Let's Talk Trash

NICOLE MARCH, COMMUNICATIONS COMMITTEE

Keeping Cans Secure

Summer is officially here. The beaches are open, the sailboats are out and the garbage is getting picked up much earlier than many Highland Lakes residents are used to. This temporary change in timing has forced many residents to put their garbage out the night before so as not to miss the new pickup time, and while this may not always be ideal in

keeping critters out of it; for many it's become the only viable option. In a different geographical location that wouldn't be anything to worry about, but this is Highland Lakes, and it only takes one visit from the relentless "Garbage Can Welcoming Committee" to show you just what that means.

On a recent walk around the lake I happened to notice there were far

less strewn garbage bags to maneuver around than normal. Much of this was attributed to the creativity of our residents who had been coming up with interesting ways to keep those unwanted critters (namely the bears) out. From the yellow 'bear proof' battle-scarred garbage cans sitting hopeful that an interested party might pass them by without squeezing the tops off or unscrewing them; to ammonia soaked rags draped over ratchet strapped receptacles chained to trees, there is no shortage of proof to be found that this battle rages on.

As one longtime resident I spoke to put it, "It's not just about protecting my family and my pets from the bears, it's also about protecting the bears themselves. By keeping the trash secured where they can't get to it; they have no choice but to move along and eventually head back into the woods." As we stood there admiring the construction of his enclosure, he went on to tell me that he originally started building it when a neighbor told him that his lot had been a natural bear crossing for quite some time and he wanted to build one that would withstand any abuse. Much of the material he used to construct his enclosure came from salvaged material that would have otherwise been discarded. The doors were made from old shelving and to add an extra layer of security, heavy duty garden fencing was bolted to the inside.

Over the last few weeks I have spoken to many residents about their garbage proofing techniques which range from the simple to the complex, and heard about their successes and failures along with improvements they hope to make in the future. While there will always be mixed results with so many pro-active approaches to try out, they all agreed on one common thing - being diligent and keeping your trash secure is still one of the best deterrent they have found.

One of many ideas for securing garbage

Petitions for Trustee Available

ARTHUR D. DAWSON, Ph.D., ELECTIONS CHAIRPERSON

Filing Deadline - Monday, July 27, 2020

At this year's Annual Meeting on August 16, 2020, elections will be held for full, three-year terms commencing October 1, 2020, for Trustee positions for Sections 1, 3, 4, and 5.

In order for a candidate's name for Trustee to be on the ballot, a petition must be filed with the Elections Chairperson containing five signatures from members in good standing in the section electing a Trustee. Petitions are available at the Activity Center only, Monday through Sunday, 9 am to 4 pm. The petition must be received at the Club Office or Activity Center at least twenty (20) days before the election, which means no later than 4 pm on Monday, July 27, 2020.

Once the petitions have been certified by the Elections Chairperson, Absentee Ballots will become available. The Absentee Ballot must be received at the Club Office, either by mail or in person, with your validated 2020 Membership Card enclosed in the provided envelope no later than Wednesday, August 12, 2020, at 4 pm.

Elections will be held at the Annual Meeting on August 16, 2020. If you do not use an Absentee Ballot and plan to vote at the Annual Meeting, please make sure that you have your 2020 Membership Card and badge with you.

Upcoming Events

July 24 – Friday Night Lights
July 29 – Sunset Yoga

Beach Hours

Beach 1..... 9:30 am – 7 pm
Beach 2.....11:00 am - 5 pm
Beach 3..... 10:30 am – 6 pm
Beach 7..... 10:30 am – 6 pm
Swim Lanes....12 pm – 4 pm
Beaches 4, 5 and 6....12 pm – 5 pm – these beaches will be open based on staff availability- see postings at beaches.

Beach Testing Results

Below are the results of the most recent E. coli testing at the Club’s beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and results must not exceed 320 organisms per 100 milliliter. All samples conformed to NJ State recreational bathing standards. Testing results are also reported by the lab to the Sussex County Department of Health.

