fleet (Wednesday’s @ 11:00 am – 2 races) – Krissy Amato, Kevin Murphy & Justin Murphy – Fleet Captains
6. Ladies Sunfish Fleet (Thursday’s @ 11:00 am – 1 race) – Sue Buruchian – Fleet Captain
7. Senior Sunfish Fleet (Sunday’s @ 2:30 pm – 2 races) – Mladen Kresic – Fleet Captain
8. Windsurfer Fleet (Saturday’s @ 3:00 pm – 2 races) – Kevin Gaston – Fleet Captain

in a Sunfish. I progressed to crewing on a Comet and thanks to the Eckhart family, I got to skipper one of their extra boats. I eventually bought my own boat in 1973. This is when I fell in love with traveling and competing in regattas at other lakes and venues. The ability to compete at different venues and against the best competition, only solidified my love of the sport. I am fortunate that my entire family also enjoys the sport, and I get to compete in regattas alongside my children. While they may not believe this, my proudest moments are the first time they beat me in a race.

As the Highland Lakes Sailing Fleet Coordinator, I can only hope to pass along my passion for sailing to others at the Lake. Please feel free to join us and do not hesitate to contact me with any questions. You can reach me at 973.271.0213.

Boating Safety Features

- Always have life preservers on board for each person in your boat.
- If you are boating at night, you are required to have a light on your boat so that other boaters will see you.
- Never boat during an electrical storm. If you are boating when an electrical storm comes on, head to shore immediately. When lightning hits water, it travels. Anyone on/in the water is in danger of being electrocuted.
- Never drink alcohol while operating a boat.
- Avoid collisions of any kind. Be on the lookout for other boats and swimmers.
- Our lakes are man-made and have many physical barriers that are hidden from view. Be on the lookout for underwater stumps and rock ledges and be especially careful when boating between docks and lakefront property.

Bocce Update

JOE PIERINI

The spring season for bocce is now history and the summer season begins. Tuesday and Thursday at 1 pm (Friday rain day). If you arrive late, we do pretty well to make sure you play the very next game, without a long wait. Or come for a visit, just to watch and socialize. The court can be tricky but that makes for miraculous shots and excitement. Outdoor fun, try it; you'll like it.

Teen Council Update

MELISSA HARDIN

The Teen Council had Highland Lakes resident Jen Ziegler come out and talk about some history in Highland Lakes. She also presented our group with the Highland Lakes Teen Council Time Capsule that was made in 2001 to be handed down to each new Teen Council. It was a wonderful discussion and so interesting to hear about some history of Highland Lakes. Jen even showed us pictures when the Lake was being made. Thank you Jen Ziegler!

Our next Teen Council meeting will be Thursday, August 4 from 6:30-7:30 pm at the Clubhouse. If you have a teenager who wishes to attend, please come on down!

Athletics Weekly Review

PETE JABLONSKI, ATHLETICS DIRECTOR

Week of July 4
Boys Mosquito League

The Boys Mosquito League continued for the second week with fielding and batting practice. We had additional players join this week. Some of the newcomers, Zack and Luca, provided some of the season’s biggest hits, smashing softballs well into the outfield. All around the defense improved and additional big hits sent thunderous rumbles echoing around Beach 1. Come out to Field 1 at 9 am on Tuesdays to join in the action.

Girls Butterfly League

Tonight, we had 9 girls and after everyone had a chance for batting practice, the girls decided that they wanted to challenge the moms to a game. The girls got off to a good start and led 1-0 after the top of the first. The moms scored 2 in the bottom of the first and went on to win 5-1.

A good time was had by all, and some of the girls feel that they want to take on the boys on Thursday night. We hope to have a good turnout for the game and the cheering crowd.

Highland Lakes Adult Basketball is Back!

If you are unaware, the Highland Lakes Adult Basketball League was once one of the main attractions of the athletic program.

The league was so popular that it met twice a week on Tuesday and Sunday nights. The court was surrounded by spectators and fellow competitors watching the action on the court. The league drew the top flight hoopers to the lower courts of the old Beach 1 athletic facility. Many of the players were varsity ballers and high school athletes that continued their athletic careers in college as players and coaches. HLCC basketball is a part of this community’s athletic fabric, and the goal is to create a new tradition this summer.

