## From the President's Desk

SUE ROSS, PRESIDENT

It was wonderful to see the Clubhouse filled this Sunday as we held our Annual Meeting. Many thanks to the Elections Chairman, Art Dawson, and the many members who volunteered to assist him. With all of the officer positions and multiple section trustee positions up for election there was a lot of counting going on. The majority of the meeting was completed by 4 pm but many stayed until the bitter end to hear the results of the votes cast.

Outgoing officers Ellen Buchney, (Secretary); Bob Hughes (Treasurer) and Keith McCotter (Section 7 Trustee) were honored for their years of service to the Voting Board and Michael Gelfand surprised me with sweet words of praise for my years on the Voting Board. Also honored was Tom Dolle, Communications Committee Chairman who will be moving to the west coast at the end of this month. Tom was the genius behind much of our communication programs since he took over the committee chair position in 2014. He did all of the graphic design work for the *At The Lake* publication that was distributed with badges this year.

Our community is built upon volunteer involvement like this. One generation follows the other keeping the community vibrantly alive. As I stated at our meeting, "Anyone who is an active volunteer will tell you that you get much more than you give." It is an amazing truth when people have given so much of themselves, but I've never met a volunteer who didn't express exactly that sentiment.

## Sailors' Picnic

## Junior Appreciation Volunteers

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Junior Appreciation was a great success! Thank you all for attending. If you were unable to attend you can pick up your gift in the office. Special thanks to the Clubhouse Committee for cooking and feeding our juniors and to Angela, Julia, Gracie and Rose for opening up karaoke for them! There is such great talent coming up! Also, what an awesome game of musical chairs!

These young adults were appreciated on Wednesday, August 14 at the annual Junior Appreciation Dinner. They have given at least ten hours of their time in a volunteer capacity this summer to the Club and its members. Their efforts have helped run the Athletics, Swim Team, Concert Series, Sailing, Women's Auxiliary and Clubhouse programs which hundreds of others have enjoyed. Each year we recognize the outstanding contributions these young adults of our community make to Highland Lakes. Thank you.

October 5 - Free Shrimp Band to Perform

Massimo Cherichella will be traveling to Florida in August to begin the next phase in his treatment for limb lengthening. His one leg is almost 5 inches shorter than the other leg. There are only a few doctors that are trained to perform this type of operation on children. He will need to live in Florida for 2 - 3 months for extensive daily physical therapy required to assure the success of the surgery. He will then be able to return home to New Jersey and get back to some kind of normal life. Massimo is the grandson of Steve and Carol Hastie. For more information, contact Cathy Kenny 973-764-5842. Please join us for a night of fun entertainment and comrade.

BARBARA JAGGI, CHAIRPERSON, ECOLOGY COMMITTEE

Millions of birds die every year flying into windows because they can't tell reflections from trees, plants, and sky. Most of these windows are on houses. Never had a bird hit your window? Perhaps you have been lucky - so far. More likely, you haven't been around to see or hear it when it happened, and the bird has flown off to die elsewhere or been scavenged by a neighborhood cat, raccoon, or crow. But the odds are that sooner or later your windows will kill a bird.

Not all windows are equally hazardous. Check to see which of your windows are most reflective, and closest to areas where you see birds when they are active. Collisions happen more frequently during spring and fall migration periods or when resident birds fledge young or leave territories to seek food in winter. Even small windows can be dangerous, as many birds fly into small spaces such as tree cavities or between branches.

Research has identified solutions to alert birds to windows. The easiest involve applying visible markings to the outside of windows in patterns that the birds can see while requiring minimal glass coverage to keep your view unobscured. Although we don't yet have all the answers, we know that most birds will avoid windows with vertical stripes placed four inches apart or less, or horizontal stripes spaced two inches or less apart. Stripes should be at least 1/4" wide and light colors are generally more visible. More complicated or irregular patterns will also work as long as they follow the general spacing guidelines specified above.

