Summer Athletics

PAT ECKHART, ATHLETICS DIRECTOR

We enjoyed another successful week in HLCC. It is great to see so many new faces participate in all that Highland Lakes has to offer. Reminder: If there is a threat of bad weather or you don't know if an event is taking place, you can call the ATHLETIC HOTLINE at 973-764-6674. Let's get to the action!

Monday:

Farm Team (ages 4-5, 9 am, Field 1)

Coordinator: Paul Parigi

The Farm Team gathered in the outfield of Field 1 and was ready to go Monday morning. With the regular coaches on vacation, the Puccio brothers did a great job filling in and teaching the boys some new skills. They practiced running the bases and went through a pop fly drill. We have some future all-stars in this league. See everyone Monday.

Mosquito League (ages 6-8, 9 am, Field 1)

Coordinators: Peter Parigi, Mike Puccio, Matt Puccio, Frank Fogge

Fireflies and Mosquitoes got together for the fifth game of the season on Monday. Sean Allen Poole hit a homerun for the Mosquitoes to get the scoring started. Nico Puccio made a spectacular play at shortstop for the Fireflies and added some big hits to get his team the win. Fireflies 6, Mosquitoes 5. Great game boys!

Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)

Coordinators: Jennifer Ziegler and Darren Werner

We enjoyed a really nice turnout for tennis lessons on Monday. The older group played some doubles with Coach Paul. The younger group went through their usual hitting drills and were also able to practice a volleying drill at the net with Coach Darren. See everyone Monday.

Kids Basketball Lessons (ages 5-14, 5 pm, Beach 1 basketball courts)

Coordinator: Chris Beninati

Cancelled this week due to slippery court conditions.

Tuesday:

Mosquito League (ages 6-8, 9 am, Field 1)

The Fireflies and Mosquitoes squared off for the sixth game of the season on Tuesday morning. Chaz Vought hit the ball hard all morning for the Fireflies and had 3 RBIs. Nicky Beninati, Braden Scheyer, and Anthony LePore paced the Mosquitos offense but it was not enough. The Fireflies won another one-run game by the score of 6-5. Great job everyone!

Butterfly League (ages 9-11, 6 pm, Field 1)

Coordinator: Chip Ziegler

The Butterfly League got together Tuesday and the girls had their second game against the parents. The Blue Jays and Robins were winning by the score of 9-4 until the parents came roaring back in the 7th and final inning to take a 11-9 lead. The girls had the last ups, but were only able to tack on one more run, giving the parents their first win of the season! It looks like this will be a weekly theme, so come on down to Field 1 on Tuesdays to catch the action!

Red team takes on the Blue team in the Men's Basketball League.

Men's Basketball League (ages 17+, 6 pm, Beach 1 courts)

Coordinator: John Ross (written by John Ross)

I am writing to you fully recovered from an injury that kept me off the court and out of the Athletics page. But I am writing with troubling news: In my absence the league has deteriorated into a madhouse. The fiercest of rivalries has developed between the Black and Red teams, threatening to destroy the "just for fun" vibe that I use to justify my own poor performance. It all started after my blue squad took the floor and quickly left it, suffering an 11-6 defeat to Black. Red emerged and began circling black in some sort of ritualistic war ceremony, smearing blood on their heads and howling maniacally. Black, provoked, growled and snapped their jaws in a display of primal aggression, and the battle began. Morans lunged and leered, Tierneys snubbed and sneered, Jablonskis jived and jeered. Back and forth they went, both teams firing on all cylinders. The anger mounted as obvious fouls went uncalled in a most impressive display of masculinity. At one point, a brawl almost erupted when members of both teams mistook a game of basketball for something important. I paced back and forth on the sideline biting my nails and nervously discussing indie music and Pokemon Go. At long last, it was all tied up. A tense overtime took what seemed to be a lifetime, until Kevin Moran sunk a deep three to end it, 15-13. This was one for the ages folks, and you'll want to stay glued to your Newsettes to see where this goes for the rest of the season. Meanwhile, my Blue squad has fallen just shy of our goal to win at least one game this year. We remain cautiously optimistic.

Standings: Red 6-2, Black 5-3, Blue 0-6

Wednesday:

Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)

Coordinator: Darren Werner and Paul Sedlewicz

We held our fourth official tennis lessons on Wednesday morning and had the biggest turnout yet. The kids are improving their game more and more each week. Everyone loves ending the session with a game of Jail. The younger group was even able to play their first game of Jail, and also played Clear the Court. See everyone Wednesday.