	7/1	7/7	7/14
Beach 1	7.5	25.6	<1
Beach 2 – Clubhouse	6.3	2.0	45.7
Beach 3 – Lookover Lane	15.8	24.6	6.3
Beach 4 – Bushwick	5.2	<1	3.1

Beach Rules

Everyone’s Safety Matters

Beach rules have been adopted for everyone’s safety and comfort. Failure to obey posted rules will result in expulsion from the beach and/or other disciplinary action.

Swimming is permitted ONLY when a lifeguard is on duty, within the roped-in areas, and is done at the swimmer’s own risk.

- Lifeguards supervise the roped-in areas only.
- Directives from lifeguards must be followed at all times.
- Flotation devices may only be used where the user can stand.
- An adult must accompany children requiring supervision.
- Swimmers must enter and leave the swimming area via the beach.
- Swimming is prohibited when thunder or lightning is present.
- Roughness, rowdiness, spitting, foul language, littering or other conduct affecting the safety and/or comfort of others is prohibited.
- Alcohol, glass containers, and pets (with the exception of dogs used for medical/physical assistance) are not permitted on the beach at any time.
- New Jersey’s bathing beach regulations require that all children in diapers must wear plastic pants with snug fitting elastic waist and leg bands. Acceptable disposable swim pants are now available in the diaper aisle in grocery stores. Do not wash out soiled diapers in the bathing water.
- All boats must stay clear of the swimming areas. Boats may not drop-off or pick-up swimmers from within the roped swimming areas.
- Fishing is prohibited within designated areas at all beaches.
- In the interest of the safety of all members using our beaches, please be advised that grills are allowed ONLY on Beaches 3 and 5 and ONLY in the grassy area where the picnic tables are, away from the beach patrons, lifeguard equipment and any playground equipment. Your cooperation is appreciated.
- Smoking, vaping or the use of tobacco products is prohibited at all times on all Club properties, including Club beaches and parking lots.

Activity Center Open

The office remains closed to the public. The Activity Center is open for your convenience seven days a week from 9 am to 4 pm. At the Activity Center you may pay the balance on your account, pick up your badges and permits, and purchase guest badges. Note: see the revised policy about guest badges and the new beach guest passes elsewhere in this Newsette.

Next Newsette: August 1, 2020

Newsette articles should be submitted on the Friday before the week of publication at noon. Under no circumstances will submissions be accepted after noon on Monday of the week of publication. Typed submissions must be emailed to the Club office at hlcc@warwick.net. Sorry – we can only print photographs submitted as .jpg files with a minimum of 150 dpi. Thanks!

Clubhouse Activities

ROE HALL, EVENTS COORDINATOR

Week of July 27 – 31 – Jungle Fever

We are going to run these activities and more. Weather permitting, we will do as many activities as we can outside for social distancing. Check the Club's official Facebook page - facebook.com/highlandlakesnj for daily/weekly updates.

Monday – July 27

9:30 - 10:30 am: jungle masks (all ages)

10:30 – 11:30 am: scoop toss (all ages)

1 - 2 pm: make an elephant (all ages)

2 - 3 pm: scoop toss (ages 6+)

Tuesday – July 28

9:30 - 10:30 am: paper plate jungle animal (ages 4+)

10:30 – 11:30 am: ping pong (ages 6+)

1 - 2 pm: hand print cheetah (ages 4+)

2 - 3 pm: ping pong (ages 6+)

Wednesday - July 29

9:30 – 11 am: cheetah/animal print tie dye day coffee filters (all ages)

11 am – 12 noon: scoop toss (ages 6 – 10)

1 – 2 pm: cheetah/animal print tie dye coffee filters (all ages)

2 – 3 pm: scoop toss (ages 10 +)

Thursday – July 30

9:30 – 10:30 am: make a bracelet/necklace (ages 3 - 6)

10:30 – 11:30 am: bean bag toss (ages 4+)

