A Fabulous Turnout for the Goodwill Community Yard Sale

JENNIFER PELLET

Over \$6,000 Raised

More than 100 volunteers from the community joined The Goodwill Fundraising Committee to hold last week's 11th annual HLCC Community Yard Sale, which was a huge success in every way. In addition to raising funds (approximately \$6,700) for the HLCC Goodwill Fund, which helps members experiencing financial hardship, the sale was a festive gathering where members enjoyed the opportunity to mingle and enjoy refreshments while they shopped.

"The number of people who turned out to help from setting up and taking donations the day prior to the sale, to staffing the tables and helping to run things on sale day, really shows the level of generosity of our community here in Highland Lakes," said Liz Holda, who co-chairs the committee with Nancy Eisenberg.

Thanks to donations that poured in the day before the sale, bargain-priced treasures filled every inch of the tables in the Seckler room, where pink-shirted volunteers were on hand to assist buyers. A large selection of furniture, sporting goods and other larger items were also on display on the lawn out front, where more volunteers braved the heat to handle outdoor sales. Inside the Lake Room, the Women's Auxiliary of Highland Lakes added to the coffers by selling coffee, baked goods and bagels. And the HLCC Teen Council also pitched in by running a popcorn and lemonade stand in the front as well.

A steady stream of buyers came from all over to spend for the cause, browsing the wide array of treasures, which ranged from kitchen goods, fine dishware and appliances to tools, craft materials and toys. "This is my favorite day of the year!"

said one happy shopper, as she departed with a large bag of finds.

Planning for this event takes place throughout the year, with the Goodwill Fundraising Committee soliciting donations, selecting and promoting a date for the event and rallying volunteers. In addition to accepting contributions, organizing displays by category (kitchen items, fine dishware, holiday, sports, toys, etc.) and working the sale itself, volunteers also handle a massive post-event cleanup that includes loading left over items onto trucks bound for charitable organizations and restoring order to the clubhouse. This undertaking would not be possible without a dedicated group of people devoting their time and energy. The Goodwill Committee would like to thank everyone in our community who participated in making this event all that it was: Volunteers who gave so much of their time before, during and after the sale; Club office staff, Clubhouse staff and Club maintenance crew; members who donated goods to be sold; Women's Club who made refreshments and staffed the table; volunteers who staffed the Path to Goodwill table; volunteers who manned the grills; vendors who supported the event by purchasing tables; buyers who came out in droves, and went home with their arms full; Teen Council who ran a lemonade/popcorn stand; the Junior Goodwill Fundraising Committee members and volunteers who helped load and unload cars and trucks.

And finally, credit for starting this fun and worthwhile event should be given to founding members Dolores Gaspari, Grace Lewin and the late Virginia McNulty, who started this fun and worthwhile event 11 years ago.

Teen Council News

JENNIFER ZIEGLER, COORDINATOR

Mondays at 6:30 pm

Our Teen Council Summer BBQ on July 15 had 19 teens come enjoy a fun outdoor dinner by the lake. Thank you to Chip Ehrhardt, Amy Wooten, Lisa Wisniewski and Doreen Cordes for all your help setting up, cooking and help managing our controlled chaos! The kids had a great time socializing and reconnecting to start our summer off.

The teens were excited to help on Friday, July 19 to set-up for the Annual Goodwill Fund Yard Sale and the run our Lemonade/popcorn stand at the Yard Sale on Saturday, all proceeds were donated to the Goodwill Fund. I am impressed by all the teens with their willingness to give back to the Highland Lakes Community and have fun along the way.

We had Team Trivia on July 22 with about 20 kids in attendance. The kids enjoyed exercising their brains over summer break.

BOB REFFELT, COORDINATOR

Saturday, July 27

Due to nearby lightning last Saturday, our tour was short circuited for safety reasons. The forecast for this coming Saturday looks better, so we decided to get out there again. Here are the details...