Thursday:

Girls Farm Team (ages 4-5, 9 am, Field 1)

Coordinators: Shane and Dean Grundy

The Girls Farm Team got together for the fourth time this season on Thursday morning. They warmed up by rolling or throwing the ball to a partner or coach. Then we played a new game called Softball Scramble, with the girls trying to beat their previous best times. Next it was time to hit, and the girls are hitting the ball further every week. The girls finished up by running the bases. See you next week!

Grasshopper League (ages 9-11, 6 pm, Field 1)

Coordinators: Frank Fogge, Robbie Wisniewski, Grant Wisniewski

The Wasps and Hornets took the field for the fourth game of the season and endured another nail biter. The Wasps welcomed back their second baseman Tyler Paluzzi who chipped in with 2 RBI singles. Nicky Beninati held down third base and made numerous clutch plays. Colin Dignan and Danny Kabbez kept the Hornets in the game with some aggressive base running but ultimately fell short as the Wasps won the game 4-2. With the win, the Wasps evened the season standings. Great game boys!

Standings: Hornets 2-2, Wasps 2-2

Friday:

Kids Soccer (ages 5-12, 9 am, Field 1)

Coordinators: Jonah Revalant, Peter Parigi, Annika Salomonsson, Hannah Wisniewski

We had our fourth soccer practice of the season Friday morning. The younger group got the chance to practice shooting into the nets. They then played some fun mini games. The older group went through their usual drills and had a very competitive scrimmage for the last 25 minutes. Special thanks to Chris Conway for helping out. Great job everyone!

Gem League (ages 6-8, 10 am, Field 1)

Coordinator: Dalilah Gomez

The Gems took the field for the fourth practice of the season and were eager to show off their skills. We had such a big turnout that we split the girls into two groups: one group practicing their fielding in the outfield and another group hitting and running the bases. Some of the more experienced girls took live pitching and are already hitting it to the outfield. Thanks to Coach Bill for helping out. See you Friday!

Boys Little League (ages 12-16, 6 pm, Field 2)

Coordinators: Ray Loughren

The Friday Swim Meet hurt the participation of this league Friday evening, so the boys played a 4 on 4 fun game. See everyone this week.

Sunday:

Men's Softball League (ages 17+, 5:30 pm, Field 2)

The Purple Team had the doubleheader this week and took on Green game 1. This game was a pitcher's duel between Devon Eckhart and Declan Berutti. Purple struck big in the 5th inning with long solo home runs by Declan and John Wayne Wisniewski. Green could not get the bats going, as they fell by the score of 4-3. The second game was a different story, as Blue asserted their offensive dominance and took a big league early. Purple did not go down without a fight, as they erased an 11-run deficit with some timely hitting late. The comeback fell short however, and Blue improved to 3-0 and remain undefeated. They won by a final score of 23-20. Thanks always to Tommy Marry for umpiring. The Green Team will have the doubleheader this week.

Standings: Blue 3-0, Purple 1-2, Green 0-2

Swim Team Suffers First Defeat of Season

MICHAEL BUCHNEY, HEAD COACH

The Highland Lakes Swim Team traveled to Wayne Township Wednesday, July 20, for their Week 3 Dual Meet against the Wayne Waves. Highland Lakes brought a slightly depleted squad hoping for the best. Despite a good showing in the Breaststroke events, Wayne’s depth in the middle age groups for the Fly, Back, and Freestyle events was simply too much for Highland Lakes to handle. Despite a valiant effort in the relay events, which Highland Lakes dominated, Wayne’s lead was too great to overcome. The final score was Wayne 365, Highland Lakes 328. Come down to the lanes Wednesday evenings at 7 pm on August 3 and 10 for our last two home meets.

Georgia on Her Mind

JENNIFER ZIEGLER

HL Resident Hiking the Appalachian Trail

One of our Highland Lakes residents has embarked on an amazing journey, hiking the Appalachian Trail. Stephanie is a 29 year-old Highland Lakes homeowner and middle-school science teacher who has taught for six years. She is taking a break from teaching to challenge herself, she has started her hike from Maine to South Georgia, a 2,150 mile trek. Only 1,250 people are recorded to have ever finished the Maine to Georgia route as it is a bit harder than the Georgia to Maine route.

Stephanie has planned to take six months to complete her trip. She has started a website for her students, family and friends so you can read her posts and follow her progress. Read about her preparation for the journey as well as funny and interesting reactions from family and friends about her intentions to take on the Appalachian Trail. She is a terrific writer. Her story of coming back from an injury and wanting to challenge not only her body but spirit is inspirational. Sign up and follow her adventure at www.mountainsoflearning.com. Go Stephanie!

