Beach 1 Bus Stop Information

JACK MCLAUGHLIN, GENERAL MANAGER

Wednesday, September 4 marks the opening of school and the school bus stop at Beach 1. On Monday evening, September 2, the parking and traffic pattern at Beach 1 will be changed to accommodate school buses and to bar access to parking aisles. This change will be in effect after the Labor Day weekend until the end of school next June.

Here are the key points to these changes:

Parking for those who enter the Beach 1 site from Breakneck Road will be restricted to the parking spaces in the "loop road" – there will be no access into either of the two parking aisles along the ball field or children's playground area.

Stopping/standing is prohibited at all times within the school bus loop road.

Access into both parking aisles will be available from the rear of the site – the Lakeside Drive entrance. You will be able to pass from one aisle to the other in the area at the loop road and at the rear of the site.

Designated handicapped parking spaces are restricted under all circumstances to those drivers authorized to use them – summonses will be issued for unauthorized use.

Parents are reminded that the tennis courts are for tennis only – children are not permitted to play in these areas at any time.

Parents who live north of Breakneck Road should use the Lakeside Drive entrance, leaving the spaces in the loop road available to others.

Your cooperation is essential in making the school bus stop safe for all children and the drivers of the school buses. Thank you.

Art Show Celebrates 60th Anniversary

JOYCE HEALY, CO-CHAIRPERSON, ART SHOW COMMITTEE

What an absolute joy to experience all the talent evident here in HL! There were more than 20 professional artists showing a myriad of different styles of art, using different mediums and all having a story behind each piece. The attendance at the Meet & Greet on 8/24 was the most we've ever had, and we thank you for taking the time to come to "the social event of the summer".

Our guest professional artist, Susan Zoon, traveled from Carmel, NY to share her art. She's a remarkable gal with a varied career; a member of the Putnam County Arts Council Board of Directors, an author, a well-known porcelain restorer on the East Coast, a former costume designer with the Philadelphia Ballet, and so much more. Wow! Our art show benefitted tremendously from her expertise, suggestions, interest in how we organize our show and her winning personality. We'd love to have her back.

Diamond Jubilee Award (Theme award): Debra Zimmerman

Best HL Scenery: Ron Berutti

Best Rendition of a Tree: Audra Leiter

We're pleased to announce our 11 First Place Winners this year:

Best in Show & 1st Place: Painting: Liz Everson

Crafts: Barbara Gellner (Adult group, needlework)

Crafts: Daria Bonomini (Adult group)

Painting: Aly Stella (14 - 18 yrs.)

Sketching: Aly Stella (14 - 18 yrs.)

Crafts: Elizabeth Mastrangelo (14 - 18 yrs.)

Painting: Julia Crafton (11 - 13 yrs.)

Sketching: Julia Crafton (11 - 13 yrs.)

Crafts: Emily Poulas (11 - 13 yrs.)

Painting: Zoe Kloza (8 - 10 yrs.)

Crafts: Joseph Green (8 - 10 yrs.)

Congratulations to all winners! We are happy and proud to see the tradition of art in Highland Lakes continue.

The Art Show Committee is grateful for all the volunteer help we receive in preparing this event. We could never present such a marvelous Art Show without you. It takes a GREAT DEAL of time and energy preparing the gallery-quality show of which we are proud to share with our community. We look forward to putting some great minds together to plan ART SHOW 2020!

From the President's Desk

SUE ROSS, PRESIDENT

It has been another wonderful summer at the lake! Hundreds of adult volunteers came together on August 23 to be recognized and appreciated for all that they do. The Clubhouse Committee under the direction of Joanne Poppe prepared the room and served the food that had been cooked to perfection by Vinny Gagliostro of Family and Friends Catering. Laughter filled the air as we were entertained by Headline Entertainment and the night ended with the distribution of a thermos and travel mug set, the Appreciation Gift this year.

We have so much to be thankful for in Highland Lakes, don't we? I've volunteered in our community in some capacity since I

was 15, but the last 12 years of serving on the Voting Board, first as a trustee, then as First Vice President and then President really opened my eyes to how well our community is managed. This is a lake community with a solid foundation, built by hundreds and hundreds of people who have given their hearts through the years to make it what it is, and a general manager and staff who give their all as well. That's our tradition and it is something I am so proud to be a part of. I leave the board knowing that it is in excellent hands and look forward to participating as a volunteer in other capacities in future years.

Beach Testing Results

Below are the results of the most recent E. coli testing at the Club's beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and results must not exceed 320 organisms per 100 milliliter. Testing results are also reported to the Sussex County Department of Health.

Location	8/7	8/12	8/19
Beach 1	5.2	4.1	21.3
Beach 2 - Clubhouse	<1	1.0	5.1
Beach 3 - Lookover Lane	2.0	1.0	7.5
Beach 4 - near Island Drive	33.1	1.0	<1
Beach 5 - E. Lakeshore Dr.	3.1	<1	45.7
Beach 6 - W. Lakeshore Dr.	Closed	3.10	3.0
Beach 7 - Upper HL Dr.	1.0	<1	53.8
Swim Lanes - Clubhouse	1.0	<1	18.9

Upcoming Meetings

Buildings and Grounds – Monday, September 16 – 7 pm
Clubhouse Committee – Wednesday, September 18 – 7 pm
Ecology Committee - Thursday, October 17 - 7 pm
Fishing Committee – Thursday, September 19 – 8 pm
Planning Committee – Tuesday, September 10 – 8 pm
Roads Committee – Thursday, September 5 – 7 pm
Voting Board Workshop – Wednesday, September 11 – 8 pm
Voting Board Meeting – Friday, September 27 - 8 pm*
*NOTE – Meeting date change due to the Concert Series
Since all meetings are subject to change, please confirm meeting times by contacting the chairperson of the committee or the Club office prior to the meeting time.