Here are some quick and affordable ways to protect birds from your windows. These should be applied to the outside of the glass to break up reflections:

- Apply tempera paint (available at most art supply and craft stores) freehand with brush or sponge, or use a stencil. Tempera is long-lasting, even in rain, and non-toxic, but comes right off with a damp rag or sponge. Find stencils at [www.michaels.com](http://www.michaels.com), [www.amazon.com](http://www.amazon.com), or download stencils for free at [www.spraypaintstencils.com](http://www.spraypaintstencils.com).

- Use tape to create patterns. Any opaque tape can work, but translucent ABC Bird Tape transmits light and is made to last outdoors ([www.abcbirdtape.org](http://www.abcbirdtape.org)).

Most window films designed for external use are not patterned and will not deter birds. However, interior window films come in many colors and styles and can be applied on the outside of windows to prevent collisions.

If you don't want to alter the glass itself, you can stretch lightweight netting, screen, or other material over the window. The netting must be several inches in front of the window so birds don't hit the glass after hitting the net. Several companies ([www.birdscreen.com](http://www.birdscreen.com), [www.birdsavers.com](http://www.birdsavers.com), [www.birdgone.com](http://www.birdgone.com), [www.birdmaster.com](http://www.birdmaster.com)) sell screens or other barriers that can be attached with suction cups or eye hooks.

What about prefabricated decals? Birds see decals shaped like raptors as obstacles but not as predators. To be effective any type of decal must be spaced as described above, more closely than recommended by most manufacturers. [www.windowdressingetc.com](http://www.windowdressingetc.com), [www.windowalert.com](http://www.windowalert.com), [www.duncraft.com](http://www.duncraft.com). Or make your own! Art Stick Window Color paints come in 18 colors and are marketed for children. Drawings on sheets of plastic become translucent as they dry, and can be peeled off and applied to windows. DIANNE KELLY

**50<sup>th</sup> Anniversary**

The 50th anniversary of Ladies Golf in Highland Lakes was a huge success. Thank you to everyone who came out and supported our annual outing. Everyone had a wonderful time. Congratulations to Kristen Weiss, the newest winner of the Foley cup. There were a number of winners ranging from low gross to “most honest.” The team ball is an extra game that we play to create a bond among the team members. No one wants to lose that designated ball and therefore no one wants to play it.

The team ball winners were Liz Holda, Lori Kibitlewski and Betty Lynch. Low gross went to Kristen Weiss, 2nd low gross went to Dianne Kelly, low net (using the Calloway system) was won by Sue Buruchian and 2nd low net by

Janet Zatta. Longest drive went to Dianne Kelly, and fewest putts went to Liz Holda. Our most honest golfer had not played in 2 years but still played well, kudos Paula Kloza. Congratulations to all the winners and to all who played.

Specials thanks to everyone who helped to make this a success. Sue Buruchian designed and donated special shirts for our 50<sup>th</sup> Anniversary. Joanne Poppe made golf ball chocolates for all to enjoy and my teammates Paula Kloza, Judy Fortenbach and Janet Zatta helped with the setup and organization. Thank you all. I look forward to seeing you all again next year!

Summer Athletics

PAT ECKHART, ATHLETICS DIRECTOR

As the season winds down, I would like to extend a special thank you to all of the coordinators, coaches, and umpires that have volunteered their time this summer. We could not have done this without you. We look forward to the continued success of our athletic program for years to come. REMINDER: if you or your child were not present at the last week of youth activities, you can claim your trophy or medal at the clubhouse activity center. Let’s get to the action!

**Monday: Boys Farm Team (ages 4-5, 9 am, Field 1)**  
*Coordinator: Patrick Eckhart and Josh Gelfand*  
Another solid outing by the Boys Farm Team on Monday morning. After warming up, it was time for some

target practice. Next, we played ball scramble. Then the boys were eager to get to their favorite activity...hitting! We set up the infield and the boys took turns hitting off the tee. The balls are traveling further each week. Terrific job boys!

**Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)**  
*Coordinators: Darren Werner and Ray Loughren Jr.*  
On Monday we witnessed many impressive rallies from the kids. We have seen so much improvement this year. We finished practice with a strong session of Jail Break. We are looking forward to wrapping up the season with our fun “Carnival Day” for the tennis program.

**Kids Basketball (ages 8-14, 5 pm, Beach 1 Courts)**  
*Coordinators: Ed Connell and Cody Williams*  
On Monday evening the older group went through dribbling drills, practiced boxing out drills, and 2 on 1 fast breaks. The younger group worked on layup lines, dribbling, passing while running, and shooting games. They also finished with a fun 4 on 4 scrimmage, utilizing the small hoops and running “half-full court”. Awesome job everyone.

**Tuesday: Boys Mosquito League (ages 6-8, 9 am, Field 1)**

*Coordinator: Patrick Eckhart*

The Mosquitoes and Fireflies were rained out on Tuesday morning.

**Butterfly League (girls ages 9-12, 6 pm, Field 1)**

*Coordinator: Chip Ziegler*

The Blue Jays and Robins met for game number six on Tuesday evening. Meghan Emmerich was the star, as she collected 3 hits and made two spectacular plays at shortstop. Little sister LJ pitched in with 2 hits of her own. Reese Pietrucha was called up from the Gem League to make her Butterfly League debut, and what a debut it was! Reese had 3 hits and scored the game winning run for the Robins, beating her big sisters in the process. Final score: 8-7 Robins. Awesome job girls!

**Wednesday: Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)**

*Coordinator: Darren Werner*

We had another terrific turnout for our youngest tennis players on Wednesday morning. We practiced forehand, backhand, played foursquare, and finished with some fun rounds of jail. The younger group finished by taking some laps around the court (their choice). These young tennis players are progressing nicely. See you Wednesday for "Carnival Day"!

**Thursday: Girls Farm Team (ages 4-5, 9 am, Field 1)**

*Coordinator: Samantha Hope Werner*

The Girls Farm Team showed out on this cloudy Thursday morning and were eager to build on their skills from last week. After a brief warm-up, we practiced throwing to a hula hoop target. Then it was time for ball scramble. After ball scramble, the girls got the opportunity to hit and field. Finally, we finished with running the bases. Thanks to my coaches: Meghan, Lauren, Juliet, and Jenna.

**Grasshopper League (ages 9-11, 6 pm, Field 1).**

*Coordinators: Patrick Eckhart and Chip Ziegler*

The Hornets and Wasps met for the fifth time on Thursday night. The Wasps stung early and often, behind solid hitting from Nicky, Dean, and Nate. The Hornets suffered from a few misplays in the field, which led to the Wasps really piling it on. Final score: Wasps 17, Hornets 6. The standings are all knotted up heading into the final week. Special thanks to Coach Chip for pitching and umpiring.

Standings:

Hornets 2-2

Wasps 2-2

**Friday: Soccer (ages 5-12, 9 am, Field 1)**

*Coordinators: Annika Salomonsson and Chris Conway*

On Friday morning we decided to combine groups and play as one big team. We started with some agility and passing drills. Next was dribbling drills, followed by a relay race. The young soccer starts were eager to play a game, so we finished with a fun 9-9 scrimmage. Derek Fleming achieved a "hat trick", scoring 3 goals! Thank you to Ozzie Tobin for coaching. Excellent job everyone.

**Gem League (girls ages 6-8, 9 am, Field 1)**

*Coordinator: Vaida Yesse, Chris Conway, Greg Napolitano*

The Red and Yellow Gems played game number six on Friday morning. Dalilah smashed a 2-run double for the Red Gems. Reese launched a homerun for the Yellow Gems in the second inning. Skyler hit a long homerun in the third inning. We witnessed some super aggressive base running Friday which was fantastic to see. The coaches have been stressing base running skills the last few weeks and it is so rewarding to see the extra coaching paid off. These girls are stars! This game ended in a 4-4 tie. Awesome job girls!

