Women’s Volleyball

KNOX STRUBE

We’ve waited all winter for the start of women’s volleyball. Now that the weather is beautiful, all of you women who are still active and young at heart mark your calendars for July 11 at 10 am to start this volleyball fun. It would be great if we could enlarge our group of ladies playing this year. It is very casual, we just get together and have a good time. We will all enjoy catching up with each other about our winters while we practice our bump, set and oops. As long as you are over 18 (most of us are not even close to that) then come and join us at the utility court at Beach 1 every Thursday morning from 10 am until noon. Please remember to bring your badge, water and sneakers. We all look forward to seeing our regular players, and hope that we will find lots of new players too this year.

HLCC Senior Club

JOYCE HEALY, PRESIDENT, SENIOR CLUB

“Happy trails to you, until we meet again...OOPS! Wait a minute. This article is just beginning, not ending...but, I guess I CAN say we’re meeting again because many of our snowbirds have returned and it’s so good to see everyone. I also want to welcome newcomers to the S/C. It’s always a joy to see new faces.

We have nothing but wonderful memories of great times, great conversations and joy in our hearts for having the friendship of 2 beautiful ladies: Cathy Tansey and Virginia McNulty. We know their spirit is with us as we continue to be a social, vibrant group of friends who genuinely care about others. All our love to their families.

Our S/C meets every 2nd and 4th Tuesday evening at 7 pm during the “summer season” until the end of September. If you’ve wondered how to “get into” the S/C, it’s easy. If you’re 50 yrs. + you’re in! That simple. We have a nice range of ages in our membership from 50s - 90! nd, let me tell you we are an active, interesting group. We come with such a wonderful storehouse of past experiences: athletes of all types, military, educators, world travelers, dancers, singers, artists, and the beat goes on and on! We’re trying to reach a goal of 100 members this year and we’re coming close...in the 80s now. So please come on down July 9 at 7 pm for some great fellowship, gab, excellent coffee and... and 2 guests that night:. The Sussex Cty. Sheriff’s Dept. will be here w/ Nutmeg and her new trainer. Oh, Nutmeg is a wonderful, integral part of their canine division. Hilary Manser will also be here to give you a FREE Sussex Cty. picture ID card. As I always say, “free is a good price”! July 23 will be another guest speaker - a friend of mine-who is absolutely buggy about bugs! She doesn’t like them, she gets rid of them. The Exterminator will answer your questions about what’s bugging you around your house and garden. Me? can’t stand those cave crickets. Carol, help me get rid of them. So make sure you come to July’s meeting nights.

July has MORE to offer: We always have a wonderful off-premises luncheon at the Warwick County Club. This year it’s Tuesday, July 16 from 12 – 3 pm. There’s a yummy menu from which to choose your fare, and there’ll be some fun and games for you, too. The cost is \$26 per person and we can car pool if you need a ride. It’s a great afternoon, BE THERE.

Make sure you read the Newsette every week this summer....lots of things happening at the lake, not only with the S/C. If you need a ride to get to an evening meeting, give me a call, 845-544-3749. Happy trails this week, love ya, Joyce H.

Benefit Golf Outing

CAROL HASTIE

Thursday July 18, 2019 at Farmstead Golf and Country Club will be a benefit to defray medical and travel expenses for Massimo Cherichella. Massimo will be traveling to Florida in August to begin the next phase in his treatment for limb lengthening. His one leg is almost 5 inches shorter than the other leg. There are only a few doctors that are trained to perform this type of operation on children. He will need to live in Florida for 2-3 months for extensive daily physical therapy required to assure the success of the surgery. He will then be able to return home to New Jersey and get back to some kind of normal life.

So get your foursome together for this event. It is open to both men and women. If you don't have a foursome, contact us and we will be sure to hook you up with other benefit golfers. The price for the outing will be \$125.00 and includes 18 holes of golf, golf cart fees, gazebo lunch, barbeque dinner with awards at the Farmstead clubhouse after golfing. The format is scramble shotgun start at 1:30 pm, so plan to register any time after 12 noon.

Massimo is the grandson of Steve and Carol Hastie who are organizing the event. If you need any more information or would like to donate to Massimo's Warriors fund, please don't hesitate to call us at 973-764-6521. Also event sponsors are welcome to sponsor a golf hole or tee or longest drive. We can get the sponsor sign-up sheet to you if you call. Thanks for your help.

BILL BEARDSLEY

A Solution to a Silent Killer and Maimer of Wild Life

One of the most dangerous substances found in the waters of Highland Lakes is discarded monofilament fishing line. This line is deadly to our osprey eagles, cormorants and other birds as well as turtles, frogs and fish. Entanglements can lead to injury drowning, strangulation, and starvation. Death can also result from ingestion. What makes monofilament line especially insidious is that it takes 600 years to decompose.

A simple solution to alleviate the problem for fishermen is to use an empty tennis ball can with cap or other similar container to store discarded monofilament line. That includes short pieces cut off when tying knots or attaching lures and damaged or knotted line that is pulled off a reel. When fishing one should make sure to leave a minimum amount of line with a snagged lure or hook. The excess goes in the can.

Fishermen and the environmentally conscious members of Highland Lakes should have a tennis ball can or similar container with a lid and a pair of scissors in their boat, kayak, or canoe. Whenever you see a tangle of monofilament line on a tree, bush, or snagged on a log, remove it and place it in your container. We all need to be stewards of nature.

At the end of the day you can dispose of your clean line (no hooks, lures, weights, etc.) in the "Fishing Line Disposal Receptacles". They are located near the boat ramp next to Beach 2 near the docks on the side of the Clubhouse, at Comet Row, and at the freeways next to Beach 3 and Beach 7. If you wish to dispose of the line yourself cut it into lengths six inches or less. Place it in a sealed paper bag, and put it in with your garbage. Highland Lakes wildlife will thank you. Empty tennis ball cans are available at the Activity Center in the Clubhouse.