This week we had a nice turnout for adult basketball, albeit by chance. It just so happened that there were 2 groups of hoopers at the Beach 1 courts at 6 pm on Tuesday evening. The member/guest combinations organized themselves into teams of 4. The group then played two 4-on-4 games, one full court & one half-court game. The play proceeded to two 2-on-2 half court games to 11.

The contests were competitive. Both games finished at 11-9. The first contest was a tight game throughout with a lot of energy and great basketball. The second game started out with both teams feeling tired. It looked like a blowout early on as the score started 6-0. Finally, after many misses and poor basketball the momentum and

the lead changed hands as rain drops and three-pointers began to sprinkle from the sky. The blowout was overturned as the once tired team that couldn’t buy a bucket got hot from inside and outside to overtake their once scorching adversaries.

The word is out. Tuesday night hoops is making a comeback. The plan is to play half court pick-up games up to 4-on-4 and full court only if there is a 5-on-5 game. Many of the participants range from basketball experts all the way to players who are fairly knowledgeable of the game all who are willing to encourage less experienced players. Eventually, my hope is to have a tournament at the end of the season, but first we need players. It was great to play with community members and their guests this week. Looking forward to having anyone 17 years old or older come out and play.

Boys Farm Team

This week, there were limited numbers of boys for the Farm Team because the session was held on July 4th. The boys were out there fielding ground balls and pop up from their fellow “Farm Teamers” hitting off the tee. This week, we are hoping for a big turnout. Please join us at field 1 (Beach 1) at 9 am on Monday morning for Boys Farm Team (Tee ball).

Girls Farm Team

The Girls Farm Team got off to a wonderful start with 5 enthusiastic young ladies. The group warmed up with grounders and then took the field for batting practice. Each of the girls had an opportunity to take a few swings off the tee. Then, the batter hit into a live infield where her counterparts attempted to field the ball and throw her out. Everyone had a blast! Please consider coming out to Field 1 at 9 am on Thursday for Girls’ Farm Team.

Boys Grasshopper League

The Boys Grasshopper League started off with a bang last week and this week there was an explosion of softball! There were 9 boys in total. In addition, we had some adult participation that helped to field a team. The enthusiastic group started things

CONTINUED ON P.6

CONTINUED FROM P.5

off with a warm up with coaches helping with the fine details of defense. Then, the boys had some batting practice and eventually they were split into two smaller teams.

Joey, Jack, Silas and Braeden started out to an early lead. Leadoff batter Joey started things off with a solid hit and blinding speed as he recorded a single to start things off. Jack and Braeden continued the trend stretching out multiple base hits pushing Joey across home plate for the game's first run. Silas continued their long first inning recording 2 RBI's as the boys took an early 3-0 lead.

Tristan, Casey, William, Chase and Jake came up to bat facing a deficit, and their opponents did not make things easy on their adversaries. The boys scratched and clawed their way through the two early innings. Chase literally ate dirt sliding into second for a double. Tristan legged out a double as well early in the game. Casey and Jake were constant through the contest providing great fielding and offense at the plate. William had an electric moment late in the game sparking the inning that would see his team climb within one run of the eventual winners.

An outstanding first game ended with Joey, Jack, Silas, and Braeden playing stifling defense suffocating their opponents' last attempt to tie the game. Great job guys! Please join us on Thursday nights at Field 1 at 6 pm for Boys' Grasshopper League

CHIP ZIEGLER, COORDINATOR

Friday, July 5, 2022

July 5 we had 9 girls and after everyone had a chance for batting practice, the girls decided that they wanted to challenge the moms to a game. The girls got off to a good start and lead 1-0 after the top of the first. The moms scored 2 in the bottom of the first and went on to win 5-1.

A good time was had by all, and some of the girls feel that they want to take on the boys on Thursday night. We hope to have a good turnout for the game and the cheering crowd.

Which Way to the Pickleball Courts You Ask?

KATHI TAYLOR

It has been great adding new players to our group this summer. We have had competitive games, but with a lot of laughs. I have come to realize though that many of us might be taking for granted that everyone in Highland Lakes knows where we play. So for those members who might not know how to find us, we are at the end of Glen Wild Way which is part of the Canistear Park. You can set your GPS for Glen Wild Way or take Canistear Road south to Cherry Ridge Road. Turn left and follow to your next left which is Glen Wild Way. The courts are in the recreation complex at the end of the road. Come on out and join us. Beginners through advanced meet every Monday and Wednesday at 6 pm. The HL Pickle Pros meet Tuesday at 5 pm and welcome advanced players who enjoy taking their game to the next level. Every Friday morning at 9 am women's pickleball welcomes all levels of players. Wear sneakers and your membership badge and come play the fastest growing sport in the country. See you there! Questions, Kathi Taylor 973-303-2689 or Peggy Warner 973-764-5126.

