## Spring Cleaning in Highland Lakes

COMMUNICATIONS COMMITTEE

View of parking lot under construction

Many of us live in Highland Lakes because of the natural beauty afforded by a wooded lake community on top of a mountain. The fact that such a community exists within an easy drive of New York City makes Highland Lakes one of the best kept secrets in the area, but keeping it this way now and for future generations requires respect for the environment.

It means making smart choices based on how it affects the greater community, and a tangible example of this is our new parking lot. Replacing the original muddy and rutted open lot that preceded it with a level surface for our vehicles is a great improvement for the entire membership. But it's more than it appears—the new parking lot is designed and constructed to capture and filter road runoff, minimizing impurities that would otherwise pour into our Main Lake. The Clubhouse parking lot is one point of entry for runoff, but we need to be vigilant in other areas too.

For instance, anything that we put onto our lawns eventually winds up in our lakes. As individual homeowners we need to be aware of the greater effects beyond making our own grass greener. Here are some environmentally-friendly suggestions to keep in mind as you tackle this season's spring cleaning:

- Bag your leaves, branches and grass clippings rather than "oopsying" them into a lake or out into a road with a rake or leaf blower (both of which are against Club rules.) Even better, shred them for a great (and free!) mulch.
- Use safe, organic alternatives to the pesticides (that can kill fish), herbicides (that hurt your septic system) and fertilizers (that promote lake algae growth) you may now be applying to your lawn and plants. The extra time and relatively insignificant added expense you spend to acquire safe alternatives now will be paid back through the continued health of our lakes, trees, and wildlife. And be sure to get rid of old unsafe products through controlled disposals like those available periodically at the dump.
- Avoid caustic household chemicals that may go through your septic or onto the ground and get washed into our water system. Instead, consider using less destructive cleaners that get the job done without poisoning everything they come in contact with. Again, do safe disposal of old products.

Decisions like these are an easy way to make positive environmental changes that support the health of our trees, lake and wildlife. We all want to safeguard and perpetuate the wholesome, natural beauty of Highland Lakes for future generations, so making smart choices is the right thing to do.

The majority of early cabins featured field stone fireplaces and massive mantels. Materials for these works of art were found locally and are still enjoyed today.

## From the President's Desk

BOB HUGHES, PRESIDENT

The only new business passed by the Voting Board in April was a motion to award a contract for road sweeping to Northeast Facility Services of Paramus in the amount of \$2,224.00 per day. Road sweeping and road paving work are scheduled for the 2nd week of May. Work on the clubhouse parking lot remains on schedule. The Voting Board meetings are scheduled for May 6 and May 15 at 8 pm. The Lakeside Cafe is scheduled for Saturday the 16th, and the Clubhouse Committee has a breakfast scheduled for Sunday the 24th. Special thanks to the Ecology Committee and all of the volunteers on Clean-up Day last Saturday.

## Message to all Returning Lifeguards

PETE JABLONSKI, WATER SAFETY DIRECTOR

Lifeguard data forms should have already been returned. If for some reason you did not get your mailing or were recently certified and wish to apply for the 2015 season, you can request an application by contacting the Highland Lakes Club Office, PO Box 578, Highland Lakes, NJ 07422 or by calling 973-764-4366.

Preseason schedules will be mailed out shortly. Preseason

work will be distributed evenly to those who are interested beginning with senior guards getting first choice. This does not mean that only senior guards will work preseason.

If you should have any questions or concerns, please leave your name and phone number with the Club office and I will return your call. Thank you.

## 2015 Badges and Permits

### Available for Pickup

Members who have paid their dues and assessments in full can pick up their 2015 membership badges and permits at the Club office. Office hours are Monday through Friday, 9 am to 4 pm, and on Saturday, from 10 am to 1 pm.

Please pay particular attention to the emergency information section on your badge pick-up form. Having emergency contacts and telephone numbers on file at the Club office makes it much easier to contact you in an emergency.