The Highland Lakes Ecology Committee invites Club members to join us on a paddling tour of the main lake on Saturday, July 27. The tour will start near the Clubhouse boat launch area at 6 pm returning to that same area by 8 pm for BYO refreshments and conversation. All participants are required to wear appropriate personal flotation devices, 2019 member badges, and 2019 boat stickers affixed to their boat. Water safety whistles will be provided before departure. A hat, drinking water, and insect repellant might also be worth bringing along. Information about the lake's ecology and history will be offered during the tour. This is a PADDLE ONLY event... no motorized vessels, please. A pontoon boat will accompany the tour to provide assistance to anyone requiring it.

Women's Volleyball

KNOX STRUBE

Thursdays 10 am – Beach 1

The weather doesn't deter diehard volleyball players. We had 4 dedicated players show up on July 18. So once again, we cut the court in half and continued to play through a mist of rain and fog rolling in and out. Lynette and Christine took on Val and Knox. The games were so evenly matched that it was a lot of fun. In the first game, Knox tried to give Val a haircut by zipping the ball by her head. Lynette and Christine played such a textbook game of volleyball while they used the bump, set and oops! The game was close the entire way and then Christine was serving for game point. Val and Knox fought to get the serve back and came from behind to win the first game. Then, after a quick water break, it was time to start game 2. The teams were the same. Christine and Lynette got even more serious about their play this time. Needless to say, they weren't missing shots. Val gave a valiant effort with some one-handed saves. The game stayed close but in the end, Lynette and Christine couldn't be beaten again. So everyone agreed to play a third game tiebreaker. After 3 points, a hard rain moved in and out of extreme caution, we suspended play because the volleyball court got very slick as it got wet. We'll take up this game another week. So why don't some of you "young" ladies out there come and enjoy the fun?? We would like to have more players so that we can all enjoy volleyball as it was meant to be played...6 on 6!

We would like to have any ladies 18 and over (no limit) join us on Thursday mornings from 10-12 at the utility court at Beach 1. You don't have to be a prior volleyball player because we'll teach you. Just bring your badge, sneakers, water and ability to laugh. We always have a good time. We look forward to seeing you next Thursday.

HLCC Senior Club

JOYCE HEALY, PRESIDENT, SENIOR CLUB

Hello, all my fellow Lakers. Here's hoping things are going well with you and yours. "Ask the man who owns one." What? In the early 1900s, the Packard Motor Company generated a slogan to lure buyers. "Ask the man who owns one" became a powerful saying, one that contributed to the company's reputation as manufacturing the dominant luxury car in that era. What Packard seemed to understand is that personal testimony is compelling to the person listening: a friend's satisfaction with a product is a powerful endorsement.

Sharing our experiences with others can make an impact. Showing gratitude and joy to those around us can have amazing effects on those who are listening. When we share our positive experiences with others we're giving something of much greater value than an endorsement of a particular "product". We're acknowledging goodness and encouraging one another along the journey of life.

Reach out and invite your neighbor at the lake to participate in something you enjoy. Maybe they've never thought of all the opportunities offered in HL to socialize with others. Maybe they were a bit shy to try to go to an activity by themselves, maybe they just needed your "testimonial" about how great an activity is. Reach out and tell others, reach out and tell others about the Senior Club, why not? It's a way to meet new friends and you'll be a positive influence in someone's journey.

Every 2nd and 4th Tuesday of the summer months you'll find the S/C meeting down at the Lake Room at 7 pm for a short business meeting, great guest speakers, some delicious "coffee and" and a whole lot of good people. Hope to see YOU there, love ya, Joyce H. 845-544-3749.

Team Tennis

KNOX STRUBE

Saturdays at 9 am

We had 15 tennis players on July 13 and those players enjoyed a great morning of tennis with weather that was very sunny but a bit humid. We were excited to welcome back Michele to Team Tennis for her first appearance this year. Jerry, our fearless leader, decided to start the morning with some evenly played matches. Judy and Carol (the righties) took on Michele and Knox (the lefties). After the 4 games, it was a tie. Then, Ralph, Bruce Z, Jerry and Lee had a great match with amazing shots. Then, we wanted to even things out and a mixed doubles match was played. Charlie and Adele took on Bruce L. and Heidi. Adele started a debate to determine if one of Charlie's shots was rude or brilliant. In the end, it all depends which side of the net you're on when Charlie hits it. Rosita came a bit later in the morning because she couldn't tear herself away from watching the Wimbledon finals. Can you imagine giving up an opportunity to play?! But we were all ears as she gave the update of the women's final. There was a discussion about how to color coordinate everyone's tennis shirt. But it was decided with the old green, gray, orange and blue tennis t-shirts showing up, we would just wear whatever was clean that day. All of the matches were fun and hard fought at the