Office and Activity Center Hours

Labor Day Weekend

The Club office will be open Saturday, August 31, 2019, from 10 am to 1 pm. The office is closed on Sunday, September 1 and Labor Day, Monday, September 2. The Activities Center will be open throughout the weekend and on Labor Day from 10 am to 4 pm. Note: Club boats for your use are no longer available.

Ecology Committee 2019 Annual Report

BARBARA JAGGI, CHAIRPERSON, ECOLOGY COMMITTEE

The main mission of the Ecology Committee is to try to understand causes of lake and environmental issues and to educate the community on ways we can minimize our impact. Committee meetings are held on the third Thursday of every month in the Lake Room at 7 pm and are open to all members. We encourage members to share their personal knowledge and expertise on environmental topics at these meetings, and to invite other experts to address our group and the community at large. We are always on the lookout for representatives from each lake to advise the committee on the condition of “their” lakes. The committee makes recommendations to the HL Voting Board on various projects designed to improve the environment.

Volunteers of the Conservation Club of Highland Lakes (CCHL) are to be applauded for their hard work in pruning, weeding and general clean up of the rain garden at the Clubhouse during the past two months. CCHL meets jointly with the Ecology Committee. This group plays a hands-on role in improving the Club's properties. You can observe these improvements at our many freeways and boat access areas along our lakefront.

Thanks to Bob Taffer who once again organized our annual Highland Lakes Clean-up Day resulting in the removal of too many bags of roadside refuse. Thanks also to the many volunteers who filled those bags. Keep in mind that every day is clean-up day. While our HLCC staff is responsible for keeping our beaches and freeways refuse-free, it is everyone's responsibility to help keep our roadsides clean by not discarding anything from your car window, being more careful about keeping bears away from household garbage, and by routinely cleaning up debris dumped by others in front of our personal property and at other locations throughout the community.

There are many ways members can help preserve the quality of our environment including:

- Picking up after your dog
- Having septic tanks cleaned out every 3 - 5 years, depending on household usage.
- Using phosphate-free household detergents
- Minimizing use of fertilizers - and they must be phosphorous free
- Not blowing leaves into the lake
- Creating a 10’ natural vegetative buffer at the lake’s edge to prevent run-off and pollutants from entering the lake

- Not removing trees and natural vegetation unless necessary
- Helping prevent run-off by use of gravel or paver stones for driveways. (If your driveway is paved only, seal with asphalt based sealers, never coal car based products)
- Cleaning your boats and trailers before entering our lakes

The committee works closely with the HLCC Voting Board and management staff to explore ways to best utilize our financial resources, and to identify worthwhile projects which might increase the need for additional resources. Here's how Club funds directed towards water quality are currently being used:

- providing a water quality monitoring program for baseline data collection as well as consultation services - Princeton Hydro LLC
- monitoring algae and coordinating chemical treatment - HLCC staff
- monitoring aquatic plants, dissolved oxygen, other lake conditions, and providing chemical treatment as needed - Solitude Lake Management
- monitoring E. coli bacteria - Garden State Laboratories
- maintaining proper dissolved oxygen in all our lakes and operating and maintaining a submerged destratification aeration system for Lake 2 as well as aeration systems in other lakes.
- reducing the Canadian geese population
- paying dues to the NJ Coalition of Lake Associations
- monitoring water clarity via Secchi disc - by lifeguards

The committee is currently working with HLCC Management to implement a Carry-in/Carry-out policy in all areas with the exception of the Clubhouse, Clubhouse Park, and Beach 1. In order to lessen the use of disposable water bottles and minimize the impact of plastics on the environment the Ecology Committee is encouraging the Board to approve installation of water fountains with bottle fillers.

Ecology Committee participants include myself, Bill Beardsley (Trustee) and Ellen Buchney (Officer) who serve as liaisons from the Voting Board, and members Clark Beebe, Carole Fortenbach, Ellen Van Howling, Jim Stevens, Bob Reffelt, Patti Thompson, Elizabeth Giannini, Clem Daly and many others who routinely help keep our community healthy and beautiful.

Goodwill Fund 2019 Annual Report

NANCY EISENBERG AND LIZ HOLDA, CO-CHAIRPEOPLE, GOODWILL FUNDRAISING COMMITTEE

Our 11th Community Yard Sale was such a success. Financially, we raised over \$7,400. We are proud of the more than 117 adult and 25 pre-teen and teen volunteers that helped us throughout the two days. Our efforts were also assisted by the Women's Auxiliary, Teen Council and newly formed Jr. Goodwill Committee. At the end of the sale, we continued to reach out to local agencies and distributed the left over items to those in need.