1 – 2 pm: paper roll jungle animals (ages 4+)

2 - 3 pm: bean bag toss (ages 8+)

Friday – July 31

9:30 am – 10:30 am: crafting a green world (all ages)

10:30 am - 11:30 am: badminton (ages 6+)

1 – 2 pm: make a tiger (5+)

2 – 3 pm: badminton (ages 6+)

Sunset Yoga with Victoria

VICTORIA KING

Wednesdays on the Lawn- starting July 29

Victoria, RYT200, received her 200 hour yoga teacher certificate in February of 2020. Previously a gym rat, Victoria was always told she should teach something fitness related. Unsure of what to teach, she decided if it was meant to be, she would just know. While going to school for graphic design, she started her yoga journey as a way to de-stress and strengthen her body. What began as just a physical practice turned into a life changing experience. After practicing for a few years, she felt her calling. Her dream as a yoga instructor is to create a safe space for people to connect with their true selves and discover their own personal power. "Yoga is for everyone and the time for yoga is now. I hope to see you on the mat!" Join Victoria on Wednesday nights at 7:30 pm for an outdoor socially distanced yoga class at the Clubhouse.

Litter

Litter lessens the curb appeal of our community which in turn decreases property values. It says to others that people who live here don't care. It can also pose a danger to wildlife. Because of the long decomposition life of most litter, it becomes cumulative. Some decomposition rates are 450 years for plastic bottles, 1,000,000 years for glass bottles, 100 years for aluminum cans, 500 years for styrofoam cups and 1-12 years for cigarette filters.

What can we do about litter?

Encourage others to refrain from dropping litter or throwing it from car windows.

If you take a walk, bring a bag and pick up litter you find and dispose of it properly - you may become a role model for others.

If you see someone littering and choose not to confront them, just walk over and pick up what they just tossed (maybe they will take the hint).

When walking your dog, bring the waste home with you to discard. Plastic bags left on the side of the road last for 100 years and could end up in our lakes.

Use bear-proof cans for garbage. If an animal has gotten into a neighbor's garbage make sure they are aware of it.

Simply pick up any litter in front of your home no matter how it arrived.

Part of the community's mutual respect for privacy and property is to ensure that each of us does not contribute to litter that can eventually end up in the lakes. From bear-proof garbage cans to cleaning up after your dog (and taking the bag home to put in your own garbage), it all matters!

This has all been said before. However, on a personal level, I have noticed an uptick in trash along our roads and also in Lake 2. It is very discouraging. How can our residents not understand that cigarette butts are trash and have no place in the lake? If you smoke keep a container for waste in your boat. If you use the many right of ways

leave nothing behind, i.e. bait containers bottles and cans, take out coffee containers, food wrappers etc. The following photo was taken of trash I picked up at the Black Bear Path right-of-way yesterday. I had picked up a few things several days ago, and couldn't believe what had accumulated by yesterday.

Once again, I thank the member who has been keeping the areas adjacent to Beach 4 picked up. You are a treasure and to be commended for your efforts. Let's pull together in this regard. During these challenging times we are so blessed to have this beautiful environment to enjoy. Let's work together to keep it that way.

The Great Rock Hunt

THERESA RUIZ

Week 2 Clues

1. Sometimes you need me to see in the dark. I might be where you find a lot of snapping turtles.
2. My birthday is in August. I wonder what kind I'll get. Will I find it by the Clubhouse or maybe Clubhouse park.
3. Some people make a wish if I land on them. I like gardens. You might even find me by some flowers at a beach.

Send me those selfies!! Don't move the rocks. The rocks will have the pictures of what I'm describing. Have fun!!

Men’s Golf Outing

RAY LOUGHREN AND MIKE SWEENEY

Friday, August 7

Happy summer 2020. It’s been a crazy year so far, and I hope this finds you all in good health. This year the HLCC Golf Outing will be back at Black Bear Golf Course on Friday August 7 for a one pm Shotgun Start. The format is a 4 Man Scramble. In lieu of lunch we will be staying at Black Bear after the round for an outdoor social distance barbeque. Awards will be given at this time.

