Annual Kids Cake Contest Draws Huge Crowd

RILEY RUNFOLA,
ASSISTANT CLUBHOUSE DIRECTOR

Wednesday, July 3 was a day filled with icing, sprinkles and lots and lots of cake! Kids of all ages gathered to test out their cake decorating skills. The Clubhouse staff was extremely impressed with the artistic abilities of the young members. Walking through the aisles we saw tropical paradises, American flag cakes and even our very own swim lanes in cake form. Awards were given out that included most patriotic, most memorable, most toppings used and of course, Best in Show. Although it was a close competition our winner's creation was a beautiful beach design with awesome characters from "Toy Story" playing in the sand. The day was filled with smiles and laughs and we look forward to much more cake in the future.

Little Broadway Auditions

VINNY GAGLIOSTRO, CLUBHOUSE DIRECTOR

Auditions Underway

Mia Touw of our Clubhouse staff will be offering a special theatrical experience for Highland Lakes children this summer. Over three weeks, for 3 days each week from 2 pm to 4 pm, our little performers will be preparing a monologue/scene, song, or dance of their choosing which they may choose to present at their showcase for friends and family. Children will also be learning various creative skills including different acting methods, signing methods, how to choreograph a dance, and learning how to cooperatively work as a cast member. Fun activities include improv games, learning how to do stage makeup, and creating props. This show will provide kids with a fun and exciting opportunity to create and make friends. Kids from ages 8-12 can sign up at the Activities Center. We will have our introduction meeting on Monday, July 8 at 2 pm. See you on the stage!

Avoid Tick Borne Diseases

- Know where ticks are:
 - Ticks live in or near wooded or grassy areas. Always walk in the center of trails to avoid contact with ticks. Keep your yard clean: mow lawns, clear brush and remove leaf litter.
 - Apply insecticides: Use EPA-registered repellent with DEET on skin and permethrin on clothing, boots and camping gear.
 - Cover up: Wear long sleeves and pants tucked into socks to prevent ticks from getting under clothes.
 - Shower: Showering can help find and wash off unattached ticks.
 - Inspect: Always check your body for ticks after being outdoors.
 - Use a hand-held or full length mirror to view all parts of your body (don't be afraid to get naked!).
 - Make sure to check:
 - Under the arms
 - In/around the hair*In/around the ears*Between the legs
 - Inside belly button*Around the waist*Back of the knees*On the scalp(bullet these items please)
 - Get it off of me!
 - Don't use petroleum jelly, hot matches, nail polish remover or other products to remove a tick. Using fine-tipped tweezers, grab the tick close to the skin. Do not twist or jerk the tick, as this may cause the mouthparts to break off and remain in the skin. With a steady motion gently pull straight up until all parts of the tick are removed. After removing the tick, clean your skin with soap and water.
 - Contact a healthcare provider if you develop symptoms of tick-borne disease.

Benefit Golf Outing

CAROL HASTIE

- Thursday July 18, 2019 at Farmstead Golf and Country Club will be a benefit to defray medical and travel expenses for Massimo Cherichella. Massimo will be traveling to Florida in August to begin the next phase in his treatment for limb lengthening. His one leg is almost 5 inches shorter than the other leg. There are only a few doctors that are trained to perform this type of operation on children. He will need to live in Florida for 2-3 months for extensive daily physical therapy required to assure the success of the surgery. He will then be able to return home to New Jersey and get back to some kind of normal life.
- So get your foursome together for this event. It is open to both men and women. If you don't have a foursome, contact us and we will be sure to hook you up with other benefit golfers. The price for the outing will be \$125.00 and includes 18 holes of golf, golf cart fees, gazebo lunch, barbeque dinner with awards at the Farmstead clubhouse after golfing. The format is scramble shotgun start at 1:30 pm, so plan to register any time after 12 noon.
- Massimo is the grandson of Steve and Carol Hastie who are organizing the event. If you need any more information or would like to donate to Massimo's Warriors fund, please don't hesitate to call us at 973-764-6521. Also event sponsors are welcome to sponsor a golf hole or tee or longest drive. We can get the sponsor sign-up sheet to you if you call. Thanks for your help.

Junior Volunteer Ice Cream Social

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Thanks to those who came to the Clubhouse to get more information about volunteering at HLCC. Special thanks to Coach Pat and Nancy Eisenberg for explaining the role of junior volunteers in Athletics and at the Good Will Yard Sale. Unfortunately, the Vernon Fire Works were postponed from Saturday and were the same night as our ice cream social so the turnout was a little low but there were new and old faces there. The ice cream was the best part, as well as the gifts the children received for coming.

