## Beach 1 Bus Stop Information

JACK MCLAUGHLIN, GENERAL MANAGER

Tuesday, September 6 marks the opening of school and the school bus stop at Beach 1. On Monday evening, September 5, the parking and traffic pattern at Beach 1 will be changed to accommodate school buses, and will be in effect over the Labor Day weekend until the end of school next June.

Here are the key points to these changes:

- Parking for those who enter the Beach 1 site from Breakneck Road will be restricted to the parking spaces in the “loop road” – there will be no access into either of the two parking aisles along the ball field or children’s playground area.
- Stopping/Standing is prohibited at all times within the school bus loop road.
- Access into both parking aisles will be available from the rear of the site – the Lakeside Drive entrance. You will be able to pass from one aisle to the other in the area at the loop road and at the rear of the site.
- Designated handicapped parking spaces are restricted under all circumstances to those drivers authorized to use them – summonses will be issued for unauthorized use.
- Parents are reminded that the tennis courts are for tennis only – children are not permitted to play in these areas at any time.

Parents who live north of Breakneck Road should use the Lakeside Drive entrance, leaving the spaces in the loop road available to others.

Your cooperation is essential in making the school bus stop safe for all children and the drivers of the school buses. Thank you.

## Wall of Honor

JOYCE HEALY, PRESIDENT, SENIOR CLUB

What is the Wall of Honor? It will be a lasting memorial dedicated to the service men and women of your family who you wish to honor in a permanent setting in the Lake Room in our beloved Highland Lakes. The Senior Club is sponsoring this project for all HLCC members and their loved ones in the military, past and present. If you wish to include someone you love in this lasting memorial, please contact Joyce Healy at 973-764-0306 for more information. We began this project on Memorial Day 2016 and the Wall of Honor will be dedicated at the Memorial Day Ceremony 2017. We know you won't want to miss this beautiful event. God Bless America!

## Hiking Resumes

CHRISTINE BILLACK

Welcome to September everyone, when our hikes resume for the year. We welcome back all hikers and encourage the rest of you to get off of your (well, you know...) and hit the trails once a month. Hikes meet at the clubhouse at 10:30 am, usually on the 3rd Sunday of the month. Please check/call to confirm the date. There may be canoe/kayak trips planned if the weather is good and the waters are high. Please send us your email/telephone and we'll let you know. Please bring lunch, walking shoes, water, and well-behaved dogs. We are a casual, friendly group who sometimes get together after the hikes for dinner at a local restaurant or a hiker's home (pot luck). It would be nice to see some new faces join us. We run into people all the time that tell us that they want to go hiking, but they never get around to it. Call, come, walk, socialize and become part of a great activity. See you soon.

September 18 - Barrett Road, down the steps of Vernon, and across the flats to route 517. You can leave your car on route 94 near Heaven Hill if you would like to make your hike shorter. We have lunch at the viewpoint over the valley.

Proposed dates for 2016

October 16

November 20

December - Our annual lunch at the clubhouse, date to be determined

Thanks to everyone, hope to see you soon in the woods, and we'll try our best not to lose you. (not like last year... we're sure they'll show up somewhere soon...)

Chris & Jim 973-764-1458

## Ecology Corner

CLARK BEEBE, ECOLOGY COMMITTEE

### Deer Ticks, Lyme and What You Can Do About Them Around the Home

Almost everyone is aware of Lyme disease and the deer ticks that carry it. You've learned to wear light colored clothing (so ticks are easier to spot); wear long pants rather than shorts in the woods and grass (so they have less of a chance to grab on); and to thoroughly inspect your entire body after a trip outside (to ensure you did not pick up any unwanted hitch hikers during your outing). You've been told that if you find a tick on your person and it has been there less than 24 hours, you can pull it off and not worry about getting Lyme. (To pull a tick off, grab it with tweezers by the head and pull it straight out. Do not squeeze the body as that may force the stomach contents of the tick—which carries the infection--into your body.) You know that the deer tick is small, not like the much larger dog ticks. You know the long term effects of untreated Lyme can include fatigue, joint or muscle aches, and cognitive dysfunction. Symptoms might continue for weeks, months, or even years and Lyme may affect many parts of the body including the skin, nervous system, heart, joints and eyes. You've learned that Lyme is serious.