The 21 and Over Dance and the Fall Craft Show earmarked the profits from these events for the Goodwill

Fund. On-Line Imprints LLC continues to donate a percentage of its sales to the Goodwill Fund.

We are overwhelmed with the community support of the Fund. Because of the continuing support, we were able to expand the Fund to allow seniors who qualify for the membership discount to apply for aid through the Goodwill Fund.

I'm also happy to report that 15 bricks were installed in the Path to Goodwill.

Benefit Dance for Massimo Cherichella

CATHY KENNY, COORDINATOR

October 5 - Free Shrimp Band to Perform

Massimo Cherichella will be traveling to Florida in August to begin the next phase in his treatment for limb lengthening. His one leg is almost 5 inches shorter than the other leg. There are only a few doctors that are trained to perform this type of operation on children. He will need to live in Florida for 2 - 3 months for extensive daily physical therapy required to assure the success of the surgery. He will then be able to return home to New Jersey and get back to some kind of normal life. Massimo is the grandson of Steve and Carol Hastie. For more information, contact Cathy Kenny 973-764-5842. Please join us for a night of fun entertainment and comrade.

Free Shrimp Band
Proceeds to defray medical and travel expenses
Saturday, October 5 from 8 pm until midnight (doors open at 7:30) HLCC Clubhouse
\$10 admission at door - BYOB and snacks

It's not magic
It's ETS Heat!

Already saving money
with ETS Heat?

Now, with our Refer-A-Friend Program, recommend ETS to a friend, and you and your friend can both get a \$150.00 bill credit! That's right, you both get a \$150.00 bill credit after install.

Go to sussexrec.com to find out more information on Electric Thermal Storage Heating.

Bunco is Back

MARIAN BENEDICTO

Bunco is held the first Friday of each month starting September 6 at 7 pm. Come and join in the fun. Easy game – only need to know how to throw dice. Bring \$5 and a snack to share and yourself. RSVP - Need 6 people to play. Marian B. & Kathie G. 973-764-7998.

Upcoming Breakfast

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Sunday, September 1

Out next Clubhouse Committee sponsored breakfast will be Sunday, September from 9 to 11: 30 am. It's Labor Day Weekend, already?! See you there!

The Red Hatters at Miss Lottie, boat ride on Lake Hopatcong on August 24. Photo courtesy of Marian Benedicto

Ecology Corner

BARBARA JAGGI, CHAIRPERSON, ECOLOGY COMMITTEE

Prevention of HABs (Hazardous Algae Blooms)

Algae is fed by nutrients that largely enter the lakes via storm water runoff. Heavy rains followed by extremely high temperatures encourage the growth of algae. We have been lucky here in Highland Lakes. Lake management has worked with Princeton Hydro and Solitude Lake Management to test and treat the water appropriately. This summer our beaches have remained open and the water quality has been good.

Keep in mind that we are all part of the watershed. We all must focus on nutrient reduction and elimination of sources of contamination. Nutrients can come from poorly functioning septs and use of fertilizers. Runoff from driveways can cause storm water runoff to wash contaminants into the lakes.

Since 2013 the State of New Jersey has prohibited the over-the-counter sale of lawn fertilizers containing phosphorus. Did you know that landscape companies can get a permit to apply phosphorous based fertilizers? If you employ a landscape service PLEASE verify that they are not using these products.

Although we all share responsibility for keeping nutrients from flowing into the lakes, lakefront properties are the last avenue of filtration to keep nutrients from being washed into the lake. As per Rutgers Cooperative Extension

Service if you own a lakefront property the following is recommended:

- Keep tree removal to a minimum
- Do not plant grass right up to the lakefront. Even without fertilizing, nutrients will wash over a lawn into the lake. Instead plant or leave at least a ten foot buffer of (preferably) native plants and/or shrubs along your lakefront. This will also keep geese from entering your property.
- Consider installing a rain garden

Rutgers Cooperative Extension is a good resource when considering these options.

There is so much to be said regarding this topic. You will certainly be hearing more in the future. For now we all have to be thankful for the beauty surrounding us, especially our lovely lakes, And remember, we have no industry nor do we have agricultural operations up here on the mountain. It is up to us alone to protect our environment.

Speaking of beauty, it comes in all shapes and sizes. Enjoy these photos of Highland Lakes pollinators at work in my garden.

The Ecology Committee meets on the third Thursday of the month in the Lake Room at 7pm. All members are welcome to attend.

Ladies Bowling

JUDI SUNDA AND PAT WOOTTON, COORDINATORS

Week 7

It's Week 7 and the competition continues. The laughter and fun are still going on; what could be more important? And where did the summer go? No one is quite sure what they will do with their Wednesday mornings after this... there is only one more week left! This week's noteworthy accomplishments follow:

- Bernice Bonilla - double, triple score of 138!!
- Eva Willever - double, Turkey, 154, 162, 169
- Joyce Healy - 160
- Lyn Kaplan - 6/10 split, twice
- Ava Shanfield - 4/7 split
- Dianne Kelly - double, 153, 170
- Judi Sunda - 2 doubles, 188
- Dolores Gaspari - 2 doubles, 7/9 split, 159, 178
- Diane Less - double, 4/3 split
- Bonnie Fredericks - double, 4/5/7 split
- Dee Cunningham - double, 5/10 split, 172
- Grace Lewin - triple, 4-Bagger, 169

If you haven't picked up your copy of *At The Lake*, please stop in the office to get one.