HIGHLAND LAKES SWIM TEAM

Swim Team Flexes In Win Over Mussels

MICHAEL BUCHNEY, HEAD COACH

The 2018 LSC Red Division defending champions traveled to Green Pond on Wednesday evening to face-off against the Mussels in an inter-division match up. Highland Lakes looked resplendent in their new powder-blue throw-back team uniforms, as they piled off the team bus and overwhelmed the beach at the Green Pond Yacht Club. Onlookers from around the area arrived in their golf carts to watch the proceedings and were treated to a largely one-sided spectacle, as Highland Lakes had too much sauce for the diminutive Mussels. The final score was Highland Lakes 356, Green Pond 247.

Highland Lakes opened the meet winning 6 of the 10 breaststroke events, capped off with a 1, 2, 3 sweep of the 15/18 girls event, lead by Sofia Staley, Ariana Stoddard, and Vaida Yesse. By the end of the breaststroke events, HL opened up a sizeable 82-65 lead. In the butterfly events, HL continued their winning ways, taking 5 of the 8 events. Highlights from this round included a shut-out 1-4 finish in the 13/14 Boys butterfly event, as Michael Puccio, Duke Staley, Declan Mann, and Kiernan Corbutt all finished before the first Green Ponder. By the end of the butterfly discipline, HL extended their lead to a 150-105 margin.

HL Backstrokers put on a clinic, winning 9 of the 10 races, including 4 straight 1, 2, 3 finishes by the 11/12 Girls, 13/14 Boys, 13/14 Girls, and 15/18 boys squads. Particular credit goes to the 13/14 crews who both went 1-4. The boys team of Puccio, Staley, Colin Dignan, and Dennis Jiminez and the girls team of Vanessa Cefaloni, Cora Leiter, Abigail McCarthy, and Julia Heroux put in first-rate performances! By the end of the backstroke events HL stood over one hundred points above their counterparts, rendering the freestyle and relay events largely academic. Freestylers from the 11/12 boys and 15/18 girls corps both turned in 1, 2, 3 performances, with strong showings by James Brantner, Michael Evanick, and Nicholas Beninati; and Sarah Bednarick, Sofia Staley, and Molly Bednarick. Highland Lakes relay teams looked great across the board, and wrapped up a dominant night by the visitors. Next week, Highland Lakes will travel to perennial powerhouse Mountain Lakes, who will have a major chip on their shoulder after suffering a surprise defeat to HL last season.

With only one meet in the books, the 2019 season has only just begun. New swimmers are welcome to join the team throughout the year, and we take swimmers of all levels and abilities. We're a competitive group, but our primary goal is having fun! The team is in desperate need of 9 and 10 year old boy swimmers- we're dangerously thin in this area, if you know a swimmer in this age group, bring him down to the lanes at 10am on any weekday- who knows, maybe an Olympic career is in his future!

HLCC Senior Club News

JOYCE HEALY, PRESIDENT, SENIOR CLUB

Howdy, my friends! We're full swing into summer activities, and I enjoy seeing and talking with you at our meetings. If you happen to not be a member of the S/C, come on down and try us on for size. You need to be 50 years or a "bit more" and a member in good standing of HLCC and CA. We collect dues of \$10 per person annually and these dues are not part of your HLCC dues. We meet the 2nd and 4th Tuesday evenings of each month during the summer at 7 pm. We take turns bringing wonderful homemade goodies for "coffee and" while we get caught up with events in our lives. We often have guest speakers to enlighten us in their area of expertise...sort of a continuing education plan. We also continue meeting through the rest of the year with various activities and lunches on a monthly basis. Such a great group of Lakers! Hope to see more new faces this summer.

Puzzle Mania Wrap Up

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

It was such an amazing night. You could feel the competition in the air as the 7 teams of 4 opened their 300 piece puzzle box and began putting the pieces together. The teams consisted of adults only, children only and a mix of adults and children. Two teams were neck and neck throughout the evening. The first team winners were done in 41 minutes and 30 seconds. Congratulations to Alexa, Chris, Lisa and Sue!

They did an awesome job of working together. The second place team was doing a great job and finished in 41 minutes and 38 seconds. All teams were great and finished their puzzles in record time. We all enjoyed pizza together and each team went home with their puzzles as a prize.

Thank you for coming down to this activity. Watch for another puzzle night. See you then.

Summer Athletics Action

PATRICK ECKHART, ATHLETICS DIRECTOR

We enjoyed one of our most successful opening weeks in recent memory from a participation standpoint. So nice to see all the new faces excited and enthused to play HLCC sports. The weather cooperated and we hope this summer continues to provide us with sunny skies. Reminder to call the Athletics Hotline if you are unsure of an activity taking place. The Athletics Hotline number is 973-764-6674. I'd like to remind everyone to bring plenty of water and apply sunscreen before you leave the house. Also, please bring your badge to any sporting event. See you on the fields. If you have any questions, call me at 973-557-6824. Let's get to the action!