The cost of all this fun will remain at \$110. Please sign up early. The cut off will be August 1. All checks should be made out to Ray Loughren, contact Ray 973-919-3270 or Mike Sweeney 973-764-7306.

Team Tennis 2020

KNOX STRUBE

For a while we thought that the coronavirus pandemic might take away our chance to play tennis on Saturday mornings. But just as Memorial Day rolled around, the Governor allowed the outdoor tennis courts to be opened. We have a few different rules to follow now but everyone is still able to enjoy great tennis. We are averaging 12-18 players each Saturday morning. Everyone seems to be having a good time playing, and we are still able to catch up with each other as we social distance. Now we have to come better prepared with a facemask and hand sanitizer, but better for all of us to be safe rather than sorry.

We welcome all tennis players of all levels. There are a lot of laughs and time to catch up with friends between the games or to meet some new friends. Come out and join us on Saturday mornings from 9 - 11 am. Just bring your badge, racquet, hand sanitizer, facemask, sneakers and water. Hope you’re able to join us on Saturday.

Calling All Pickleball Players

KATHI TAYLOR

Ages 16 and Older

Pickle Ball is underway for the summer season and we have had some great games. We have safety guidelines in place. They include:

- All players must use their own paddle.
- No sharing and no use of Club paddles.

All players are issued a numbered ball that can only be touched by them.

Spray sanitizer is provided to spray any paddles or balls that have been in contact with another player

Players can play with or without masks

Players can play singles or doubles

Players must practice social distancing when possible.

If you have played pickleball before and have your own paddle, come on out! We miss all our past players and want you to know that your safety is important to us. As always, we play Monday and Wednesday at 6 pm and Sunday at 9 am. Ladies pickleball plays Friday mornings at 9 am. Wear your membership badge and sneakers and bring your paddle. We will supply you with a ball. Ages 16 and older. Any questions? Call Kathi Taylor at 973-303-2689.

Bear Facts for Homeowners

Taken from a publication of the NJ Division of Fish and Wildlife: Know the Bear Facts – Black Bears in NJ

- Taking steps to avoid attracting bears with food or garbage is the best way to prevent black bears from becoming a nuisance near your home.
- For the best protection, use certified, bear-resistant garbage containers if you live in an area frequented by black bears. Otherwise, store all garbage in containers with tight-fitting lids and place them within a secure location where bears are unlikely to see or smell them, like the inside walls of your garage or in the basement.
- Wash garbage containers frequently with a disinfectant solution to remove odors.
- Put out garbage on collection day, not the night before.
- Clean up after pets. If you feed them outside, do so during daylight hours only. Pick up any leftover food and remove bowls immediately after they have eaten.
- Clean outdoor grills and utensils thoroughly after each use and store grills securely. Grease and food residue attract bears.
- Do not place meat, dairy or any sweet foods in compost piles.
- Avoid feeding birds if you live in an area frequented by black bears. Birdseed attracts bears. If you choose to feed birds, do so during daylight hours only between December 1 and April 1, when bears are least active. Suspend feeders from a free-hanging wire, making sure the bottoms are at least 10 feet off the ground. Bring feeders indoors at night. Clean up spilled seeds and shells.
- Avoid leaving corn out to feed deer or other wildlife, which may attract bears.
- Pick up any fruit or nuts around homes that fall from trees and dispose of it in bear-resistant garbage containers

Sunday Sunfish – July 19

MLADEN KRESIC. FLEET CAPTAIN

The Wind and The Heat

Hmm, on a lazy Sunday with temperatures at 90° how many people want to bake on a sunfish at HLCC? The answer is – 14!! Either everyone was delirious from the sun, smoking something legal in a few states of the union or the wind was really, really good! While the first two alternatives can't be excluded, the third one is correct. We haven't had winds like that on a beautiful day in a very long time. The range was a consistent 12-15 mph with few exceptions. Following some equipment repair (Chip), the committee called a course 1 white; a long course for the first time this season.