HLCC Senior Club the Progressive Senior Club

JOYCE HEALY, PRESIDENT, SENIOR CLUB

So, hello, my friends. As I sit here in the lovely, comfy Vernon public library, I begin to type this article, and I come to a dead stop! It just dawned on me that there are many people who read the Newsette (at least I hope so) and may very well be commenting to themselves, so what makes the HL Senior Club a “progressive” club? My intent is certainly not to act “snooty” by rating our senior club above any other (although, we do have an extraordinary gathering of members ranging from 50 years of age to those in their

80s who are full of wisdom and energy and joie de vivre), and the best way for you to find out about us is to simply hop in your car (or give me a call if you need a ride) and come to the clubhouse on the 2nd & 4th Tuesday evenings of the summer months at 7 pm. We most definitely are not snooty nor do we socialize with only our group of friends. Many, many of the seniors volunteer their energy, time and abilities in countless other areas of HLCC activities and events. We are Doers! We have wonderful events (if I may say so myself), theater trips, on-premises luncheons, off-premises luncheons, catered dinner/dances with exceptional music & entertainment, birthday celebrations, wine & cheese parties, guest speakers at many of our meeting nights (and certainly not “old fogey” topics presented by our speakers), boat rides on Lake Hopatcong & champagne brunch, etc, etc. We’re making plans for a night at Skylands Stadium to enjoy a great baseball game, bar-b-ques, San Gennaro Feast, Oktoberfest, and naturally celebrating our winter holidays because we continue throughout the year after summer’s come and gone.

So - Ahem. Are you part of this beautiful group? Not yet? Every meeting we sign in at least one new member which brings our count up to gee, golly, 60?? I am so proud to be part of this mah-velous bunch. Why don’t you join us - we’d love to have you.

Here are a couple of puzzlers: 10 Fun Facts:

1. You can’t wash your eyes with soap. 2. You can’t count your hair. 3. You can’t breathe through your nose with your tongue out. 4. You just tried no. 3. 6. When you did no. 3, you realized it IS possible, only one looks like a dog. 7. You’re smiling right now because you were fooled. 8. You skipped no. 5. 9. You just checked to see if there is a no. 5. 10. Share this with your friends to have some fun with them, too. Think of a number; double it; add six; half it; take away the number you started with. Your answer is 3! OK, you’re not convinced. Try it again with another number SEE?? Have to go now, hope to see all of you at the Senior meetings. Love ya, Joyce

Adult Halloween Dance Needs “New Blood”

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Halloween is a little way away, but, I'd like to thank Roe Hall and her committee for doing an AWESOME job over the past years for putting together a totally eerie adult dance! She has worked hard decorating for a great event. Thank you for everything you have done Roe, it is greatly appreciated! Unfortunately, she is no longer able to continue on with this feat. We are looking for someone (or more than one person) to take on this task. I am sure she would be available to consult you along the way if needed.

Women’s Auxiliary Plans Underway

JENNIFER ZIEGLER, VICE PRESIDENT, WOMEN'S AUXILIARY

Our July 19 meeting was a packed house, between guests and members we were 35 in attendance. We discussed our successful bake sale at the yard sale held on Saturday, July 16. Our members baked or donated money for purchased baked goods. Special thanks to Jan Davis for her amazing almond cakes! The bake sale proceeds of over \$250 were donated to the Goodwill Fund through the efforts of Women’s Auxiliary. Thanks also to Pat Wooton, Irene Boeren, Doreen Cordes and Ann Schuster for staffing the bake sale table.

On the evening of July 19 over 30 members and guests enjoyed a beautiful spread of cheeses and dips, and an assortment of wine to everyone’s liking. It was a great evening of laughter and conversation. Thank you to Nancy Eisenberg and Ann Nathan for chairing the evening’s festivities.

Tuesday, August 2 is our 3rd Annual Fashion Show/Live Auction, some auction items offered are a custom drawn picture of your house or pet by Highland Lakes amazingly talented artist Bruce Young. Highland Lakes Annual Lighted Boat Parade

LINDA AND FRED WILSON

Family Day

Sunday, August 7, is our Family Day annual Lighted Boat Parade. We will be gathering by 8 pm at the north end of the lake near Beach #3 for departure around 8:15 pm. This year’s theme is “Go USA!” for those who want to decorate.