same time. The matches are so close. Just a missed ball by a couple of inches changes the game. It was a great morning and everyone who played was treated to a great morning of tennis. If you haven't been coming, then you should really think about joining us.

We welcome tennis players of all levels. There are a lot of laughs and time to catch up with friends between the games. Come out and join us on Saturday mornings from 9 - 11 am. Just bring your badge, racquet, sneakers and water. Hope you're able to join us on Saturday.

Monday: Boys Farm Team (ages 4-5, 9 am, Field 1)

Coordinators: Patrick Eckhart and Josh Gelfand
We had a full team of all stars show up on Monday morning for boys farm team. We warmed up with some target practice. Then we played a fun game of ball scramble. We split the boys up and half of them practiced fielding skills in the outfield while the other half hit off the tee. Halfway through we switched. Awesome job boys! Thank you to Nate and Dean for coaching.

Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)

Coordinators: Darren Werner and Ray Loughren Jr.

On Monday morning we really focused on forehand strokes. This group is already showing some real improvement. We set up some foursquare and let the kids practice live tennis. We finished

with some fun rounds of jail. Olivia Hantson took the clean sweep, winning all 3 rounds! Great job Olivia!

Kids Basketball (ages 8-14, 5 pm, Beach 1 Courts)

Coordinators: Ed Connell and Cody Williams
We had another terrific turnout for our Monday evening basketball lesson. Coach Ed put the older group through a series of challenging dribbling drills. They also practiced some 3 on 2 fast break drills. The younger group practiced passing drills, focusing on bounce passes this week. They also practiced dribbling drills and played some fun rounds of knockout. We finished with a scrimmage. Awesome job everyone!

We held our second practice Thursday morning. Four girls came out and braved the misty morning to practice some softball. We started with some target practice and then moved onto ball scramble. Then it was time for the girls to hit. Each girl received five swings off the tee and then ran the bases. Awesome job everyone! Thank you to my wonderful coaches: Ale, Edy, Meghan, Lauren, and Sam.

Richard also played a fantastic shortstop. Anthony Lepore led the Wasps in hitting but it wasn't enough as the Hornets won by the score of 14-3. Thank you to Chip Ziegler for coaching.

Happy Walkers Are Back

MARYJANE WISNIEWSKI, COORDINATOR

Mondays, Beach 1 9 am

Walkers, walkers everywhere! We had a wonderful walk last week. There are many new stories to hear and many laps to go.

July 22 was hot, but much better than the weekend. We had a wonderful walk. The ducks were waddling around the lake. Our visitor from Georgia enjoyed all the sights and sounds around our scenic lake. We had another special surprise a young woman from California joined us. What a chatty time we all had. With all the chatter we didn't realize that we walked around the lake three times. All are welcome to join us at 9 am each Monday. Just wear your sneakers and a smile.

Junior Doubles Sunfish

EMMALINE STODDARD

Fridays, 11 am

The heat was rolling in for the juniors and their doubles race on July 19. After a quick chalk talk, the crew sailed off the dock and did figure 8s around the start buoys, with the help of verbal instruction from the captain. There was a good amount of wind for the race, although it would occasionally die down or shift. The course ended up being a modified Course 1, sailing only the red buoys by the island and the dam. After derigging the boats, ice pops were given out to try to combat the high temperatures. Fully refreshed, the juniors were on their way to try to stay cool during the heatwave. Come on down to sail if interested. We meet every Friday at 11 am at Eckhart Sailing Center. Thank you for our adult volunteers: James, Philip, and Ryan; Jeanette, Isabella, and Lauren; Emmaline and Marcus.