Happy Anniversary HL Art Show

JOYCE HEALY, CO-CHAIRPERSON, ART SHOW

60 Years of Celebrating Art

The annual Art Show is another of the wonderful events at the lake. Every year we celebrate the incredibly talented residents who will display many different forms of art. Your senses will experience an overload of artistic expression evident through various mediums: oil, acrylic, watercolor painting, sketching, photography, pottery, quilting, weaving and fabric creations, jewelry making, ceramics, tiles, creative ways with paper and so much more. Really!

We also invite a professional guest artist who is not from our community. This year we are thrilled to introduce Susan Zoon to Highland Lakes and Highland Lakes to Susan Zoon. Here's a tiny bit about Susan: "I studied at Instituto Allende in San Miguel De Allende, Mexico where I was influenced by the bold style and political commitment of Diego Rivera. It was there the seeds of my painting style were sown. Over the years I broadened my design horizons as costume and set designer for the Philadelphia Civic Ballet. I also studied the art of restoration and opened an antique porcelain restoration business, becoming nationally recognized as one of the premier experts in the country. In 1980 I began to explore a painting style of my own invention - a more curvilinear, feminine style of cubism. Experimentation with content and color evolved the style, and I continually strive to expand the definition of cubism and my artistic vision. To date, over 70 paintings have been purchased by collectors." Susan has other fascinating sides to her, and we want you to meet her at the MEET & GREET THE ARTISTS on Saturday, August 24 from 6- 9 pm in the Lake Room.

I am so looking forward to spending time with Susan, as she is a dear friend. I found out she did her first mural on Mom and Dad's dining room wall when she was three or four years old! Her family thought she should go into the field of education and become a teacher. Susan was inspired by Carolyn Marks to accept her own challenge to make art outside the box. Did you know she will paint for maybe three weeks on a particular piece or even work on more than one piece at a time? She is so creative by arriving

at a title for her work first and then actually sketching and painting it. I could go on about my "sister", but you will enjoy meeting and speaking with her in person. Do so please!

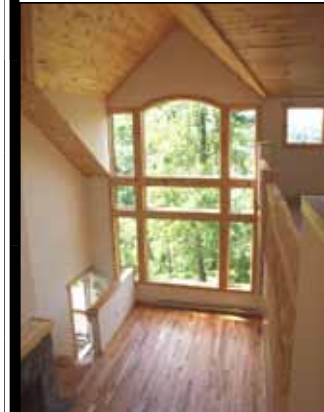

Certainly you will make sure to return to the Clubhouse the following day, Sunday, August 25 at 1:30 to view the wonderful stylings of our children, teens and adult members at the Amateur Arts and Craft presentation. Come see who our distinguished judges have selected as prize winners this year. It may be someone in your own family or someone you know...it may be YOU! Remember, you have to be in it to win it.

Registration for the amateur show will be Sunday morning from 9 - 10:30 am. We are STRICTLY ENFORCING THIS TIME LIMIT. The judges need ample time to evaluate each and every piece of art brought in for competition. We appreciate your cooperation and your participation 100%. "SEE YOU AT THE ART SHOW, IT'S THE SOCIAL EVENT OF THE YEAR" - Quote: the esteemed Joan Ross.

## Big Wins at Junior SANJL

EMMALINE STODDARD

Congratulations to Richie Amato, Dennis Jiminez, and Giselle Bonardi who did great representing Highland Lakes at the Jr. SANJLs on August 17. The group traveled to Smoke Rise and took home some impressive wins. They ended up taking home three trophies: Richie was the Junior

Champion, winning the whole day, Dennis won the under 14 division, and the three of them placed well enough to earn the team trophy! Great job and congratulations once again!