Ladies' Pickleball

PEGGY WARNER, COORDINATOR

Due to overwhelming demand, Ladies' Pickleball will continue into the fall. Our energetic participants have no desire to slow down! Come discover for yourself how a little effort can lead to heaps of fun. Bring your sneakers and your member badge; we'll provide the equipment. We're at the courts on Glen Wild Way at 9 am on Friday mornings, and we always welcome new players. Questions? Call Peggy at 973-764-5126.

Thank You to All 2019 Volunteers

PRESIDENT SUE ROSS AND CHAIRMAN OF THE BOARD RAY ZIMMERMAN

Appreciation Dinner Held Friday, August 23

We wish to express our thanks to all of the following volunteers who have donated so much of their time (at least 20 hours) over these past twelve months to our community - the Club's committees, events, activities and functions. We thank these volunteers for their service knowing that our community is a reflection of all of the efforts of the good people of Highland Lakes.

Summer Athletics

PAT ECKHART, ATHLETICS DIRECTOR

Trophy Week

As the season comes to a close, I would like to extend a special thank you to all of the coordinators, coaches, and umpires that have volunteered their time this summer. We could not have done this without you. We look forward to the continued success of our athletic program for years to come. REMINDER: if you or your child were not present at the last week of youth activities, you can claim your trophy or medal at the clubhouse activity center. Let’s get to the action!

Monday: Boys Farm Team (ages 4-5, 9 am, Field 1)

Coordinators: Patrick Eckhart, Dean Grundy, Nate Dimas

We held our final practice for the Boys Farm Team on Monday morning. We gave the boys the option of hitting live pitching instead of off the tee, and a few boys took advantage. After another fun practice, it was time to receive their medals. Terrific season boys!

Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)

Coordinators: Darren Werner and Ray Loughren Jr.

We held our last Monday tennis session and finished with a “fun day”. The coaches set up stations and we split the kids into groups to rotate. We did egg relay races, blind obstacle course, hula hoop target practice, cone pyramid target practice, and our painting station. The kids all had a fantastic time. We concluded our season by passing out the tennis medals. Awesome season everyone!

Kids Basketball (ages 8-14, 5 pm, Beach 1 Courts)

Coordinators: Ed Connell and Cody Williams

We had our final basketball lesson on Monday evening. The older group went through dribbling drills, practiced boxing out drills, and 2 on 1 fast breaks. They finished with a free throw contest, won by Avery! The younger group worked on layup lines, dribbling, passing while running, and shooting games.

They also finished with a fun 4 on 4 scrimmage, utilizing the small hoops and running “half-full court”. What a season!

Tuesday: Boys Mosquito League (ages 6-8, 9 am, Field 1)

Coordinators: Patrick Eckhart and Nick Beninati

The Mosquitoes and Fireflies played their final game on Tuesday morning. Danny Guerrero made a highlight reel catch at shortstop and followed that up with a three-run bomb in the third inning. The Mosquitoes were trailing by 4 runs heading into the bottom of the final inning, when they rallied to tie it behind a key Silas Elliott double. What a comeback! The game ended in a 6-6 tie. The boys received their trophies afterwards. Awesome season everyone!

Butterfly League (girls ages 9-12, 6 pm, Field 1)

Coordinator: Chip Ziegler

The girls of the Butterfly League decided they wanted to challenge the boys of the Grasshopper League for their final game of the 2019 season. After the boys jumped out to an early 4-0 lead, the girls chipped away and kept it close before exploding in the 4th inning. Anna Morriale, Ava Lepore, Juliet Schwarz, Christina Kievit, Samantha Werner, and the Pietrucha twins (Rachel and Ryleigh) were all key contributors to a huge 10 run inning. They pulled off the upset and won the game 16-9. Amazing job girls!

Wednesday: Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)

Coordinator: Darren Werner

We held our last Wednesday tennis session and finished with a “fun day”. The coaches set up stations and we split the kids into groups to rotate. We did egg relay races, blind obstacle course, hula hoop target practice, cone pyramid target practice, and our painting station. The kids all had a fantastic time. We concluded our season by passing out the tennis medals. Awesome season everyone!

Thursday: Girls Farm Team (ages 4-5, 9 am, Field 1)

Coordinator: Samantha Hope Werner

We held our final practice for the Girls Farm Team on Thursday. Abigail, Ava, Aubrey, Anabelle, and Emma all did a wonderful job hitting, fielding, throwing, and running the bases. The girls received their medals following the practice. What an amazing season!

Grasshopper League (ages 9-11, 6 pm, Field 1).

Coordinators: Patrick Eckhart and Chip Ziegler

The Hornets and Wasps met for the Championship game on Thursday night. The Wasps jumped out to a 2-0 lead behind the strong hitting from Dean Grundy and Anna Morriale. The Hornets responded with a big fourth inning, getting key hits from Shane Grundy, Derek Fleming, and Max Caggiano. Nicky Beninati broke the game open with a long two-run homer to deep left. The Wasps won the game 12-7. Great season everyone! The boys received their trophies following the game. Special thanks to Coach Frank for pitching and umpiring.