Pickleball Celebrates With Ribbon Cutting...Again

DORI ZARR

Mondays and Wednesday at 6 pm; Sundays at 9 am

On Monday, July 15 the pickleball players cut the ribbon with tremendous appreciation for the wonderful job of resurfacing the courts. The white lines are so crisp they almost glow in the dark and the black surface actually cushions our feet! Many sincere thanks from those who play Mondays and Wednesdays at 6 pm and Sundays at 9 am.

Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

Saturdays, 3 pm

As far as race results go, it goes something like this: Second race same as the first (see results below). As far as wind conditions go, this third race weekend was the same as the first two. No complaints about the wind, however, because when you have wind in "these thar hills", you can't complain. I did hear a grumble or two about how hot it was but that's just a weather phenomena called summer. For the record, the wind was blowing out of the west southwest at about 8 mph.

So, when I previously stated race results as "second race same as the first" I meant that the spacing between each competitor was also pretty much the same in each race. That meant about 10 yards between Justin and me. But to Joey Gaston's dismay, it meant that his lead over Bob Koeck diminished halfway down the final leg (times 2). Give Bob credit though. He's a seasoned veteran who's always been tough at crunch time.

In the second race, Justin got a great running start out of the box but those who sail in these parts know that people sailing within talking distance of each other can be sailing in two different wind directions. Case in point, my start was near the back of the pack. The set course was a number one red. We all started on starboard tack and everyone in front of me was pointing in a southwest wind, however, I soon found myself in a nice little puff out of the west which directed me straight to the mark. This is called a lift when the wind shifts to your benefit. The rest is history.

Rounding out the field was Ally Latham. After over a year's absence she made her way back for a race. Her presence on the race course is always a welcome sight.

Results for 7/20/19	3 - Bob Koeck
Race 1	4 - Joey Gaston
1 - Kevin Gaston	5 - Ally Latham
2 - Justin Murphy	Race 2 - Same as the first

Sunday Sunfish

MLADEN KRESIC, FLEET CAPTAIN

Sunday, July 14 and July 21

July 14 was a great day for sailing. Not too much wind but cool and windy enough for a fun race. Unfortunately, I was off to the airport so I could not join. It looks like they sailed a Course 3 with Maryjane taking the early lead only to be overtaken by Bob T. who finished ahead of our junior Richie Amato, followed closely by Chip and James. Maryjane was close behind with Bill Weiss rounding out the fleet.

Results for July 14

- 1 - Bob Tomsey
- 2 - Richie Amato
- 3 - Chip Ehrhardt
- 4 - James Sullivan
- 5 - Maryjane Kresic
- 6 - Bill Weiss

Needless to say for anyone who was in HL this weekend, it was sweltering!! The wind, on July 21 however, was pretty good and shifty. A Course 1 was called. Unfortunately I was on the road and only participated vicariously. Due to rigging issues we lost a few (Maryjane...).

The finish was spread out, with Mark coming in on top (what else is new?), Chip second, followed by David G. and Bob T. We are eager to have a bigger turnout in 2 weeks following the all boat regatta this weekend!! Please come and participate in the all boat Regatta on July 28, registration at the Clubhouse is at 9 am – it is always lots of boats of all kinds – a fun time with lunch at the Clubhouse.

Thanks again to our stellar dock committee of Allan and Brett. Next Sunday Sunfish is on August 4, we will try to run 2 races if weather and winds permit.

Results for July 21

- 1 - Mark Buruchian
- 2 - Chip Ehrhardt
- 3 - David Goldman
- 4 - Bob Tomsey

Junior Singles Sunfish

EMMALINE STODDARD

Wednesdays, 11 am

Shifting winds and bright sunshine greeted the junior sailors for their singles race on July 17. There was a medium amount of wind for their Course 3, all red race. Yet, because of the shifting wind, they had a downwind start. Congratulations to Ale Roman who sailed her first singles race. Great job! We hope to see even more juniors out there giving it a try. If interested, be sure to come on down to Eckhart Sailing Center on Wednesday mornings at 11 am.