Participating boats (Party Boats and any other lighted boats) may gather with us for the parade in the area of Beach #3 or may join the parade as we make our way south turning west at Beach #4 and then north around the island with a house on it. We will finish our Lighted Boat Parade in front of everyone at the Club House in time to enjoy our Family Day fireworks from our boats.

It is important for our enjoyment and safety that all boats in and around the Lighted Boat Parade be lighted.

Also be aware that our “no gas engines on the lake rule” precludes using an on-board gas generator to power your boat lights (battery operated or solar lights only). Contact us if you have any questions. Hopefully the weather will cooperate. On the off chance of inclement/extreme weather such as a thunderstorm, our Family Day and Lighted Boat Parade will be on Sunday, August 14, and the cancellation or postponement date will be recorded on the Sailing Hotline 973-764-7796, call for an update.

Call Fred and Linda Kroeger Wilson at 973-764-3548 or email to linsway@warwick.net with questions in advance or day of parade call Sue Buruchian 973-764-7420.

Show Me Your Badge!

SUE BURUCHIAN – CAPTAIN, BEACH 2

Volunteers are calling in to badge check at Beach 2 and the Boat Launch, but I can still use more. Anyone interested please call me at 973-764-7420. It doesn’t take much, an hour a week would be a big help. Pick your hours. Earn your Volunteer Appreciation hours! We encourage all members to display their badges easily for all to see on Club properties. Help keep our beaches and lakes private. Special thanks this week to Ann Conlin for stepping up to the badge checking chair and volunteering! Volunteers have made Highland Lakes run for 80 years strong. Do your part and volunteer.

Junior SANJL Results

MARYJANE KRESIC	
On July 23 the Junior SANJL Race was held at Hunterdon Sailing Club. Highland Lakes again participated and the overall winner of the Regatta was Grant Wisniewski who won three of the five races. JT Wisniewski won the	Midget Division and Declan Mann was second in the Midget Division. The team trophy was won by the HLCC team for the third year in a row!

Senior Sunfish Race – July 24

MLADEN KRESIC, FLEET CAPTAIN	
Unexpectedly, this was a week of surprises...for any of you English majors, you will recognize that as a tautology. Surprise number one, very hot and sunny, yet somehow the wind cooperated picking up just in time for the race following a restart. Some believe that Brett and Allan are seers, who signaled a general recall just to wait for gusts to pick up. The truth lies somewhere else - even the safety boat said there were 5 boats in the way between the start buoys obstructing the line (maybe those 5 were seers). Surprise number two, Maryjane and I made it back to HL by 2 pm and made the race with 30 seconds to spare, with... surprise number 3...Briana who sailed her second race in a row, anchoring the fleet. An even bigger surprise (number 4), was Rich Mastrangelo, who was giving chase to Mark B. around the windward mark, stepped on his main and went over. But he is such a gentleman, the only sailor that doesn't use four letter and other expletives (at least not publicly). He did manage to right the ship and wound up fifth, edging out Ken Boschert's cigar (once again followed by Ken). As to the race, we had 12 enthusiastic sailors. For the first time Nick and Anika Salomonsson joined us and did themselves proud by finishing in 11th. Mark B. won, continually taking the windward position on yours truly on the last leg, after I managed to come within 2 boat lengths on	the downwind leg. Alas, Mark once again taught me a lesson. In third, sailing a flawless race was Lou Iannucci, with Bob Tomsey finishing fourth "cleanly," still trying to qualify for the Olympics. Maryjane sailed a great race finishing just behind Ken and edging out Frank Etzel and Mike Gillooley, and Sebastan Bonardi, pretending he was just a more experienced version of his dad, Luca. ***Please tell any of your friends and neighbors who have a sunfish to come and sail with us – the more the merrier!*** Thanks again Allan and Brett for a stellar job. There will be one race next week, though we are happy to add a practice race after that! Results: 1 - Mark Buruchian 2 - Mladen Kresic 3 - Lou Iannucci 4 - Bob Tomsey 5 - Rich Mastrangelo 6 - Ken Boschert 7 - Maryjane Kresic 8 - Frank Etzel 9 - Mike Gillooley 10 – Sebastian Bonardi (JR) 11 - Nick and Anika Salomonsson (unoff.) 12 - Briana Kresic

Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

When I first heard the forecast for the race last week I knew we were in trouble. It called for winds out of the west northwest at around 12 mph. Now, one would think “Wow, 12 mph. That sounds great.” but those of us who sail these waters know that when the words north and west are used in the same sentence, the actual wind direction will be anywhere from southwest to northeast and all 180 compass points in between. In these parts, we call that board dancing. Not only are the winds shifty, puffy and gusty in these conditions but it will also seem as though someone is controlling a switch to turn the wind on at 25 mph and then off to zero. That’s when we’re left hooked in and then left out to dry.