Team Tennis 2019

KNOX STRUBE

At the beginning of June, Team Tennis lost one of our founders, Cathy Tansey. For many years, Cathy has been the face of Team Tennis. She would make sure we had balls, t-shirts, and great games. But most of all, Cathy made sure that each of us had a great time at tennis. You could always know that Cathy had everything under control and great matches on all the courts. We will all miss her on the courts, and we will have big shoes to fill every Saturday morning with her gone.

As we continue to play in June with our memories of Cathy, we have averaged 12-14 players each week with approximately 20 different players over the month of June. We hope to welcome even more in the coming weeks.

We have had many of the regulars return, but we want to send a special welcome to our newest players, Heidi and Rose. We have had players of all levels so far. Jerry, our fearless leader, along with some assistance from others has found the perfect spot for everyone in matches. We have all spent much of the month of June catching up because sometimes we don't see as many people in the winter. We have had many laughs as we have played. Someone even asked Jerry "am I playing with mean Jerry today?" It hasn't taken long to get all of our winter kinks out with everyone making some amazing shots already. Charlie F. continues to play his steady game with Edwin showing amazing, can't miss shots every week. Carol and Rosita continue to amaze everyone with their strong games. While Glenn continues to baffle other players with those left-handed shots, Ralph is showing us all of his movements now that he has this new hip. We take turns playing 4 games. Jerry mixes all the players up, and we have wonderful women's, men's and mixed double matches. At the end of our mornings, we are all caught up with each other and have enjoyed great tennis.

All of the tennis players are so excited to see that the courts are being repaired and resurfaced. Although we will only have 2 courts available until this project is finished, it is a small price to pay for the safety and enjoyment we all get in the end.

As each week passes, all the tennis skills seem to be improving. If you would like to try out Team Tennis, then this is a great opportunity to come out and join us. You can see how we enjoy tennis and are able to laugh at the same time.

We have much fun and many laughs on every Saturday morning from 9 - 11 am. Please come and join us for some fun tennis and a good social time. Even if you can only come for a shorter amount of time, it will be enjoyable with some great exercise. All skill levels are welcome. Just bring your racquet, badge, water and sneakers and meet us at the courts at Beach 1. Hope to see you soon.

Pickleball News

DORI ZARR

Monday June 24 - what a surprise! We were all set to play at 6 pm, but discovered that the courts are being resurfaced. This resurfacing and repair work is being done at the pickleball and tennis courts. (For those who are interested in indoor pickleball play, it is offered in both Randolph and Fredon). We also discussed Ecosox made with bamboo and great to wear when playing Pickleball to keep one's feet dry and cushioned. We're hoping for warm, dry weather so we can get back to play on Monday/Wednesday at 6 pm and Sunday at 9 am. Dori 201-602-8339.

Hiking News

CHRISTINE BILLACK AND JAMES KENNEDY

Our next hike will be on Sunday, July 14. We will leave from the Clubhouse parking lot at 10:30 am. The weather has been cooler than normal for this time of the year, so if this continues, we should have some good hiking conditions. If the temperature and humidity climb however, we will not hike. If we can't hike due to rain, we will try and hike the following Sunday. The hike will be along the A.T. from Long House Drive to Iron Mt. Road. This is the hike that got rained out last month. In August, a bike trip starting in Goshen along the Liberty Trail is planned.

Bring water, lunch, bug spray, sunblock and some good hiking shoes. You may also bring well behaved dogs if they are on a leash. Hope to see you there. Please call 973-764-1458 or email christinebillack@yahoo.com for more detail!

Women's Auxiliary

JENNIFER ZIEGLER, VICE PRESIDENT

The Highland Lakes Women's Auxiliary had their first summer 2019 meeting on June 25. President Doreen Cordes opened her inaugural meeting with 16 members and three new members.

It was great to see everyone and catch up. Sadly two very important members' seats were empty. We honored past Presidents of our Auxiliary, Irene Boeren and Cathy Tansey with a moment of silence. Both of these wonderful friends worked tirelessly for the Women's Auxiliary and the whole Highland Lakes Community. Cathy Tansey was a mentor to many of us in the club. She modeled in our fashion shows as well as emceed the event. We miss you both and you will forever be in our hearts.

Come join us every Tuesday morning at 10 am for our weekly meeting. Have some laughs, meet old friends and make new ones! Continental breakfast is served and babysitting is provided.

Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

Ahh, summertime. Love is in the air. Birds are chirping. Lilies are blooming. The sound of wind chimes gently sing in the morning breeze. Bright reflections dance across the lake surface and before long, windsurfers will be ripping through them in the summer race season opener.

Join the fun every Saturday at 3 pm from July 6 through August 31. Race experience is not needed. You only need a sense of adventure.

This is an Open limited fleet which simply means that a sailor can use any combination of board and sail made by any manufacturer as long as the sail size is not larger than 9.5 square meters. Feel free to call me at 845-893-2923 if you have any questions.

Nautical Notes

SUE BURUCHIAN

Mark Buruchian and Emmaline Stoddard, representing HLCC, sailed the Comet Masters Regatta last month at Shrewsbury Yacht Club in NJ. They fared well. Mark and daughter Shannon also competed at the Comet Randall DeLeeuw at Green Pond YC clinching first place in a tie breaker and ended up second overall. Kudos to Will Kresic who sailed the Sunfish North Americans for UCONN Alumni at James Island YC in Charleston, SC which resulted in an 18th out of 54. Well sailed by all. Learn to sail in HL and you can sail anywhere!