Monday: Boys Farm Team (ages 4-5, 9 am, Field 1)

Coordinators: Patrick Eckhart and Josh Gelfand

We had a whopping fifteen boys show up for opening day of Farm Team on Monday morning. This has quickly become a popular event. After a quick "meeting at the mound" and lesson on the rules & terms, we were ready to play. We warmed up with a fun game of ball scramble. The boys were all able to field, hit, and run the bases. Special thanks to my assistant coach Josh Gelfand. See you Monday.

Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)

Coordinators: Darren Werner and Ray Loughren Jr

We had an excellent turnout for opening day tennis. We welcomed our new coach, Ray Loughren Jr. Ray is currently the head tennis coach at Vernon Township High School, and we are confident he will be a valuable addition to our program. After a short introduction, we were ready to hit. We mostly practiced forehand on this day. We finished by playing a fun game of "Jail" to close out practice. See you next week.

Kids Basketball (ages 8-14, 5 pm, Beach 1 Courts)

Coordinators: Ed Connell and Cody Williams

Thirty kids joined us for our first basketball session of the summer. After a brief introduction and warmup stretch, we were ready to play ball. The kids practiced sideline to sideline dribbling, dribble zig zags with crossover, chest and bounce passes, layup lines, and jump shooting. We have some skilled young basketball players this year. We closed out practice with a fun scrimmage. Great job everyone.

Tuesday: Boys Mosquito League (ages 6-8, 9 am, Field 1)

Coordinator: Patrick Eckhart

The Mosquitoes and Fireflies met for the first game of the season Tuesday morning. It is great to see so many new faces in this league. Rookie William Roman stole the show with a homerun and stellar defense to lead the Mosquitoes to a 5-2 win. Joey Evanick also added a two-run double. Dashiell Hall set the tempo as the leadoff hitter for the Fireflies. Nice job boys! Thanks to Miles VanDerBroek for helping coach. See you Tuesday.

Butterfly League (girls ages 9-12, 6 pm, Field 1)

Coordinator: Patrick Eckhart

The Blue Jays and Robins met for the first time Tuesday evening. These girls are seasoned veterans at this point, even if they just moved up from the Gem League. After a short warm up and reintroduction to the softball program, we were ready for game action. Rookie Olivia Hantson put on a show

for the Blue Jays. Olivia hit a homerun and also made a number of stellar plays at first base. Blue Jays' defense was solid all night, with SS Edie Roman and 2B Samantha Hope Werner combining to make several put outs up the middle. The Robins would not go down quietly however, as Ale Roman and Meghan Emmerich almost willed a comeback with their skilled hitting. The Blue Jays held on by a score of 15-9. Great job girls. Special thanks to Nick, Eric, Ryan, Josh, and Jacob for helping coach.

Wednesday: Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)

Coordinator: Darren Werner

We had another terrific turnout for our youngest tennis players on Wednesday morning. Typically this group would play on the bottom courts, but due to the resurfacing we moved to the top courts. After distributing our awesome new tennis shirts, we were ready to roll. We split the kids up into 4 separate groups to practice ground strokes. The older group finished with a game of "Jail", while the younger group concluded the day with a fun game of "clear the court". Thanks to all my wonderful volunteer coaches: Elise, Avery, Julia, Julie, Michael, Meghan, Isadora, and Sophie. See you Wednesday.

Thursday: Girls Farm Team (ages 4-5, 9 am, Field 1)

Boys Grasshopper League (ages 9-11, 6 pm, Field 1)

Friday: Soccer (ages 5-12, 9 am, Field 1)

Coordinators: Annika Salomonsson, Chris Conway

We had over 30 players show up for our first soccer practice of the season. We began by playing a circle introduction exercise. Then we split the groups up. The older group practiced passing, dribbling, and shooting. They finished with a fun scrimmage. The younger group practiced their skills with a series of fun mini games. Thank you to all my coaches. See you next week!

Gem League (girls ages 6-8, 9 am, Field 1)

Coordinators: Chris Conway, Vaida Yesse

Both the Red and Yellow Gems were well-represented for the first week of the season Friday morning. We welcomed

5 farm team players who graduated and are now old enough to play in the Gem League. The Red Gems practiced fielding in the outfield while the Yellow Gems took the main field for batting practice. After a half hour, the teams switched. These girls are super skilled and eager for their first official game next week! Thanks to Chris, Vaida, and Anthony for coaching.

Boys Little League (ages 12-16, 6 pm, Field 2)

Coordinator: Patrick Eckhart

Results from opening day will be included in next week's issue.