The merciless conditions hammered, pummeled and threw us around like rag dolls to the point where we finally had to throw in the towel and call it a day after just one race. Sometimes it’s not nice to fool with Mother Nature. I do, however, commend Chip for coming out in these conditions while feeling under the weather. I call that bravery, tenacity, competitiveness, and for lack of a better word - foolishness. In any case, this guy is a real trooper. Here’s hoping for a 15 mph wind forecast with the word south in it.

It was a challenging day for the thirteen boats that sailed due to lack of wind for what seemed like the entire time we were out there. We had a few interesting moments rounding some of the buoys due to the lack of wind. Thanks to Phyllis and Randy for being our dock committee. If you’re interested in joining the fleet let me know since there are a few boats available.

ERIKA RODGER, FLEET CAPTAIN

Didn’t the lake look beautiful this Saturday? It was very picturesque. Chip, however, described the wind as we experienced it: “Minutes of boredom followed by moments of terror.” Even though the forecast said it was going to be blisteringly hot, the wind cooled everyone down ... while it was blowing. It was fascinating to see one boat going upwind, with another boat ten feet away going downwind. All in all, very eventful! Shout out to a great dock committee, Randy Rodger and Sara Gillooley, and a very active safety boat.

MARYJANE KRESIC, FLEET CAPTAIN

Where was the wind was the question of the day on July 20. What started as a nice day for sailing turned into a sun burner as the wind died and the boats coasted slowly around course 1 red/red/red. Grant and Declan caught the early wind and they led the whole race. Cora Leiter sailed her first solo race so kudos go out to her this week.

The results were:

5 - Emmaline Stoddard

Castiglione Wins It!

SUE BURUCHIAN, SECRETARY, LADIES SF

Jessica Castiglione impressively won the Sunfish Ladies race on July 21! Steady wins on a full course one proved to be a wonderful challenge for the ladies sunfish fleet of Highland Lakes. The racing was consistent and tactical. After tacking up past the island, Jessica, Diane and Ellen closely challenged each other tack for tack the entire course upwind and downwind. It was great to see. Lyle improved every tack. It was a stunning day of sailing on the lake. Thanks to the Dock Committee of fleet captain, Irene Boeren, dock and water support of Tom Castiglione and Mike Buono. As always, a special shout out to the Safety Boat of Dan and Robbie. Thanks for always being there “just in case.” Seasonal team sailing shirts were handed out after the race.

Want to join us? Contact Irene Boeren, Fleet Captain at 973-764-7371.

Ahoy Pirates Juniors Sail on Friday

MARYJANE KRESIC, FLEET CAPTAIN

July 22 many Pirates with eye patches and jewels were abundant in the water and on the docks at Eckhart Sailing Center. We had another strong showing with 16 boats out on the water. Unlike last week when there was no wind, today we had more than some kids could handle. Sailing this week for the first time as a doubles skipper was Cora Leiter. Cora flipped twice before the race and many others flipped during the race. Grant even flipped with first timer Tyler. (I hope he comes back!) Needless to say with all that wind a course 1 white/white/white was called. After the race all sailors who made it back to the sailing center were awarded with a generous helping of Pirate Booty! After the boats were put away and sails tied up the Mann family generously hosted a sailing picnic where fun was had by all. Thank you to the Manns for hosting and to all the families who helped make it a success. By the way on July 23 Grant Wisniewski won the Jr. SANJL Race (see related article).

Important dates to keep in mind:

- July 29 - Dancing on the Downwind and Hawaiian Day - It is a mandatory bathing Suit Day
- Aug 5 - Western Day - Wear your best bandana and western garb.

Bocce News

SHIRLEY BOND AND LAURA BRANIGAN

Though it was a warm summer day on Thursday, July 14, three games were played. The Red Team won two games. The Green Team won one. Everyone had a good time. Come join us on the court Thursdays at 1 pm weather permitting. No experience necessary to play. We welcome new players. Once again Thursday, July 21 was a beautiful warm day with a nice breeze coming from the lake. Many players came out, about a dozen or so, and three games were played. The Green Team won two games and the Red Team squeaked out a win for the third game by only one point. That was a very exciting game. We also welcomed a new player, Ken. Everyone had a great time. Bocce is a low impact game and a good way to get some exercise and stretch, so bring a bottle of water and join us next Thursday on the court. See you there.
