Three Simple Rules

BOB REFFELT, ECOLOGY COMMITTEE

There are three simple environmental rules we should try to live by here in Highland Lakes:

1. Do No Harm
2. Do Good
3. Love Nature

We are very fortunate to live in a beautiful natural place in the mountains of densely populated New Jersey. Many of us moved here from the cities and suburbs where we acquired habits not suited to country living in a watershed with fragile lakes. These habits are difficult for us to change. As a former resident of Bergen County, I was not familiar with septic systems, well water, dark and narrow streets, native plants, invasive species, diverse wildlife and insects, etc. Now after living here for 15 years I have become more accustomed to my immediate surroundings, and I have realized that many of my routine actions were not consistent with the three simple rules listed above.

There are many specific things you can do every day to abide by these simply stated rules. Learning more about the specifics is the first step. A few years ago the Club published a booklet entitled, "At the Lake." This publication contains 14 pages of colorful information about our lake environment and the many things you can do to help preserve it. As you read it, please think about whether you are:

- Doing No Harm
- Doing Good
- Loving Nature

Voting Board Approves Consolidated Rules Document with New Tiered Warning/Penalty Assessments

DAVID MARTIN, GENERAL MANAGER

Review the Rules on our website
At its May 20, 2022, Voting Board Meeting, the Board approved a tiered system of prescribed penalties for violation of the Club's Rules and Regulations. The existing rules are now consolidated into a single document which includes a process for enforcement, review, and application of penalties, when necessary. This restatement of the rules is meant to ensure that the rules and penalties are readily accessible to members, and to establish a consistent and transparent process of review and enforcement. In nearly every instance, a member can expect to receive one or more notices and an opportunity to respond before any penalty is assessed. Our goal is to ensure that all members remain well informed about Club rules and policies and to promote voluntary compliance without resorting to heavy-handed enforcement. The complete document can be found on our website [here](#).

Highland Lakes Wins Third Straight vs. Rival Erskine Lakes

MICHAEL BUCHNEY, HEAD COACH

Erskine again attempted another comeback, mounting four straight wins to start the freestyle events to close the

gap to a 60 point margin. But the 11/12 Boys were once again up to the task of breaking their win streak, with Fisher, Caleb Dalelio, and Berutti turning in a 1-2-4 swim to start HL’s own streak of wins. The 11/12 girls squad of Gisselle Bonardi, Juliet Schwarz, Adrienn Kovacs, and Ava Morley threw down a 1-2-3-4 clean sweep to let Erskine know they were well and truly done. Commanding wins from the 13/14s and 15/18s moved Highland Lakes into a commanding 348-241 position at the end of freestyle. With a 100+ point lead, the scoring booth informed Highland Lakes that they would be “unofficial” for the relays, stopping HL from scoring any further.

Highland Lakes and Erskine split the relay events, each winning four relays. HL relay teams who took the podium include: the 11/12 Boys (Berutti, Dalelio, Fisher, Contreni), the 11/12 Girls (Morley, Kovacs, Bonardi, Cherichella), 13/14 Boys (Bednarick, DiGuiseppe, Allen-Poole, Beninati), and the 15/18 mixed team (Salomonsson, Wisniewski, Cefaloni, and Amato). At the end of the meet, the score stood at HL 348- EL 285.

With the win, Highland Lakes moves into the pole position for the White Division title. The next two weeks will see the team square up against Red Division teams in “cross-over” contests home against Lake Mohawk, and away at Pequannock. That sets the stage for a Week 6 White Division finale against Packanack. If Highland Lakes can claim victory on the road against the Pirates, they’ll be crowned division champs! Mark those calendars, we’ll need everyone’s support to get this title over the line.

Saturday and Sunday, August 27 and 28

It's that time of year again, and we are very excited to advertise this special event. It's a lovely 2-day tradition we maintain. On Saturday, August 27 from 6-9 pm there is a "Meet & Greet" the professional artists in our Lake Room. A wine & cheese reception provides a wonderful way to enjoy the beautiful artwork on display. Talk with the artists and think about perhaps making an art purchase.

Sunday, August 28 all the talented artists here at the lake are welcome to bring their creations from 9-10:30 am. There is a tiny registration fee of \$.50 per piece. PLEASE, PLEASE, PLEASE we kindly request that your drawings & paintings be framed or matted ready for display. We don't have enough time to frame or matt the art before the judges begin their quest for the winning pieces.

Everyone is invited to participate: children, teens, adults and in many different mediums; painting, sculpting, drawing, ceramics and pottery, photography, textiles, quilting & more. Prizes will be awarded Sunday afternoon at 3 pm. Our special theme this year is WILDLIFE.