Sailing Clinic Recap

SUE BURUCHIAN, FLEET CAPTAIN, LADIES SUNFISH

Over 30 people attended the Basic Sailing Clinic on July 9. It was a beautiful day with changing light winds. This presented perfect conditions to teach the future sailors about wind, sails, boat parts and safety. Areas touched included a check list from start to finish of parts of the sunfish and how to rig it. We also talked about the importance of checking the weather, proper life jacket sizing, basic sailing tacking and how to right a flipped boat. The future sailors learned how to read basic wind direction and how that applies to your sail to make it move. It was a successful day of exposing the technical side of sailing. We hope more join us "on the water" and enjoy our beautiful lake. Sailing is a life skill which can be enjoyed for years to come. Practice does help, so go out and sail!

Of course, thanks for my helpers from the Clubhouse Staff and Lifeguards, Mark Buruchian, Kevin Murphy, Krissy Amato, Dominic Beninati, Luke Sullivan and Chip Eckhart, all who are active HL fleet racers who pitched in, in various ways. Special thanks to Junior Fleet racers Richie Amato and Dennis Jimenez who were my critical helpers. These Junior seasoned sailors helped with set up, brought down and returned a rigged Club boat and helped take out all clinic participants for a quick sail for “on water” training. They also helped to demonstrate and train, all who were willing, how to “right” and flip a boat. Many accomplished their first “tip” and took a deep breath as they righted their boats successfully. Well done by all.

In summary, an email review and summary of the clinic will be sent with attachments as there was so much to learn. It is hard to get it all in one day.” That said, we are so glad you came to ‘learn the ropes’ of sailing. We hope to see you on the water soon. Sail on (/.../)...(/.../).

Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

Our season got off with a bang on Fourth of July weekend. Literally, we were just able to squeeze in a pair of races between two fast moving storm cells. The southwest winds were gentle enough for novices but strong enough to make for exciting race action for all.

Four Gastons set sail looking to take the top four spots and a first-ever family sweep. However, Justin Murphy would have none of that. In the second race, Justin was first over the starting line and he never looked back. By the time he crossed the finish line, his nearest competitor (that being me) was nearly a minute behind. He appears to be, at this point in the season, unstoppable.

On a “related” note, brother Joe would like the world to know, through this media outlet, that he beat me in the season finale last year. Being it was the last race day, the article never got published due to the fact that the publication release date at that time of the season was a month away and by then it would be old news. So, here we are ten months later and one could argue that this aforementioned achievement is now ancient history. Nevertheless, let’s give credit where credit is due. It was Joe’s day to shine. Belated congratulations on a fine effort!

Lucky Seven

SUE BURUCHIAN, FLEET CAPTAIN

Luck be the lady on July 4th. We started our sailing season with a bang with two newcomers, Patty Thompson and LuAnn Napolitano taking the brave first step on getting into their respective boats after a quick land lesson of, ‘where is the wind coming from?’ With that said and short course one explained, these ladies took to the task. For the record, they rounded all three marks and finished their first race! No small feat. (One had never sailed and the other, never raced or sailed in years). Do I see you doing the happy clap for them? We did.

The remaining ladies are seasoned sailors who, as expected, sailed a challenging and exciting race. Diane Buono showed her experience with a great windward tack taking the winning “wind” position from Emmaline Stoddard and Ellen Wisolmerski. Nancy Grimaldi and Jessica Castiglione were next and our new comers followed. It was a fun first race and now all those cob webs are off the sails and let the racing fun continue. Cheers were heard for all! We are lucky ladies to have this opportunity to sail on such a beautiful lake. Come join us Thursdays 11 am at Eckhart Sailing Center dock which is midway down the west side of the main lake.

Final Results 7-4-19

- 1 - Diane Buono
- 2 - Ellen Wisolmerski
- 3 - Emmaline Stoddard
- 4 - Nancy Grimaldi
- 5 - Patty Thompson
- 6 - LuAnn Napolitano
- 7 - Jessica Castiglione – DSQ- breakdown

Junior Doubles Sailing Highlights

EMMALINE STODDARD

July 5 wasn’t a racing day for the juniors. For the first time out this season, they instead accomplished tasks that needed to be done to help the season run smoother. The juniors cleaned the club boats that had been lying dormant for nine months, and then helped the adults to match rudders, centerboards, and sails to the boats so that each boat had parts that worked in the future. Juniors learned how to rig and derig boats, and then got practice righting a boat after it had been tipped.

The juniors have ushered in some changes for this new season. There are going to be two subfleets inside of the larger junior division: champions and challengers. The “champions” will be for the more experienced sailors, while the “challengers” will be for those who are still learning. Kids will sign up for which division they want to be a part of. There’s also going to be different skills taught each week with an applicable skill for the race, as well as a greater focus on sailors helping sailors in regards to things such as rigging boats.

We hope to see any hesitant juniors come down to Eckhart Sailing Center dock and check us out. We hold doubles races on Fridays and singles races on Wednesdays, both starting at 11 am.

Force Five Race Results