Friday: Soccer (ages 5-12, 9 am, Field 1)

Coordinators: Annika Salomonsson and Chris Conway

On Friday morning we concluded our soccer season with a fun practice. Six kids braved the gloomy weather and we played a fun scrimmage with the coaches. Excellent job everyone!

Gem League (girls ages 6-8, 9 am, Field 1)

Coordinators: Vaida Yesse and Greg Napolitano

The Red and Yellow Gems played their final game on Friday morning. Reese made the play of the season at 3B. She caught a hard line drive in the air, stepped on third for the force out, and tagged the runner trying to advance. Triple play! Delilah, CeeCee, Skylar, Molly, Ella, McKensie, and Lexi all hit the ball exceptionally well. The girls received their medals following the game. Awesome season girls!

60th Anniversary Art Show

A glimpse of the art work displayed in the Lake Room.

New Beach Hours

KAITLYN NIX, DIRECTOR, WATER SAFETY

Beach 1.....11 am – 6 pm
Beach 2.....12 pm - 5 pm*
Beach 3.....11 am – 6 pm
Beaches 4, 5 and 6....12 pm to 5 pm*
Beach 7..... 12 pm – 5 pm*
Swim Lanes....Closed

*These beaches will be open based on staff availability-see postings at beaches.

Next Newsette: October 5, 2019

Newsette articles should be submitted on the Friday before the week of publication at noon. Under no circumstances will submissions be accepted after noon on Monday of the week of publication. Typed submissions must be emailed to the Club office at hlcc@warwick.net. Sorry – we can only print photographs submitted as .jpg files with a minimum of 150 dpi. Thanks!

50th Anniversary Cookbooks On Sale

JOYCE HEALY

Step back in time a bit and read some of the wonderful recipes submitted 40 + years ago. Your HL Senior Club gathered these recipes and added some delicious new ones to create the 50th Anniversary HL Cookbook.

\$10.00 per copy is all it costs to get a great gift for yourself or for others in your life. Some of the recipes came from the grand ladies of the HL Women's Auxiliary. Maybe your mom, grannie, auntie or a special neighbor submitted a recipe, and you haven't had it since you were a child. Here's your chance to get your hands on those wonderful taste treats. Call Joyce - 845-544-3749 and pick up 1 or more copies for gift-giving.

HL Apparel Benefit

SUE BURUCHIAN, ONLINE IMPRINTS, LLC

Swim Team 2019 Season Recap

MICHAEL BUCHNEY, HEAD COACH

As the calendar turns and another summer begins to fade out, I want to spend a moment reflecting on another successful season for the Highland Lakes Swim Team. Nearly 100 swimmers participated in practices and swim meets through the course of the summer. We welcomed over a dozen new swimmers to the team, while wishing farewell to five graduates by season's end. This year's Lakeland Swim Conference was a challenging one, with several clubs reestablishing themselves as worthy competition for our team. In the end, our dual meet record was 2-4, with wins over Green Pond and Packanack Lake. We suffered two close losses this year to Fayson Lakes and Lake Mohawk by a combined total of less than twenty points, which made for very exciting contests, even though we came out on the losing side. On the other hand, the team had a very strong showing at Coaches Choice, finishing 4th overall, and at "A" Championships where the team finished 5th overall.

On an individual level, we had a number of outstanding performances throughout the summer, including two new team records set. At this year's Coaches' Choice meet, Michael Puccio broke a record set in 1992 by Matt Beninati in the 13/14 Boys 50 meter backstroke, lowering the record to 0:32.58. Our other new record was set by Annika Salomonsson in the 15/18 Girls 50 meter backstroke; Annika broke a record previously set by Lisa Sorensen in 1980! Annika actually broke the record twice—once at the Highland "B" Invitational, but then again at "A" Championships where she captured first place while swimming a 0:33.61. Congratulations to both Michael and Annika on their historic accomplishments.

As noted earlier, we said farewell to five graduating seniors this year: Bobby Bednarick, John Lenyk, Ariana Stoddard, Luke Sullivan, and Jacob Wootton are all headed off to college this fall after swimming for the team for their final summer. Many of these seniors have been with the team since as early as 5 years old, meaning they've swam with us for 13 years! I want to personally congratulate all of them on their careers and wish them best of luck in college! Two of our graduates were honored with our Team Spirit awards for their long service with the team and enthusiastic participation. Ariana Stoddard was awarded the Ethel Price Memorial Team Spirit Award, and Luke Sullivan was awarded the Grandville Michael McManus Memorial Team Spirit Award. While on the subject, if anyone reading this page has information on the namesakes of these awards, our team's historians would love to learn more about these awards' dedication, please write in! Finally, a third graduate, Jacob Wootton earned the Lacetti Award for best all-around swimmer for 2019. Jacob has long been one of our most elite performers, and finished his career with a decorated campaign. The highlight of his season was his final

individual swim at "A" championships where he shattered his personal best time by nearly two seconds, becoming only the third swimmer in team history to go sub-minute in the 100 meter freestyle. It was a magnificent way to end his career, and a testament to his dedication to the sport. Congratulations Jacob!