Parking permits are valid only for those vehicles listed in the records at the Club office. If you have replaced any vehicles, please bring copies of the appropriate vehicle registrations.

## Kiss Your Ash Goodbye!

CLARK BEEBE

Many of us throughout Highland Lakes have ash growing in our lawns and woods. Unfortunately, there is an invasive insect called the Emerald Ash Borer (EAB) that showed up in Michigan around 2000 that has reached NJ and will kill your ash trees within a few years. Shown with this article are some photos to help you identify your ash trees. One of the most unusual features is that the leaves are arranged opposite each other on the stem. Most trees in our woods (other than Maple, Ash, Dogwood and HORSE chestnuts--referred to by the acronym "MADHORSE") have alternate leaf arrangements.

There also is a photo of the EAB. It is emerald green and about the size of a dime. If you see one, tell us! They are not here in Highland Lakes that we know of but they are coming! What should you do? If you are planning to remove some trees for firewood or whatever reason, cut your ash trees first. If you are not yet planning on removing your ash, start planning to do so. Think about what native species (no non-native invasives such as Norway Maple or Callery Pear) you want to plant in their place. What should you plant? You might try one of the newer elm cultivars that are resistant to Dutch elm disease. Or an American hophornbeam or a thornless honey locust. If you want some type of fruit you can consider a horse chestnut or hazelnut. Note that fruits or nuts will attract wildlife of all types and can be messy under the tree. Talk to your garden supplier and insist on native species!

### Summer Athletics

PAT ECKHART, ATHLETIC DIRECTOR

Summer 2015 is right around the corner and it is time to start thinking about all of the activities of which you would like to be a part of. As in the past, the registration book for all Club sponsored athletic teams will be at the Clubhouse Activities Desk beginning Memorial Day weekend. The activities include tennis, tennis lessons (children and teens), soccer, softball, sailing, basketball, volleyball, bowling, and golf outings (TBA). In the next few weeks I will begin the schedule making process, but this can only be done once I get a good sense of the participation this summer by our athletes and volunteers, SO PLEASE SIGN UP!

If you or your child volunteered in any capacity last year and wish to continue, please note it on your child's registration form. The teamwork of our volunteers makes everything possible. It is very important for any coach or player that participated in our program last year to sign up again and let us know which team you were on. Remember, there is no I in TEAM, so don't say I can't play, sign up and become part of an HLCC TEAM! I hope everyone is as excited as I am for another fun-filled Highland Lakes summer. See you on the fields! Any questions call Pat at 973-557-6824.

### Boat Retrieval Notice

TROY BOWERS, SECURITY MANAGER 973-764-4266

Highland Lakes Security collected boats from the boat clean up project this past year. Boats were removed from Club property on the west shore of the Main Lake, and from Club property on Lakes 1 and 5. With spring arriving, it is time for owners to retrieve their boats.

All owners claiming a boat must complete a Boat Retrieval Form that is available below as well as the Security and Club offices. Bring the completed form to the maintenance yard located on Glen Wild Way off Cherry Ridge Road by Ball Field 2 on May 3, 2015 and June 7, 2015 between the hours of 11 am and 3 pm. If your boat has a 2014 boat sticker, please bring your 2014 membership card or owner's badge. Any questions, please call 973-764-4266.

## Avoiding Deer Ticks and Lyme Disease

BOB REFFELT, CHAIRMAN, ECOLOGY COMMITTEE

This is the time of year when we like to spend time outdoors, but it is also peak season for deer ticks which may carry Lyme disease, a serious and potentially crippling illness that is transmitted through the bite of a deer tick. Deer ticks are black and very small, the size of a pinhead. The larger, dog ticks are brown and do not carry Lyme, but may cause other illnesses. Ticks are active in our area during the spring, summer and fall.

Remember to check yourself and your family every time you come inside from outdoor activities. Remove your clothing and check your entire body for ticks. If you find one before it invades your skin, remove it and you will not get Lyme. Once it starts to dig-in you should be very careful when removing it. My doctor recommended putting non- alcoholic mouthwash on the tick

to encourage it to back out. If you damage the tick when attempting to remove it with tweezers you might get infected.