In the first race everyone chose to open on a starboard tack, with Mark dipping around the west buoy as the horn sounded. From the beginning, the only ones in striking distance of Mark were our lone junior, Richie, and John Wayne, newly energized to show his skills. Kudos to our newer racers for keeping up on the long race, and in some cases, catching the fleet. No one was baking in the sun, and everyone enjoyed the frequent gusts on the windward leg, where yours truly was being continually covered (I say harassed!) by Maryjane and James S. Yes, I did almost flip the boat trying to get away. At the finish, it was tight for 2nd between JW and Richie, with the youngster crossing the line a mere boat-length ahead. I was 4th nosing out Bob on the last port tack, while he was trying to come in from the west shore. David was a close 6th followed by Maryjane who beat James S. in a photo finish. Rounding out the fleet were Chip, Luca – his best finish, congrats Luca!, Roger, James N, Bill W. and Allan N.

The second race had an exciting start as John and Chip decided to be contrarian and take a port run from the east, while the rest of us did the "standard" starboard off the west buoy. The move paid off as they were clearly off the line first, with JW holding the lead through the entire first leg, until Mark caught him. They were neck and neck the rest of the way, as Richie and I tried to run them down. As Mark crossed the line, Richie almost caught JW, but alas his hiking strap snapped, and he cooled off from the heat...I think...as we have never seen anyone back in the boat that

quickly. I guess it's that easy when you are young. Following moi, Bob was in 5th with the bionic man (Chip), James S. and James N. close behind--congrats James on a very strong race and finish; followed by David, MJ, Luca, Roger, Bill, and Allan.

Notably, during the races, some hats needed to be rescued from the wind, not the heat--thanks to our HLCC lifeguards. Text me if you're missing yours – I still have one (Richie?).

In case you didn't see last week's article, I want to remind everyone that our dock committee has requested that those finishing races early stay away from the line as it is challenging for them to see those crossing later if there are boats between them and the line.

As always, if you have any questions, please do not hesitate to reach out to me - my contact info is mladen@negotiators.com or call/text me at (203) 918-1102. Thanks Allan and Brett for doing another stellar job in the heat and calling the long race (it was grrreat fun).

Senior Sunfish team, please continue to stay safe and healthy!! I look forward to seeing you all next Sunday at 2:30PM, if weather and the wind gods cooperate! Please check the sailing schedule periodically for any changes or updates.

Race 1

- 1 - Mark Buruchian
- 2 - Richie Amato (jr)
- 3 - John W. Wisniewski
- 4 - Mladen Kresic
- 5 - Bob Tomsey
- 6 - David Goldman
- 7 - Maryjane Kresic
- 8 - James Sullivan
- 9 - Chip Ehrhardt
- 10 - Luca Bonardi
- 11 - Roger Kirchner
- 12 - James Napolitano
- 13 - Bill Weiss
- 14 - Allan Napolitano

Ladies Sunfish

SUE BURUCHIAN, FLEET CAPTAIN

Look Who's Back

Well it didn't take long for an old friend to reappear! Kayla Murphy joined the Ladies Fleet with a bang! Her first race - a bullet first. When asked how she felt when she surprised us all on the dock to rig her boat, "I'm so nervous!" Well, out onto the water the ladies sailed a course 1 red, red, white course in heavy air. They all rocked their boats, mastered the wind and finished strong and close to each other. It's going to be a great season! Contact Sue Buruchian, Fleet Captain 973-271-0227. Come join us.

Impressive results were for 7/13:

- 1 - Kayla Murphy
- 2 - Jessica Castiglione
- 3 - Ellen Wisolmerski
- 4 - Emmaline Stoddard
- 5 - Christine Alber
- 6 - Diane Buono
- 7 - Nancy Grimaldi
- 8 - Arianna Stoddard
- 9 - Patty Thompson