Deer ticks are not found out in the middle of your lawn, they live where yards border wooded areas, ornamental plantings and gardens, or anywhere it is shaded and there are leaves with high humidity. By trimming shrubs and low branches, as well as raking and removing leaves, you can remove conditions that allow ticks to survive in your yard. Pay special attention to frequented border areas, tall grass, wood piles, stonewalls, and sheds. Tick nymphs begin to emerge from the leaf litter around mid-April. Once they find a blood meal in May, June or July they again retreat to the forest floor, where they molt and re-emerge as adults in the fall.

Deer, for which the tick is named, is not the key host in the fight against Lyme; the ubiquitous white-footed mouse is. The ticks attach to the mouse in both nymph and adult stages and both infect the mouse and receive the infection back from the bacteria residing in the mouse's blood. So a key to interrupting the infectious cycle is to cure the mice. But don't call your vet--the mice probably won't show up

for the examination.

The answer is to buy a spray can of generic (all pharmacies usually carry their own brand) permethrin.

It is sold over-the-counter for lice but works very well on deer ticks as well. Then spray it on a bunch of cotton balls; don't saturate them but cover them. Put the cotton balls in a piece of tubing (PVC, metal, a tennis ball can, whatever as long as it is may be a foot long and will not dissolve in the rain. Now put the tube outside your house. The mice will come and take the cotton balls for their nests. The permethrin will protect the mice from the ticks. Monitor how many cotton balls are taken. More balls gone means more mice in your area (which is not necessarily a bad thing—they are prey for owls and hawks among other species and they are a major predator of gypsy moth pupae; more mice means fewer gypsy moths.). If the balls disappear quickly, put out more to ensure all the mice in your area are protected.

If you want to measure the effectiveness of your efforts, do a tick population survey before and after you put out the treated cotton balls. Take a white pillow case or tee shirt and drag it through the high grass and bushes around your house. Do this after maybe 10 am so all the dew is gone. Wear gloves. The ticks and nymphs will attach to the cloth. Because it is white, you will be able to see them easily. Count them (before you kill them). A few weeks after the cotton balls are put out run the tick population survey again. You should see a decrease in the count. Note that an adult deer tick is about the size of a sesame seed. The nymph however is only the size of a poppy seed. Nymphs can latch on, drink their fill of blood and drop off with you never being aware making them more dangerous than the larger adults. Adult females (only females drink blood which stimulates egg production) however, if left on to drink their fill of blood, can enlarge up to 1,350 times their size.

For more information you can check out the website <http://quantum.esu.edu/dna/> which is the Northeast Wildlife DNA Laboratory at East Stroudsburg University. Lyme is caused by a bacterium called borreliaburgdorferi, a member of the family of spirochetes.

## Winter Newsette

LYLE TIMPSON, COORDINATOR

Another summer is coming to an end, meaning many seasonal members will be heading back to their primary residences or to warmer climes for the winter, but that doesn't mean your connection to Highland Lakes needs to be interrupted. If you like having an actual hard copy of the Newsette on hand to keep you up to speed with news, events and future plans in our community, you can continue receiving the Newsette in the mail wherever you are during the colder months.

The Newsette can be mailed to you from October 2016 through May 2017 (there's no issue in January). The postage

is a mere \$3.29 for 7 issues (\$.47 per issue) and can be paid in cash or check. Please make all checks payable to L. Timpson to avoid unnecessary paperwork for the Club office. Your name and address with payment can be left at the Club office or mailed to Lyle Timpson, 2100 Lakeside Dr. West, Highland Lakes, NJ 07422. If you have multiple winter addresses (e.g. you don't leave for Florida until December), be sure to include both addresses along with any other specific instructions. Don't miss this opportunity to have the news of Highland Lakes delivered to your door! Any questions call 973-764-1717.