Finally, I want to congratulate the following swimmers on receiving honors at our Swim Team Awards Dinner. First, our age-group "High Point" swimmers, who each scored the most points for the team throughout the dual meet season (listed in ascending age order): 8 and Unders Dashiell Hall and Juliet Schwarz; 9/10's Derek Fleming and Gabriella Cefaloni; 11/12's James Brantner and Julie Evanick; 13/14's Michael Puccio and Vanessa Cefaloni; and 15/18's Jacob Wootton and Annika Salomonsson. In addition the following swimmers were recognized as being the "Most Improved" in their age group this year: 8 and Unders Ryan Allen-Poole and Lauren Emmerich; 9/10's Caleb Dalelio and Isabella Evicci; 11/12's Joseph Delaney and Alejandra Roman; 13/14's Kiernan Corbutt and Elena Kloza; and 15/18's Sebastian Bonardi and Vaida Yesse. Great job everyone!

I'd like to thank my two assistant coaches: Brielle Morton and Rob Wisniewski for their efforts all summer in helping our swimmers be the best version of themselves. These swimmers benefit from the tutelage of these two seasoned veterans— the team wouldn't be the same without them! In addition, I want to thank all the parents involved in the Swim Team parent board, who volunteer countless hours raising funds, operating the meet, the Highland "B" Invitational, set-up and break down, team gear sales, and all of the other minutiae involved in organizing this huge team! In all 2019 was another great year for the team, and as the lake cools off, we'll hang up our suits, goggles, and caps for now and look forward to June 2020 when we can do it all over again!

Club Garbage Services End

Last pickup – Tuesday, September 3

The Club's summer garbage pickup with Blue Diamond Disposal ends on Tuesday, September 3 (due to the Labor Day Holiday). Please remember - your garbage must be out by 6:30 am on collection day. If you are a customer of Waste Management and Blue Diamond, weekly services to your residence will resume on Monday, September 9. If you have moved into our community over the summer, please note that you must make your own arrangements with one of these firms for year-round services.

Offers You a Better Way to Pay!

Take advantage of Fredericks Fuels' Monthly Budget Payment Plan

Includes our cash discount, no finance charges, and you can include your service plan cost.

Spread your heating cost over 11 even payments. So they're not concentrated in the winter right around the holidays.

You can pay on our secure web site or over the phone with a credit card.

It's Service You Deserve!

The Mighty Seniors

JOYCE HEALY, PRESIDENT, SENIOR CLUB

It's a bright, beautiful, crisp day and all is well. Autumn is quickly approaching and some activities at HLCC are finished for the summer season. Not so with the Senior Club! We're going strong with a membership of 84 people who are active and wonderful to be with. If you've never thought about trying the S/C on for size, or if you are generally someone who doesn't know many folks in our community...well, it's time you take a chance.

September has LOTS to offer to our S/C members:

- 1. Sept. 10 - Evening meeting at 7 pm with a guest speaker scheduled.
- 2. Sept. 13 - BBQ at 12 noon - FREE
- 3. Sept. 18 - San Gennaro Feast at 12 noon - FREE
- 4. Sept. 24 - Wine & Cheese Party at 7 pm with a WONDERFUL surprise, also FREE.

October will be keeping us a little busy with a NEW activity sponsored by the S/C:

- 1. Oct. 11 - LANTERN WALK 6:30 - 8:30 pm. Look for a lantern around your house (garage, basement, attic, crawlspace). More details coming.
- 2. Oct. 16 - Oktoberfest 12 noon - FREE
- 3. Oct. 27 - Pumpkin Carving - 6 pm (this is a Clubhouse Committee sponsored activity, but many members of our S/C participate in a fun-filled evening. Bring something to share w/others in the POT LUCK SUPPER part of the evening, bring your pumpkin and we'll provide everything else you'll need including EASY instructions in carving a wonderful jack-o-lantern!

It's very enjoyable to spend time with such a great bunch of people and I'm always inviting HL folks (50 - ??? yrs. of age) to come on down to the S/C meetings and events. There's always something delicious to munch on or even our full-blown dinners are not to be missed. You might pick up a calorie or two, but it's all the more reason to join us on the First Annual HL Lantern Walk! We love meeting new Lakers and you'll soon see why if you have a happy heart, a good attitude and want to meet someone new...this is the place.

If you need a ride to an event, give me a call - glad to help. Love ya, Joyce Healy 845-544-3749.

Women's Volleyball

KNOX STRUBE

August 22 was another great day for volleyball. We again had 4 loyal players. Christine came with her wrist wrapped up but she was amazing with her serves. She sent a serve to Val that she sidestepped and then announced, "It was in by a watermelon". Also, Val had the play of the day when Knox tried to unsuccessfully set the ball to her. Knox alerted her that she couldn't get there to hit it again and Val came flying through the air out of nowhere to hit the ball over the net and win the point. Lynette was on her game as usual. She was most intimidating at the net and quite a force to be reckoned with when she stood there after her hit with her arms up. Looked like she was daring us to hit the ball back to her...and we usually didn't!

Overall, it was a beautiful day and all 4 players had a great time, amazing shots and many laughs. I would like to thank everyone who joined in our fun this year. Some came once and some only missed one week. In the end, we all enjoyed each week and our time we got to play. We wish Lauren well with her finger and look forward to seeing her back and ready to play next year.