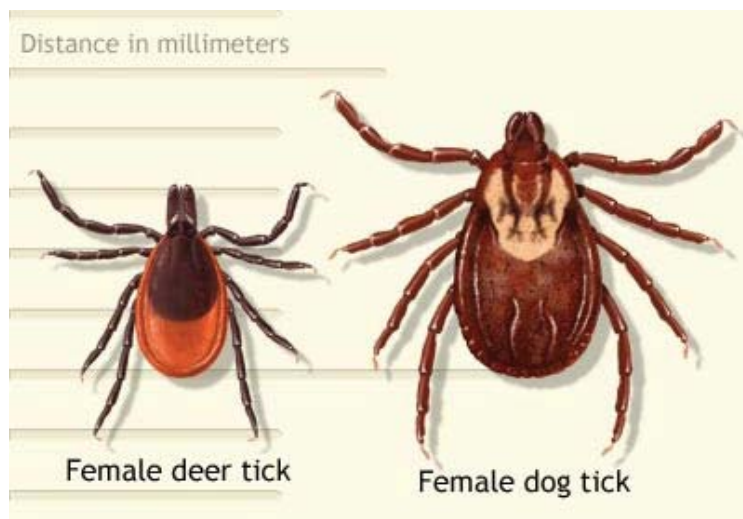

If the tick has been on you for a while (e.g. overnight) and has invaded your skin, go to your doctor. Not all ticks carry Lyme. The doctor will check the tick and if it is not a carrier, you are home free. If it does carry Lyme, the doctor will probably put you on antibiotics immediately and may

order two blood tests a month apart.

The best way to avoid Lyme is to prevent ticks from attaching to your body by applying permethrin to your clothes and footwear a few hours before going outdoors. Permethrin is available in spray cans sold OTC (over the counter) under various brand names at pharmacies or at outdoor stores. You can also order it online. If you can set aside a dedicated pair of pants, socks and footwear for

outdoor activities and wash them only when absolutely necessary, one application will offer several months of protection. As a side-benefit, it repels mosquitoes as well. It's odorless, highly effective, and long lasting.

Here's a link for more information about using permethrin: <http://www.tickencounter.org/prevention/permethrin>.

## Team Tennis 2015

CATHY TANSEY, COORDINATOR, TEAM TENNIS

The weather is warming up. Spring is here; dust off those tennis racquets; dig those team tennis shirts out of the laundry; it's happening again. Many of the same people are still involved and many new people have also joined us.

We will meet on Saturday mornings starting Memorial Day weekend, May 23 from 9 am to 11 am. Come one, come all. The matches are based on the number of people who show up. We have a fun time. All levels of play are invited and we welcome players new, old, good, great and even not so good.

Come on down on Saturdays for some good tennis and social fun. Any questions, please call Cathy at 3174 or see her at the courts.

## Dock Lottery Update

BOAT AND DOCK COMMITTEE

The Boat and Dock Committee met in April to conduct the Boat Dock Lottery for the assignment of space on the Club docks located at Club Park, Comet Row, Eckhart Sailing Center, Beach 3 and Beach 4. All members in good standing who submitted a completed application were assigned a space or placed on the waiting list at that time.

While dock and rack space is freely available in other locations on the Main Lake and other lakes in the community, in order to use a space on any of the Club docks noted above members must receive an assignment from the committee. The space that was assigned in the lottery and all grandfathered spaces are non-transferable.

Members who were assigned dock space are expected to have their boats in that space before July 5. If you are unable to do that please contact the Club or the Boat and Dock Committee. Spaces that are still open on July 5 will be reassigned by the Boat and Dock Committee. At that time members who were placed on the waiting list will be notified and assigned space as it becomes available.

If you would like to apply for space and have not yet done so, now is your chance to be put on the waiting list. You have until July 1 to submit an application to the Club office.