HLCC Tradition – 62nd Annual Art Show

JOYCE HEALY, CHAIRPERSON

Saturday and Sunday, August 27 and 28

It's that time of year again, and we are very excited to advertise this special event. It's a lovely 2-day tradition we maintain. On Saturday, August 27 from 6-9 pm there is a "Meet & Greet" the professional artists in our Lake Room. A wine & cheese reception provides a wonderful way to enjoy the beautiful artwork on display. Talk with the artists and think about perhaps making an art purchase.

Sunday, August 28 all the talented artists here at the lake are welcome to bring their creations from 9-10:30 am. There is a tiny registration fee of \$.50 per piece. PLEASE, PLEASE, PLEASE we kindly request that your drawings & paintings be framed or matted ready for display. We don't have enough time to frame or matt the art before the judges begin their quest for the winning pieces.

Everyone is invited to participate: children, teens, adults and in many different mediums; painting, sculpting, drawing, ceramics and pottery, photography, textiles, quilting & more. Prizes will be awarded Sunday afternoon at 3 pm. Our special theme this year is WILDLIFE.

Come one and all and enjoy the wonderful creations of the HL Amateur Artists on display in the Seckler and Craft Rooms. Hope to see you there and personally greet you on Saturday night and on Sunday, Aug. 27 & 28. With best regards, the Art Show Committee.

Swim Team Shines Bright in Season Debut vs. Rays

MICHAEL BUCHNEY, HEAD COACH

The Highland Lakes Swim Team began the 2022 Lakeland Swim Conference season with a strong away performance against the Township of West Milford Devil Rays. The Week 1 White Division affair saw the Swim Team travel to the infamous Bubbling Springs 25 meter lanes for the first time since 2014. Unfazed by the added challenge of a mid-race wall/turn, the Highland Lakes Swim Team dazzled from start to finish. The coaches were impressed by a number of swimmers who really showed tremendous improvement from the end of last year. Those winter swim seasons really paid off! HL swimmers had a total of 67 personal best times set, as well as 54 “A” time swims. With a final score of Highland Lakes 263, Twp. West Milford 183 the contest was never really in doubt.

The meet began, as always, with the breaststroke events. After a few strong performances in the younger age groups, the team hit their stride and rattled off a series of 1-2-3 “sweeps” starting with the 11/12 girls team of Adrienn Kovacs, Alicia Kovacs, and Isabella Cherichella; followed by the 13/14 girls team of Abbey Amato, Alexondra Kovacs, and Samantha Werner; and capped off by the 15/18 squad of Coach Sofia Staley, Hannah Wisniewski and Sophia Randazzo. By the end of the breaststroke discipline, HL held a commanding 94-52 lead.

The butterfly events followed, and HL continued to show their dominance. Taking the first-place podium in all of the butterfly events, HL stretched their lead to an insurmountable advantage. Caleb Burns, Rebecca Cefaloni, Giselle Bonardi and James Brantner all took home the coveted blue ribbon, followed by a 1-2-3 sweep from the 13/14 girls team of Kovacs, Werner, and Jenna Brennan. In a bit of an oddity, with no TWM swimmers entered in the 15/18 butterfly events, the 15/18 HL boys and girls faced-off in an all-HL heat. The crowd really enjoyed this bit of intra-squad competition. With the lead stretched to 163-58 by the end of the butterfly series, HL rolled into their bread-and-butter events: the backstroke.

HL backstrokers won all but two of the ten contests, with notable swims from the 11/12 boys team of Vincent Fisher, Caleb Dalelio, and Ryan Berutti who swept their race. The Senior HL boys and girls swimmers also impressed with some 1-2-3 performances turned in by the boys team of Michael Puccio, Richie Amato, and Michael Evanick; and Annika Salomonsson, Wisniewski, and Coach Staley for the senior girls squad. The score stood at 263-118 as the meet turned to the freestyle events. The scorers deemed the contest over at this point and in accordance with LSC rules, stopped rewarding points to the HL swimmers.