## Windsurf Happenings

KEVIN GASTON, FLEET CAPTAIN

I came this close to canceling the races last Saturday due to a lack of wind. It all began about an hour and a half before the start of our race when a weak storm cell pushed through the area. It literally sucked all the wind clean off the lake (true story) in its wake. Nonetheless, my nephew Joey and I ventured out onto the frightening glass-like lake surface to meet up with two more brave souls, namely Justin Murphy and Bob Koeck for the weekly race. We huffed, puffed and pumped our way from the beach 3 area to just past Blueberry Island and then, hark! What is all that commotion at the south end of the lake? Why, it's ripples on the water covering the entire south third of the lake from east shore to west shore and back again and best of all, it's headed our way. When it finally kicked in we were zipping along in a refreshing and all too welcome 10 mph south breeze. No crazy wind shifts. No on and off puffs. It was the first true southerly for us all season and it couldn't have come at a better time.

Oh yes, as for the races, Justin and I started on the favored port tack except I was the windward boat which means Justin had to tack early since the shoreline was creeping up on him first. That's all I needed to run away with it.

The tides turned in the second race when Justin crushed the opposition with a commanding win. Joey didn't help my cause when he kept imposing the opposite tacks rule on me all the way to the weather mark. That young whipper snapper sure learns quick. See you on the line.

## Ladies in Waiting...

SUE BURUCHIAN, FLEET CAPTAIN, LADIES SUNFISH

This past Thursday, they waited and waited until the WIND finally filled in! Wind is what moves us, makes us feel fresh, makes us feel alive and honestly why we sail. There is nothing more enjoyable than feeling the wind on your face and seeing how its impact can move you in a boat. The flutter of sails when “into the wind” is exhilarating on a windy day and to capture and control wind is the key to success in sailing.

Sailors with years of experience have waited on start

lines before us –for wind. Patience is a virtue of sailing. On this Thursday, we waited and then it was a moving experience - we sailed! The white buoy took a long time to get to and just as far back to the finish line. But it was a beautiful day of light wind with eagles flying over and breezes at our faces and our backs. What a great day in Highland Lakes. Thanks to the ladies who are experiencing sailing, Tom Castiglione with dock duty and our safety boat of Richie Amato and Chris Ruiz.

Final results posted on Sailing Board at the Club office. Finishers were:

- 1 - Ellen Wisolmerski - first bullet of the season!
- 2 - Jessica Castiglione
- 3 - Diane Buono
- 4 - Janet Zetta- first finish on her own!
- 5 - Patty Thompson
- 6 - Hope Breeman

## Junior Doubles Sunfish

EMMALINE STODDARD

There was a small group and a small amount of wind for the August 16 doubles race. Slowly but surely, the five boats made their way around all the red buoys and through the finish line. The juniors sailed a Course 2, which was surprisingly sailed Wednesday and the previous week too. This course is much rarer than the other two, so it was a good experience for the juniors to be able to sail this course.

Results:

- 1 - Dennis and Kazu
- 2 - Cora and Audra
- 3 - Hannah and Natalie
- 4 - JT and Keiji
- 5 - Nicky and Kyle

## Junior Singles Sunfish

EMMALINE STODDARD

The wind was strong for the August 14 junior singles race, contrasting the wind that was to come for their doubles race on that upcoming Friday. The juniors took advantage of the wind and ended up sailing three races. The first was a Course 3, all red. The second two were Course 2, all red races. These were to practice rounding marks to starboard for the SANJL coming up that weekend. The boats remained close together throughout the races, which resulted in some very close finishes. Results stayed the same throughout the three races, except for a switch in the first and second positions in the third race.

1 - Richie	1 - Richie	1 - Dennis
2 - Dennis	2 - Dennis	2 - Richie
3 - Hannah	3 - Hannah	3 - Hannah