## Last Chance

ANGELA ABRAMS AND KATHY STRUBE

This is last call for recovering your long forgotten ceramic pieces!!! If you recognize one or more of the abandoned pieces of ceramics pictured here, PLEASE recover them by August 29. These pieces have been in the ceramic storage bin for more than a year and it’s time to clear out and clean up.

Adult ceramics is held at the clubhouse on Mondays at 7:30 pm. All adult members (18 and over) in good standing, and young people (8-17 accompanied by an adult) are welcome to come down and create. Mary, our instructor, supplies the pieces for purchase, stains/glazes and brushes for use. So come down with your imagination and create something beautiful. And as with all Highland Lakes activities... please wear your badge.

# Summer Athletics

PAT ECKHART, ATHLETICS DIRECTOR

As the athletics season comes to a close, I would just like to extend a special thank you to all of the coordinators, coaches, and umpires that have volunteered their time to help out with all of the activities. We could not have done this without you. We look forward to the continued success of our athletic program for years to come. REMINDER: If you or your child were not present at the last week of youth activities, you can claim your trophy or medal at the clubhouse activity center. Let’s get to the action.

**Monday:**

Farm Team (ages 4-5, 9 am, Field 1)  
Coordinator: Paul Parigi

It was medal day for the Boys Farm Team on Monday morning! Coach Paul did a great job all year and we have some future all-stars in this league. Great season boys! Mosquito League (ages 6-8, 9 am, Field 1)  
Coordinators: Peter Parigi, Mike Puccio, Matt Puccio, Frank Fogge

Nico Puccio and his little cousin Frankie Guerrera put on a hitting clinic on Monday morning. Their efforts were enough for the win, as the Fireflies beat the Mosquitoes by the score of 6-5.

Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)  
Coordinators: Jennifer Ziegler and Darren Werner

Our last Monday morning session featured some fun games with the kids. We had three stations that included a blindfolded obstacle course, tennis-baseball, and hit the cones off the table. The kids rotated and had a great time. After that, it was time to receive their medals. Great season everyone!

Kids Basketball Lessons (ages 5-14, 5 pm, Beach 1 basketball courts)  
Coordinator: Chris Beninati

We had a fun evening of basketball on our final Monday. We taught the kids how to play knockout, and everyone had a blast. Nate Parrasch won three rounds in a row! After that, the kids split up groups and played some fun scrimmages to close out the season. See you next year!

**Tuesday:**

Mosquito League (ages 6-8, 9 am, Field 1)

The Fireflies and Mosquitoes squared off for the last game of the season on Tuesday morning and it was trophy day! It was also veterans Anthony LePore and Nicky Beninati’s final games as Mosquitoes, as they will be graduating to the Grasshopper league next year. They did not disappoint in their last game, as Anthony hit two BOMBS for home runs. Nicky followed up with a 3-run home run in his final at-bat. The Mosquitoes won the game, 13-5. Great season everyone!

Butterfly League (ages 9-11, 6 pm, Field 1)  
Coordinator: Chip Ziegler

The girls are proud to announce that they beat the boys this week by forfeit. They celebrated by getting their medals. The practice was cut short due to thunder. Special thanks to Coach Chip for a great season!

Men’s Basketball League (ages 17+, 6 pm, Beach 1 courts)  
Coordinator: John Ross

The Black Team took on Blue for the first game of the round robin championship tournament. Kevin Gunning put on a scoring clinic for Blue, but it was not enough as black downed their opponent by the score of 11-9. This was a double elimination tournament, so Blue looked on as Black challenged the regular season champion Red team. Red came out hot and won the game easily, putting Black into the loser’s bracket. Blue and Black faced off again to see who was eliminated. John Jablonski found his shooters touch to help Black put away the Blue team for good, winning the game 11-5. As rivals Black and Red took the court for the championship game(s), the rain finally hit and we were forced to postpone the games. If we cannot reschedule, the Red team will be awarded the trophies. Great season guys.