All boaters are reminded to place their HLCC boating permits on each side of the bow of their boat. This is especially important when using any dock or rack space in our community. Without this identifier your boat is subject to removal and you may be subject to a special assessment by the Club.

## Hiking

BOB TAFFER, CHRISTINE BILLACK

The Highland Lakes Hiking Club would like to extend an invitation to residents of all ages who enjoy hiking in the great outdoors to join us on one of our upcoming monthly hikes. We are an informal, friendly group who look forward to our moderate Sunday hikes along local trails, some of which offer spectacular, or at least picturesque, views.

Hikers will meet at the clubhouse parking lot at 10:30 am. We will either walk from the clubhouse or drive a short distance to the starting point of the hike. It is important that each hiker bring water and lunch and wear appropriate hiking shoes. Most hikes will last an average of 4 - 5 hours, which includes waiting, lunch break and/or driving time. Anyone capable of hiking at least 5 miles at a steady, moderate pace is welcome. Hikers may bring their well-behaved dogs, which must be on a leash whenever we walk on a roadway. In the case of inclement weather, including snow or ice on the ground, or temperatures above 90 degrees, we will be unable to hike. So, get those hiking boots out of the closet and join us for our next hike.

May 17 - Wawayanda Exploration - Easy, approx. 4 mile hike on some of Wawayanda State Park's newer trails, including Tombstone, Rattlesnake, Pickle & Pine Trails. We'll stop briefly to explore the old cemetery along the Tombstone Trail.

FYI, the Rattlesnake Trail is named for its winding shape, not for its wildlife. Any questions contact Bob Taffer, 973-764-7975 or Christine Billack, 973-764-1458

## Community Yard Sale

Remember the upcoming Community Yard sale when you do your spring cleaning. Set aside your gently used and no longer wanted toys, kitchen ware, lamps, tools, etc. and donate them to a good cause. The sale is on July 18. Drop your items off at the clubhouse the day before!

## Morning Exercise

CAROL MONTERO 973-764-5701

Morning exercise continues in the Seckler Room three times a week on Monday, Wednesday and Friday mornings. Classes at 8 am will be different every day! Tae bo/pilates/ yoga/ or weight-training with aerobics. Bring light weights and a mat if you have one.

## Ecology Clean-up Day

CAROLE FORTENBACH, ECOLOGY COMMITTEE MEMBER

It was a COLD morning (37 degrees when I left my house), but once again the Highland Lakes community responded. Twenty-nine brave souls turned out to clean up the winter debris and they did it with a smile. The usual trash – soda cans, glass and plastic bottles, Dunkin' Donuts cups and papers, as well as Burger King papers – was picked-up, bagged and tied. If you didn't make it this year, consider joining us next year. It really gives you a good feeling knowing you have helped the community. In the meantime, if you know any of the "Terrific Twenty-nine," give them a thumbs-up and a Thank You for cleaning our roads. They are:

## HLCC Homes Are Special

There is a special lake community feel in Highland Lakes. Careful planning can enhance your lifestyle and the value of your home.

When planning your projects:

- Be compatible with the area style
- Maximize the use of space
- Design cost effectively
- Take advantage of views, light, and ventilation

Make sure your project captures both what makes the area special and meets your needs and desires. *Talk to an Architect* – they can help.

your Club and look great! Stop by the Activities Center for available stock after Memorial Day or contact 973-764-LINE to order specific custom items now.

## The Mighty Seniors

JOYCE HEALY, SENIORS CLUB PRESIDENT

Hi, everyone! It's soooooo good to be finished with winter and the Mighty Seniors are ready to roll. We had wonderful fall & winter luncheons that were quite well-attended. The company was terrific; the food was good and now we're itching to get going with a really busy schedule. The Senior Club meets every 2nd and 4th Tuesday evening of the month at 7 pm in the Lake Room at the clubhouse. We start with coffee and have a short business meeting, often welcome a guest speaker and then enjoy each other's company getting caught up on the latest news. Requirements: Be at least 50 years old; be a member in good standing of HLCC; pay \$10 dues for the year and come on down for a good time.