Now the nets are down, the balls are in storage and this year's volleyball season is finished. The participation remained down this year but the players that came had a great time and we all left everything on the court each week we played. Despite all of our obstacles such as the hot and humid days, the threat of rain and never having more than 3 players per side, all the girls came, played, laughed and always had a great time. Way to go girls!

Now that volleyball is over for this year, please mark your calendars for July and August next summer. We need some new players and all of our previous players to keep volleyball successful like in some previous years. So next year...don't miss all the fun that we've had without you this year!

Path to Goodwill

GOODWILL FUNDRAISING COMMITTEE

Build Path to Goodwill

The Path to Goodwill, situated right outside the Clubhouse, continues to grow with memories expressed through sentiments engraved on bricks included in the path. Expressions of love, fond remembrances of times shared, lasting thoughts of lost loved ones and commemorations of joyous events are all found as you meander along. Customize a message; evoke a memory that will last for years to come. Bricks purchased are installed in groups, so please allow some time before you check for your brick. To get started, pick a form up at the Club office or download the order form at the HL website: (<https://hlcc.org/oldsite/wp-content/uploads/2018/01/Path-to-Goodwill-Order-Form-2018.pdf>).

Boat Removal Notice

Boats must be removed from all docks and from all racks on the eastern side of Highland Lakes by Sunday evening, October 13, 2019.

All boats on Club docks **must be removed by October 13, 2019**, in order to provide time for the Club's maintenance crew to relocate the docks for winter storage.

This fall boat racks on the eastern side of Highland Lakes will be inspected and repaired as necessary. The program also requires the removal of all boats stored on boat racks on the eastern side of Highland Lakes by October 13, 2019. Once the racks and area are clear, any necessary maintenance and landscaping can be performed late in the fall and in the early spring.

Part F. of Club Rule No. 25 provides as follows:
F. TRANSPORT TO RESIDENCE, REMOVAL TO STORAGE, PENALTIES FOR VIOLATIONS: Boats, kayaks, windsurfers, etc. of members stored in violation of these Rules which can be identified will be returned to the member's residence. Boats which cannot be identified shall be removed to storage. All boat removals will be subject to a special assessment of \$100.00. A daily storage charge of \$5.00, calculated from the date the boat was removed to storage up to December 15 will be imposed, when a special winter storage fee of \$250.00 will then be imposed. After June 15, a disposal fee of \$250.00 will be imposed. Boats may not be retrieved between December 15 and April 15. The Club may, in its sole discretion, elect to acquire title to any boat that has been determined to be abandoned, in compliance with the "Abandoned Vessels Disposition Law," N.J.S.A. 12:7C-7 et seq.

(Adopted May 16, 2014 / Amended February 15, 2019)

The following boat rack locations are affected by this notice:

- Canistear Road boat launch on Indian Lake
- Beach 5 on Lake 4
- Lake 4 dam on Cherry Ridge Road
- Beach 3 at Lookover Lane and Lakeside Drive East
- Beach 4 - Lakeside Drive East north of Island Drive
- Black Bear Path Freeway at Sunset Lane between 1173 and 1177 Lakeside Drive East
- Shadow Path Freeway at Shadow Lane between 1087 and 1091 Lakeside Drive East
- Hemlock Way Freeway adjacent to 1179 Lakeside Drive East
- North Cove Path Freeway adjacent to 1159 Lakeside Drive East
- White Tail Trail Freeway at end of Lakeside Drive East and Island Road

Avoid costly removal and storage assessments – remove your boats from all docks and boat racks as described above by October 13.

Sailing Tube Storage

LOU IANNUCCI, SAILING COORDINATOR

Remove by September 2

Please note all sails must be emptied from Eckhart Sailing Center and Comet Row sailing tubes by Monday, September 2. There are no exceptions. Please comply accordingly. Thank you.

Men's Golf Outing

RAY LOUGHREN

As summer draws to a close, I'd like to look back on this year's men's golf outing. We had a wonderful turnout this year with 76 golfers in attendance. The winning team consisted of Chuck Harrington, John Harrington, Rich Carmody, and Luke Madden. Only two strokes separated first from third. It was a great tournament. The longest drive went to Scott Robinson. The closest to the hole was taken by Chris Bruckner.

I would like to thank Mike Sweeney and Matt Bruenig for their assistance. A big thank you to Sue Loughren of Rooster Tees for the polos, and Vinny Gagliostro for the terrific food. They help make this all possible.

Mark your calendars for next year. August 7, 2020. See you then.

Sunday Sunfish – Glorious!

MLADEN KRESIC, FLEET CAPTAIN

August 25
Gusting 10 knot winds from the north made for a truly glorious day of sailing at Highland Lakes. To make things even better, we had the largest group of racers, 14 in all, in quite a long time. Pretty perfect!
Given wind from the dam, we sailed a Course 3, and the dock committee called for a long track (all white) for the first time this year! Everyone was off the start clean on a starboard tack...well everyone but yours truly who was stuck too close to the west side and had to weave between a few boats on port. Mark made a good run down the middle of the lake towards the dam and rounded the mark considerably ahead of James and Bob. I made up some time and rounded together with Chip, Lou and Maryjane close behind. This was the order on the downwind mark past the island when Maryjane disappeared for a short time as her boat flipped during one of the gusts. She quickly righted the ship but was passed by David, Mike and Wayne. By the reach mark, Mark was far ahead and “breezed” home. Rounding the reach next was Bob followed closely by James with me lagging behind. They both sailed to the middle of the lake, while I tried to get a lift by the island. In the end it was a photo finish with me edging out Bob and James by a nose. Chip, Lou, David, Mike, Wayne, Maryjane, Bill, Frank (welcome back), Allan and Roger (great to have you join!) rounded out the fleet.