**Wednesday:**

Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)  
Coordinator: Darren Werner and Paul Sedlewicz

The 5-8 age group got together for the final lesson of the year Wednesday morning. The kids were able to play some fun games such as tennis-baseball, blind fold obstacle course, and hit the cones off the table. They finished up with a challenging game of clear the court. After that it was time to receive their medals. Special thanks to Darren and Paul for a great season. See everyone next year!

**Thursday:**

Girls Farm Team (ages 4-5, 9 am, Field 1)  
Coordinators: Shane and Dean Grundy

The Girls Farm Team got together for the final time on Thursday morning. After warming up in our throwing lines, the girls tried to beat their best times with 3 rounds

of ‘softball scramble’. Then the girls took the field and are getting better and better defensively. Everyone had a great time hitting off the tee. The girls finished up by running the bases. Then it was time to receive their medals. Special thanks to Shane and Dean for being excellent coaches all season.

Grasshopper League (ages 9-11, 6 pm, Field 1)  
Coordinators: Frank Fogge, Robbie Wisniewski, Grant Wisniewski

The Wasps and Hornets squared off Thursday night with the Wasps needing a win to force a championship game. The Hornets jumped to an early 4-3 lead with a big first inning, which included an RBI double by Dennis Jiminez. But a fired up Matt Puccio did not want his season to end Thursday night, as he hit a 2-run home run and a grand slam in the same inning! I cannot be certain, but I am pretty sure 6 RBI’s in one inning is a Grasshopper League record. Nicky Beninati, Michael Puccio, and Nico Puccio made sure to back their teammate up with strong defense and led the Wasps to an exciting 11-10 win! Championship game will be next week! Special thanks to Robbie, Grant, and Frank for helping out all year.

Standings: Hornets 3-3, Wasps 3-3

**Friday:**

Kids Soccer (ages 5-12, 9 am, Field 1)  
Coordinators: Jonah Revalant, Peter Parigi, Annika Salomonsson, Hannah Wisniewski

Our last soccer morning featured some fun games of Sharks and Minnows. The kids were eager to scrimmage, so we had a fun game the last half of practice. Special thanks to all the coaches, the soccer league was a huge success this summer!

## The Mighty Seniors...HL's Progressive Senior Club

JOYCE HEALY, PRESIDENT, SENIOR CLUB

Auf wiedersehn, adieu, ta-ta, sayonara, catch ya later summer. Whew! It's mind boggling just how much we can cram into June, July and August. But we did it very successfully and with a huge grin on our faces. Oddly enough, we are not finished with senior club activities for 2016. Yes, we begin our regularly scheduled evening meetings in May and they run through September at 7 pm on the 2nd & 4th Tuesday evenings of the month. However, we'll continue with a senior club bar-b-que on Sept. 1 at 12 noon in the Lake Room - it's a Thursday - mark your calendars. We'll have an evening meeting on September 13 at 7 pm in the Lake Room with a guest speaker. Naturally, many of our seniors will jump in with both feet and volunteer to help our dear friend, Carol Hastie, with the September community breakfast. Be there or you'll miss out on a fantastic event. September 21 is our San Gennaro Feast in the Lake Room at 12 noon - al Italia festa! Yummy! Bringing up the last week of September will be an event on Tuesday the 27th at 7 pm in the Lake Room - the wine and cheese party. So, did you get everything into your calendar?

Call me if you have any questions.

Many, many heartfelt thanks to my buddies and to all the wonderful senior club members who attended our Senior Gala on August 12. It was absolutely an evening to remember with 15 Hollywood celebrities showing up in costume or quizzing us to guess who they were. Henry and Joan provided dynamic music for our dancing pleasure through the entire evening. We dearly hope to bring them back in 2017 for an even better, chart-topping, blow your mind incredible fun event. Yes, I'm a bit loopy because many, many of our friends told me how great the Gala was and I started throwing ideas around for next year - next year!