Tuesday, May 12 at 7 pm - 1st meeting

Monday May 25 at 11:00 am – our annual Memorial Day ceremony on the lawn at the clubhouse will include a special musical feature this year. All Highland Lakes families are invited to attend. Afterwards, there will be an "All-American" lunch in the Lake Room for a slight fee of \$5.00 per person to cover costs and to enable us to make a Thank You donation to the Vernon Choral Society!!! Be there, don't miss it!

Tuesday, May 26, 7 pm meeting in the Lake Room. Hope to see you there.

May I tickle your gray matter a bit? Try your luck with these RHYME TIME puzzlers. What's a RHYME TIME puzzler, you ask? There will be a clue and its answer is 2 words that rhyme with each other. ex. seafood platter---fish dish. Simple, right? Here we go...

## ESC Sailing Tube Storage

SUE BURUCHIAN

Ahoy sailors! It's time again to think sailing and tube storage. As always, junior fleet racing sailors have the first right of refusal for the 15 tube storage system at the ESC (Eckhart Sailing Center.) Junior sailors and/or their parents need to email me to request a tube at [4burufam@warwick.net](mailto:4burufam@warwick.net). Please identify your message by placing "Sailing Tubes" in subject line so I don't miss your email.

I will confirm active junior sailors with the junior fleet captain, email you the release form to sign/return and assign your tube number. Any

remaining tubes not assigned to juniors will be available to the other racing fleets docked at ESC.

### Here are the basic rules for review for tube usage:

1. Do not put wet sails in the tubes. Dry sails only.
2. Junior sailors have first right of refusal due to parent transportation considerations.
3. Lock and combination information must be provided on the form to the Club via fleet captains and S. Buruchian
4. No wet items of any kind shall be

placed in tube.

5. Only HL racing fleet sailors can utilize tubes.

6. Only non-lakefront members can use this option.

7. Only one set of sails with spars are permitted in a tube.

8. Storage is only during the sail racing season. There is no year-round storage.

9. When Club docks go in the water and are taken out, so must your sails!

10. Any abuse of the tubes forfeits your right to use them.

Any questions please call 973-764-7420 or e-mail me. Happy Sailing!

## Red Hat Society/Highland Hatters

PAT WOOTTON

On Sunday, March 22, eight of us ventured to the Bergen County Players, Inc. (Oradell Theatre). There we were treated to one of the best American family sagas, "August: Osage County". This play originated in Chicago in 2007 and opened on Broadway in the same year where it won many awards and eventually was made into a movie. The play is billed as a dark comedy and, indeed, it was very funny. The cast was amazing, and a portion of our ticket purchases were donated to the Congenital Heart Defect Coalition. (The Bergen County Players support those in need in the Bergen County community.) You never know whom you

will meet; we met none other than MaryAnn Mastrangelo at the theatre, our Highland Lakes summer friend! We then enjoyed dinner at a local Charlie Brown restaurant. Special thanks and appreciation go to Janet Kaley for organizing and planning this event. Thanks also to our volunteer drivers. Theatre goers included: Donna Beebe, Jane Hoffman, Janet Kaley, Judi Sunda, Cathy Tansey, Paula Walk, myself, and guest Joyce Healy.

We generally meet every third Saturday, so why not join us. Contact any member or myself, Queen Pat 973-764-3749, for information.

## HLCC Women's Bowling League

JUDI SUNDA, PAT WOOTTON

Heads up!! Just to let you know that we will be bowling once again this summer at Pin Street at Warwick, Rt. 94, in Warwick, NY. The league will begin on Wednesday, July 8, at 9:30 am sharp and will run for eight weeks. Teams are comprised of three women, but individuals are encouraged to sign up as well. This is definitely a social event; be prepared for lots of laughs as there is no real talent required! We can discuss the cost, but since there is no increase from the alley, the plan seemed to work effectively in the past. It would be \$81 and payable promptly. Please join the fun; the more the merrier!! Any questions contact Judi Sunda – 973-764-3069 or Pat Wootton – 973-764-3749

The beautiful water is so relaxing. The sand is good for making sandcastles. It is so much fun to play in the water. But be careful because there are rocks. You can learn how to swim to the dock. There's a shop where you can get ice cream and ice pops. I recommend this place to families because it's so fun.