For the second race we shortened the course to white, red, red. We were down to 12 sailors. Once again everyone was off clean, though some bungled the start – someone that looked like me almost fell out of the boat while tacking because the main sheet got caught in the life jacket. As usual, Mark was off to the races...well, it is a race. Rounding the first mark, Bob, James and Wayne were close behind, with Maryjane in 5th. By the downwind mark, I was far behind and could not see the action in front. As we rounded the reach, Mike and I witnessed 4747 do a “Chip flip.” We were both relieved when Chip’s head popped up and he began righting the ship. Sailing on we discovered that the leaders finished in a surprising order, as Colonel Wayne came in second behind Mark, with Bob, James and Maryjane rounding out the top 5. Kudos to them, and to Roger, finishing his second race!

THANKS again to the best dock committee in HLCC, Brett and Alan! REMINDER: Next week there is one race, after which there is the sailors’ picnic. Tell your friends to join! Please leave me a message at 203-918-1102 or send me an email at mladen@negotiators.com if you have any questions.

Windsurf Happenings

KEVIN GASTON. FLEET CAPTAIN

What the “Koeck”?
The best winds of the season greeted three hard core competitors for the August 24 race. Sustained 10 mph north-northeast winds ushered in with an occasional gust tipping the scales at a solid 20 mph. The puffs were coming in straight from the dam so they weren’t as shifty as a couple of weeks ago, when they rolled in over the hills on those nasty unforgiving northwesterners. Nonetheless, a number 3 all red was the call.

What the “Koeck”? It was on the upwind legs in both races that had my head spinning. Bob Koeck out-pointed me to the first weather mark, and then I returned the favor on the final upwind to the finish. The exact opposite happened in race number 2. I could say that I won the first race because of everyone else’s equipment failures, however, that theory flew out the window when Bob Koeck beat me in the second race with two broken camber inducers. Ally Latham had a good excuse when her daggerboard gasket unraveled off the bottom of her board but, win or lose, she’s still able to manage a smile.

Our last race is Saturday, August 31 followed by the Sailors Picnic on Sunday. If anyone is interested in racing in Massachusetts and Maryland in September, give me a call. See you on the line.

Results for 8/24			
Race 1		Race 2	
1 - Kevin Gaston		1 - Bob Koeck	
2 - Bob Koeck		2 - Kevin Gaston	
3 - Ally Latham		3 - Ally Latham	

Ladies Can Be Shifty

SUE BURUCHIAN, FLEET CAPTAIN

For all those who sail, wind shifts can be really enjoyable. Then again, some shifts are not if they don’t work to your advantage. Last Thursday’s ladies race was frustrating to say the least. To give you an idea, a Course 3 white was called which instructs the sailors to head toward the Clubhouse. Normally boats tack on the first leg of a race. This helps establish a racers tactic and usually helps to separate the boats by the first mark. Enter wind shift at the 20 sec horn of the starting series changing to a Course 3 which caused a downwind start. That means all sails flew completely out and the wind is at your stern and let it rip....oh boy....not a great way to start. This race continued to frustrate even the best of sailors. Leaders fell behind to only come back to fall behind again. Literally on the downwind leg the entire fleet reversed positions. Let’s just say, this was one for the books, but we all had stories to tell and share.

Shifty winners were:	
1 - Emmaline	4 - Diane
2 - Nancy	5 - Ellen
3 - Jessica	6 - Hope dnf

Final scores posted on the Club board. Save the date for the Sailors Picnic on Sunday, September 1. All sailors invited.

Force Five

ERIKA RODGER, FLEET CAPTAIN

What a perfect day for sailing! Beautiful weather, consistent, fairly strong wind! We happily did two full courses. Let’s hope next week is just as good. A huge thank you to the dock committee, Randy Rodger and Sara Gillooley, as well as the safety boat!

Race 1		Race 2	
1 - Justin Murphy		1 - Justin Murphy	
2 - Erika Rodger		2 - Erika Rodger	
3 - Lou Iannucci		3 - James Sullivan	
4 - Chip Ehrhardt		4 - Chip Ehrhardt	
5 - James Sullivan		5 - Lou Iannucci	
6 - Mike Gillooley		6 - Ray Mann	
7 - Ray Mann		7 - Mike Gillooley	

LAWN MAINTENANCE, LANDSCAPE DESIGN AND PLANTING, PATIOS, WALLS, FERTILIZER/WEED CONTROL, TREE/SHRUB INSECT AND DISEASE CONTROL, MOSQUITO AND TICK CONTROL, POISON IVY CONTROL, MULCH, SHRUB TRIMMING, CLEAN UPS, AND MORE!