If we haven't seen you during the summer months, you still are most welcome to come on down to the Lake Room and join up with Senior Club happenings, join in on the fun and fellowship, hear some terrific guest speakers like Jim Siglin, the President of Sussex Rural Electric, and Carla Ruiz from AARP...just COME. We'd love to have you. Call me if you need help with something and you know we miss you when you're not with us. Love ya, Joyce Healy 973-764-0306.

# Bocce Club News

SHIRLEY BOND AND LAURA BRANIGAN

Thursday, August 11 was a very hot day.Even though it was humid many players came out. Three games were played. The Green Team won two games and the Red Team won one. The Team picture was taken.

August 18 was a nice day for Bocce. Even though it rained in the morning, the sun came out and the court was dry by the time we were playing. Many came out and had a good time. The Green Team won all three games. Due to the luncheon no games were played on Thursday, August 25 and the lunch was enjoyed by all the players who were able to attend. The next games will be held on September 1. The Bocce Club will continue playing each Thursday at 1 pm as long as there are enough players available and the weather cooperates. Once again the summer has slipped through our fingers at lightening speed. Thanks to all those who helped to make the 2016 season such an enjoyable one. See you at the court in September.

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Halloween is a little way away, but, I’d like to thank Roe Hall and her committee for doing an AWESOME job over the past years for putting together a totally eerie adult dance! She has worked hard decorating for a great event. Thank you for everything you have done Roe, it is greatly appreciated! Unfortunately, she is no longer able to continue on with this feat. We are looking for someone (or more than one person) to take on this task. I am sure she would be available to consult you along the way if needed.

# Junior Single Sunfish

MARYJANE KRESIC, FLEET CAPTAIN

Sailing on August 17 was delightful for the juniors. The wind was strong and a white, white white course was called. Hannah feeling the effects of the strong wind wound up sailing with Grant and they did not flip. Noah Eleftheriades, our newest sailor, flipped before the race but went on to sail a great race for his first time out. Dennis Jimenez, tried to sail down to Ekhart Center, but was overpowered by the wind gusts so he sat out and discussed race strategy with the fleet captain and the dock committee. The results were:

- 1 - Robbie Wisniewski
- 2 - Killian Mann
- 3 - JT Wisniewski
- 4 - Declan Mann
- 5 - Richie Amato
- 6 - Noah Eleftheriades
- 7 - Hannah Wisniewski and Grant Wisniewski
- 8 - Dennis Jimenez- DNS

# Force Five Race – August 12

ERIKA RODGER, FLEET CAPTAIN

The wind allowed for short course 2’s, although sometimes the wind could not agree on a specific direction. It was a very picturesque day, and it became somewhat hot by the end. Shout out to the Gillooley family for a great dock committee and of course to the safety boat. \*\*A reminder\*\* Due to the All-Boat Regatta this Saturday, the 27th, there will be no Force Five race. Have fun everyone!

Take the Day Off Ladies!

SUE BURUCHIAN, FLEET SECRETARY, LADIES SF

Well, that’s what happened this past Thursday for the HL Ladies Sunfish fleet. We are busy women who apparently had something important to do on Aug.18 so, for your reading pleasure, I thought it was a good time to review some basics and add some reading pleasure to your sunfish lives.

First off, check out the class web site at www.sunfishclass.org. It has a lot of interesting information, including the magazine, “The Windward Leg” which has interesting articles and informative updates. If you are not a member of the Sunfish Class, you might want to join to keep in touch. Sunfish sailors even at the World Championship level are terrific sharing people.

Highland Lakes has created a number of Worlds competitors over the years.

Secondly, just a few reminders for safe sailing if racing or not:

1 - Always check the weather before heading out. Pop up storms happen and can be dangerous. If you hear thunder,

get off the lake! Go to the closest dock.

2 - Have a lifejacket on board. On windy days, wear it. Juniors are required to wear at all times.

3 - Have a “wet” whistle on jacket. On windy days, your voice cannot be heard.

4 - Bring a full water bottle. Hydrate and stay safe out there.

5 - Let someone know you are going out to sail.