# Women’s Auxiliary By-Laws

MARYJANE KRESIC

It will be a pleasure to get back to HL and enjoy the beautiful amenities provided by living at a lake community. We have some exciting events planned for the auxiliary and welcome new members every week, so grab a friend and come on down to the clubhouse on Tuesday mornings at 10 am. We have social time, refreshments, and babysitting; and then get

down to business planning our fun activities and fundraising projects. We are happy to give back to the community in which we live.

Some of our events planned are a wine and cheese party, fashion show, covered dish and bus trip to the casino and outlets. As I took on my new role as president of the women’s

auxiliary one of the first tasks I organized was revising and modernizing our by-laws. After working with the committee this past fall the revised by-laws are now being printed in this Newsette. The membership can vote on these at our July 7 meeting. Happy spring everybody.

## By-Laws Women’s Auxiliary – The Highland Lakes Country Club and Community Association

### ARTICLE I The Name

The Club shall be known as, “Women’s Auxiliary – The Highland Lakes Country Club and Community Association”, hereinafter referred to as the Club.

### ARTICLE II Purpose and Objectives

The women members of the Club have joined together to promote sociability and to further good fellowship among the members. In addition, one of the Club’s main objectives is to give back to the Highland Lakes community.

### ARTICLE III Membership

Membership is limited to women members and their immediate family members in good standings with Highland Lakes Country Club and Community Association as defined in Article III, Section II, a and b, of Country Club By-Laws.

### ARTICLE IV Meetings

Sec. 1. Meetings are held on Tuesday morning, beginning the last Tuesday in June and ending the last Tuesday in August. Sec. 2. Notices are to appear in the HLCC website or the Newsette. Sec. 3. A quorum shall be necessary to conduct business. A quorum shall consist of 10% of active members in good standing.

Sec. 4. Order of business shall be as follows:

1. Minutes of previous meeting.
2. Office Reports and Committee Reports.
3. New Business

### ARTICLE V Officers and Trustees

Sec. 1. Officers of Club shall be a President, Vice President, Secretary and Treasurer.

Sec. 2. A Board of Trustees consisting of Past Presidents shall be set-up to serve as a consultant body only.

Sec. 3. Officers will hold office for a period of two years or until their successors are elected.

Sec. 4. Officer candidates must have been active members in good standing for minimum of two years prior to election.

Sec. 5. (a) President will serve one consecutive term of two years only. This does not include unexpired term of previous President which she may have filled. (b) Vice-President will serve one consecutive term of two years only in this office.

(c) Secretary will serve one consecutive term of two years only in this office.

(d) Treasurer will serve one term of two years only in this office; however term may be extended at discretion of members if no other candidates are available. It is recommended that Treasurer have some bookkeeping experience.(e) Prior to serving as president, at least one other position must be served in for a minimum of two years.

(f) If candidates for a specific position are not available and any of those officers would like to remain in the current office for another term, it can be extended until a candidate is found.

Sec. 6. Elections to be held in even years and to begin term at last meeting in August of that year.

### ARTICLE VI Nominating Committee

Sec. 1. Three members shall be appointed by President at first meeting in July of even years.

Sec. 2. Any active member in good standing may be nominated. Names should be submitted in writing to committee who will ascertain that they are willing to serve.

Sec. 3. Committee will interview candidates and submit names for each office by first week in August.

It is suggested that there be at least three nominees for each office.

Sec. 4 Voting will be held next to last meeting in August in even years unless there is a conflict. Ballot will be written.

Sec. 5. Write-in candidates are permitted provided all above stipulations in reference to membership qualifications are met.

Sec. 6. Votes will be counted by Nominating Committee in the event of a tie, run-off election will be held.