HL freestyle sprinters took all but one contest, and swept half of the ten contests. The 11/12 boys team of Fisher, Berutti and Dalelio repeated their backstroke performance, followed by the 13/14 boys squad of Branter, Steven Benarick and True DiGuiseppe; the 13/14 girls team of Amato, Gabriella Cefaloni, Brennan, and Julie Evanick (1-2-3-4 finish!); the 15/18 boys squad of Amato, Colin Dignan, Evanick, and Kiernan Corbutt also 1-4ed; and finally capped off by a 1-2-3 result from the 15/18 girls team of Salomonsson, Coach Staley and Victoria Annunziata!

HL relay teams took first place in all but two of the relay

events. Special shout-out to the 15/18 senior squad who turned in a 1-2-3-4 CLEAN SWEEP of the Mixed 15/18 medley relay event. It remains this coach’s pride and joy to fill the final race of the night with 4 full relays of senior team members: a flex that no other coach in the league enjoys.

In the end, with a final score of 263 to 183, the HL Swim Team chalked up its first win of the 2022 season, and stands at 1-0 in the White Division. A great way to start the year! Special shout outs to the following HL swimmers who made their dual meet debuts for the team: 8 & unders: Junie Beauregard, Luca Berg, Ben Fahmy, Nate Fahmy, Clayton Hastie, John Klimash, Maeve Olsen, Anabelle Schwarz. 9/10s: Cayden Boyd, Mackenzie Getch, Delilah Taylor, Ramona Uschnig, and finally to 18-year-old debutant Cole Thompson who decided to come out for the team in his final year of eligibility. All of the coaches wish you guys long and decorated careers with the Highland Lakes Swim Team.

The next two meets of the season are home contests, with a special asterisk next to the 7/20 home meet against division rival Erskine Lakes. It should be a heated contest, and a potential division-title decider. Come on down to the swim lanes on Wednesday nights at 7pm to cheer on the team, for as we all know now: The louder you cheer, the faster they swim!

Ladies Rock the Boat!

SUE BURUCHIAN, FLEET CAPTAIN

Thursday, July 7

Welcome back to our ladies who came out to play on such a glorious day in HLCC! A short Course 1 was called but the winds played games and led to some extra tacking fun.

Special welcome back to sailing (since age of 10) to Carol Hastie! She added some extra turns to the course but who’s counting? Also welcome back to Keri, who sailing a new Club donation boat, turned every mark and says she does have muscle memory! Of course we have a fantastic four regulars back of Ellen, Nancy, Emmaline and Mary Jane who dueled for positions throughout the race. Congratulations to all - these ladies rocked their boats and seized the moments.

Looking forward to the rest returning next week. Want to sail with us? Just call Sue at 973.271.0227. Take a break from life and come sail a sunfish- you’ll thank us for it. No phones, no children, no pressure.

Thank you to our safety boat of Richie Amato, Molly Bednarick and Mark Buruchian for all the extras. You’re the best.

ERIKA OAK, FLEET CAPTAIN

July 2 and July 9

It turned out to be a wonderful day to start the sailing season! There was some initial worry about thunderstorms, but after only a few raindrops the sky opened up to a beautiful blue. Highland Lakes even came through with (some) wind! It was nice to see sailors out there after a long, cold winter. Shout out to Sara Gillooley for dock committee, and Richie Amato and Trevor Free for safety boat.

It was a great day on the lake. With only three participants, everyone was “on the podium” regardless of place. Also, the wind was (fairly) consistent. The first race was a full course, to the shock of the participants who are used to my feelings about the slot. The second had some short course buoys in there instead, to the relief of everyone’s knees. It was a really fun day of sailing. Thank you to Randy Rodger for dock committee, and to Richie Amato and Chris Ruiz for safety boat.

Easy Access Kayak

DORI ZARR

Have you found it more difficult to step down into your kayak this season? and then there’s uploading...Well Highland Lakes is always looking out for its members and their guests. There’s a wonderful, launching ramp behind our Clubhouse and next to the swim lanes. You put your kayak into the “cradle,” get in and grab the rails, and push yourself off down a gentle slope. This definitely avoids sand and grit on the bottom of your boat and the need for an extra person to give you a push. I tried it and found it convenient and easy to use. Give it a try.