6 - If you are in trouble and cannot right your boat, use whistle and if not near land, stand in cockpit and wave arms crossed over head to show you need help. Drop sails if you can. If you are turtled (boat upside down) and cannot right your boat, sit on top of hull and wait for aide.

7- Never leave your boat/hull. Stay with the boat.

8- Wear sunscreen and proper sailing attire for the water temperatures.

Hope this helps remind you of sailing basics. They are important. Never take safety for granted. Sail on and have fun.

Scavenger Hunters Were Abound on the Lake

MARYJANE KRESIC, FLEET CAPTAIN

Friday was the annual Scavenger Hunt day for the junior sailors. For those of you unfamiliar with the game the juniors are given clues just before they start the race. They then have to unscramble them and sail to where the clues tell them to go. So, if you saw boats out on the lake on Friday going in all different directions that was the reason. We had over 40 juniors enjoying the day. The wind cooperated and a course 3 was called - white, red, and red, to mix it up a bit. Welcome to Ashley Antonini our newest junior. Important dates to keep in mind:

Aug 26 Last day of Sailing - Squirt Gun Wars! - Bring your squirt guns.

Aug 27 - All Boat Regatta - Start thinking about crews now. Club boats are available.

Sept 4- Awards and Labor Day Sailing Picnic. All juniors please plan on attending.

The results were:

1. Grant Wisniewski and Cora Leiter  
2. Robbie Wisniewski and Nico Puccio  
3. Dennis Jimenez and Duke Staley  
4. Declan Mann and Abby Amato  
5. Kilian Mann and Matt Puccio  
6. JT Wisniewski and Michael Puccio  
7. Hannah Wisniewski and Ashley Antonini  
8. Richie Amato and James Brantner  
9. Shayla Schmucl and Victoria Annuziata  
10. Luke Sullivan and Andrew Brantner  
11. Sofia Staley and Sophia Randazzo and Vanessa Cefaloni  
12. Molly Bednarick and Andrew Brantner  
13. Mr. Sullivan and Kateri Sullivan, Deidre O’Donnell, Gabriella Cefaloni  
14. Mr. Ehrhart and Sophie VandeBroek, Michael Evanick, Ryan O’Donnell

Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

Last week’s windsurf race resembled the ultimate in old Japanese science fiction movies. It was Godzilla versus King Kong versus Rodan. It was truly a monster clash of epic proportions. Statements collected from the Dock Committee along with other dock by standers were alarming. More than one witness stated that they could feel the heat from the breathing of fire. Another said that there were tails a-slinging and wings a-flapping. It was a no-holds-barred rubber-suit rumble that soon turned into a titanic tag team of apocalyptic dimensions.

The last race of the season is on the Saturday of Labor Day weekend and we are hoping that Mothra, Megalon, King Ghidorah, Kumonga and Gorosaurus can join us for the sequel. That would certainly be a mega monster mash meltdown.

Race Results for August 20

- Race 1 & 2  
1 - Godzilla Gaston  
2 - Chip “Fire Breather” Rodan  
3 - King Kong Koeck

# Happy Walkers

The Happy Walkers - Here we are, unfortunately some of us had appointments this day and they were here in spirit. We don't like to see the summer end. We meet each Wednesday at 9 am at Beach 1. Happy walking. See everyone on Wednesday - be here or be no where.

## Team Tennis 2016

KNOX STRUBE

Despite the relentless heat and humidity, there were enough avid tennis players to keep all 4 courts busy. We didn't have any extras, so no one got a much-needed break during games. It was one of the only weeks in recent memory that we didn't make it the entire 2 hours. We were able to welcome one new player this week, Sameer, who joined Rosita and Bruce. The matches were tough. Lyn and Gail had a great match against Carol and Fran. As usual, the men continued to challenge each other. Jerry, Edwin, Glenn and Charlie kept each other running after well-placed shots. For all you tennis players that don't like the extreme heat and humidity, it's getting cooler so please come out and join us so that the rest of us get a rest between games. We look forward to seeing you on the tennis courts at Beach 1 on Saturday mornings from 9 - 11 am.