Come one and all and enjoy the wonderful creations of the HL Amateur Artists on display in the Seckler and Craft Rooms. Hope to see you there and personally greet you on Saturday night and on Sunday, Aug. 27 & 28. With best regards, the Art Show Committee.

DAVE MARTIN, GENERAL MANAGER

New Policy

Please note lifeguards will no longer be handling Daily Guest Badge purchases at our beaches. Handling of badge sales and similar transactions are inconsistent with the most important job of our lifeguards - being continually observant and alert to bathers and activity in the water.

Going forward, members can purchase guest badges from the Club Office, the Activity Center, and now the Beach Hut. Owners are the only people who may purchase and must have their owner badge with them. Badges may be purchased in advance for a specific day. Large quantities for parties or gatherings should be purchased in advance from the Office or Activities Center. Thank you for your understanding and cooperation.

Annual Jogathon

NANCY GRIMALDI

Saturday, August 27

Welcome back joggers, walkers, families, babies in strollers, and children on bikes; and not to forget, our four-legged - or three-legged - participants, too! The 45th annual Frank Henninger Memorial Highland Lakes Jogathon will be “running” on Saturday, August 27 at 10:00 am. For those who might be new this year, the course follows a scenic route around our beautiful Big Lake, approximately 4 1/2 miles. As always, we have our “courtesy car” providing ice cold water for people and pets, as well as an offer for a ride back if needed. Water and OJ will also be provided before and after the race, along with some carb-filled donuts. Please arrive at least a half hour before if possible to sign in and have some fun social time with our HL community. We hope to see familiar faces as well as some new ones!

Pickleball Courts for Members Only

KATHI TAYLOR

It has been an incredible summer for pickleball here in Highland Lakes. Our regular players have returned, and we have new players coming out for every session. I would like to encourage all players to use YouTube videos to improve your game. I would also like to take the time to thank the Club for their support of pickleball. I hope that all of our players realize how fortunate we are to have dedicated courts. As the sport grows nationally, towns are scrambling trying to put up makeshift courts. But I encourage all players to be diligent in protecting our status as a private lake community. Each week I receive texts and calls from outside people asking what they need to do to play in HL. I haven't made any friends telling them they need to buy property here, pay the initiation fee and then the yearly dues. If you are ever near the courts and you see people there, please nicely ask to see badges. As members, we are all badge checkers. Check to make sure the gate is locked. Finally, the courts are not a play area for children. Our scheduled play times remain on Monday and Wednesday at 6 pm for all levels, Tuesday at 5 pm for advanced players, and Friday at 9 am for women of all levels. Questions? Kathi Taylor 973-303-2689 or Peggy Warner 973-764-5126.

Senior Club News

JOYCE HEALY, PRESIDENT

Heidy-Ho, Neighbor and Neighborette! (Does anyone remember what TV show that's from)? Answer will be in the next issue of the Newsette.

Staying cool? Please be smart. Drink enough water and relax in a cooled environment. Do your chores or get a little help with them...never over-exert yourself in this heat and humidity. Take your daily walks at the coolest times of the day, interesting that we don't see walkers out on our roads with flashlights! Anyway, be wise as an owl and take care of yourself. Continue to be the big- hearted person you are and check on your neighbors...young or older or in- between. Remember the saying from Smokey the Bear..."Only you can prevent...". Maybe it will be YOUR attention and TLC that prevents an emergency for your neighbor. Seriously.

The HL S/C is about as big-hearted as it gets! We jumped in to participate in the Sussex County Senior Olympics with 5 other towns. Vernon had an amazing squad of Olympians this year. Ten of our Mighty Seniors were on Vernon's team and came home with the gold! Outstanding! We showed the other towns what we're made of and scored the most across the board. We're SO proud of you!

Our Senior Gala is coming on Sunday, August 14 at the Clubhouse as a luau themed dinner/dance. Excellent catering, music by a great DJ and lots of "Good Times" (Dy-no-mite) with the best bunch of wonderful folks up here at the lake. Want to come? You'll need to join the Seniors Club. It's that simple. Come to a meeting on the 2nd and 4th Tuesday nights at 7 pm and get the rest of the details.

Do you have any questions for me? Cool. I'm here for you to help. Love ya, Joyce H. 845-544-3749. PS: Here's a shout-out to: Maureen B., Bob and Barbara G., Regina & Mike H., Doris D., Martha K., Rita H., Daphne and Bill M., Steve H., Maryjane & Leo W. We're thinking of you! More of our Mighty Seniors list in the next issue.

Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

July 24

This summer’s windsurfing core 3, namely Joe, Joey and I graced the race course again last weekend. Conditions were the best I’ve seen to date this season. That translates to a consistent 7 mph out of the Southwest with manageable gusts upwards of 12 mph.

I called for a number 1 short course and a discussion soon ensued as to which tack would be favored for the start. I explained that since the wind was coming slightly from the right side of the upwind mark, a starboard start at the buoy closest to the dock would be the way to go. Well, Big Joe thought otherwise and started on port tack. It was all going well at first, and I guess he figured that this port tack thing was going so well that he would just keep going. That was until the dreaded wind shadow close to the west shore swallowed him up. I do have to give him credit for making up a lot of ground at the finish but it turned out to be a jibe late and a tack short.

It just wasn’t Big Joe’s day. He even swapped equipment with Joey for the second race but that didn’t help either. Then, to add insult to injury, while he was submerged in the water between races, something lunged up from the depths of Highland Lakes and bit him on one of his, for lack of a better family friendly word, teats. By his surprised reaction, one would have thought that he got stung by a Portuguese man of war.

Meanwhile, on display was one of Joey’s typical starts. That is, leaving the dock with one minute left in the countdown. It was proceeding flawlessly until he looked down and realized that he left his water shoes on the dock.

A big shout out to my Dock Committee Commander, Mike Gaston, for making every countdown a perfect one. Join in the fun every Saturday at 3pm. Questions? Call me at 845-893-2923.

Force Five

ERICA OAK, FLEET CAPTAIN

July 23

A lot of things were surprising during this heat wave. The wind seemed like it was going to support a short course, but died shortly after the start. It should be noted that Justin showed up super late and still came in second. Also annoying, is that I was in first for a lot of the race until everyone else caught a breeze I didn’t. A good day to only have one race, I think.

Big thank you to Sara Gillooley for the dock committee and to the safety boat. Everyone stay safe and hydrated!

Ladies Wind Chimes!

SUE BURUCHIAN, FLEET CAPTAIN

July 21

This Thursday offered hazy, hot and humid conditions for the HL ladies sunfish fleet. This means one thing to sailors - WIND! We had glorious steady heavy wind with gusts up to 20. A ‘dust off those sails’ type of race day and in one case, let’s give it a wash!

Welcome back to Jessica! We sailed blue blue white, course one to the island first with wind shifts making it interesting. Enter the participants of 1. Emmaline, 2. Jessica, 3. Patty and 4. Janet. These ladies hiked their boats and maneuvered easily with full sails and finished in that order. Each sailor had personal victories. Wind chimes could be heard from ashore as docked boat stays were rattling on shore almost cheering for the gals. It was terrific. Others found this particular Thursday unexpectedly “errand day” and they couldn’t sail. We missed you Chris, Carol, Ellen, Nancy, MaryJane and Kerri, we know how it is. No worries, we’ll see you all next week. Congratulations to all who could venture out - well sailed ladies. Proud of all your efforts.

Thanks to our Safety Boat of Stephan Orlando and Richie Amato always there if we need them. Also thanks to Mark, literally my priceless dock man.

Senior/Sunday Sunfish – Heat and Wind

MLADEN KRESIC, FLEET CAPTAIN

July 24

It was the hottest day of the year but the winds were great, over 10 mph coming from the south west, dictating a course 1. Everybody appreciated the wind and water, so the heat seemed secondary. Eleven sailors turned up... sort of.

Nine boats started the first race. It was definitely close at the top, with Richie taking a strong start into a racing downwind leg. Rob S. and JW were neck and neck downwind jockeying for second with Rob rounding the last mark ahead. However, JW tacked expertly on the final leg to win that duel. Honorable mention to David who managed a 4th place finish despite getting dunked on the first leg.

In the second race 2 additional sailors could not resist the good winds, as Bob Tomsey and Susie Witt Stillo joined the fleet. Unfortunately, Susie’s tiller extension broke right at the start. The pace of this race was even faster with the top three boats, Richie, JW and David, flying downwind within 10 minutes from the start. That was the order of finish, as Bob came in fourth followed by Rob S.

Thanks again to Allan and Brett for bearing the heat and another great job calling all the races! And thanks Luann for the assist.

Senior Sunfish team, please have a great week, and I look forward to seeing you next Sunday. Spread the word. If you want to join us, come on down Sundays at 2:30, or just reach out to me; my contact info is mladen@negotiators.com or call/text me at (203) 918-1102. The default for every week is 2 races.