### ARTICLE VII Club Fund

Sec. 1. Dues will be \$5.00.

Sec. 2. Club funds shall be used only for the objects and purposes of the Club and community only in such manner as shall be approved by members.

Sec. 3. Club checks may be signed by the President if Treasurer is unavailable.

Sec. 4. Club funds shall be deposited in savings and checking accounts of banks insured by F.D.I.C.

### ARTICLE VIII Duties of Officers and Trustees

Sec. 1. The President or in her absence such other properly designated official shall preside over all official meetings.

Sec. 2. The President shall be responsible for administration and direction of all Club affairs.

Sec. 3. The President and Secretary shall sign all written obligations and club documents.

Sec. 4. The President shall appoint as many Committee Chairladies as shall be deemed necessary and shall act as ex-officio member of each such committee.

Sec. 5. Upon notification of illness or death of an active member, the President shall authorize a remembrance not to exceed \$50.00.

Sec. 6. The Vice-President shall in the absence of the President take her place and perform those duties ascribed to the office of President.

Sec. 7. The Secretary shall be custodian of all records of the Club, shall be responsible for issuance of minutes of all official meetings; shall conduct and carry on all correspondence at the direction of the President; shall perform other duties as may be delegated by the President.

Sec. 8. The Treasurer shall be responsible for all financial records of the Club; shall issue all checks; shall prepare and deliver financial reports at each meeting; shall present books for audit in September each year; shall perform other duties involving disposition of Club funds as directed and authorized by President and members. Treasurer signs membership cards and issues same upon payment of dues. Sec. 9. An audit by two members

shall be authorized at next to last meeting each year.

Sec. 10. All members must sign in when entering meeting so a permanent record of attendance is kept. This will assure that quorum of members necessary to do business is present.

Sec. 11. In the event that the offices of Secretary or Treasurer shall be vacated, new officers shall be appointed by President to serve unexpired term.

Sec. 12 It is the duty of all elected officers to attend all duly convened meetings. Any officer who is absent from three consecutive meetings, without just cause, shall be deemed to have resigned.

### ARTICLE IX Amendments

The by-laws may be amended at any meeting by a 2/3 vote of all active members present provided that a copy of such amendment, supplement or repeal shall appear on HLCC website or in Newsette at least seven (7) days prior to meeting.

These by-laws shall take effect upon ratification.

In attendance at a meeting on July 10, 1990 to amend the by-laws were Grace Briggi, Mary Lutz, Marie Matthews, Helen Fugett and Irma Terrill.

Date of Ratification: July 31, 1990

In accordance with an email that went out by President Maryjane Kresic on September 8, 2014 to amend the by-laws a committee was formed. Committee members were Maryjane Kresic, Lyn Kaplan, Gail Russell, Tamara Shmuel, Lisa Wisniewski and Angela Abrams.

## Michael Buchney Appointed Swim Team Coach

JACK MCLAUGHLIN, GENERAL MANAGER

I am pleased to announce that Michael Buchney has joined our staff as Swim Team coach, and he will be assisted by Julia Loughren. We are currently recruiting for a second, assistant coach.

Michael is a lifelong member of the Highland Lakes community, contributing at various points as a volunteer, Lifeguard, and Asst. Water Safety Director. He was a member of the Highland Lakes Swim Team beginning at the age of 9, spending several summers learning and developing as a swimmer at the Clubhouse lanes. Eventually he joined an area club team, swimming year-round in order to develop further as a swimmer. He was a four-year varsity member of the dynastic Vernon Township High School Swim Team, contributing to the team's long stretch of county dominance. After leaving for college, he remained a part of the Highland Lakes Swim Team, acting as an Assistant Coach from 2005-2007.

Michael looks forward to working with the swimmers, families, and other members of the Highland Lakes Swim Team to continue the great community tradition of competitive swimming in Highland Lakes. He hopes to further outgoing coach Miller's philosophy for the Swim Team as a place to impart a love for the sport of swimming and lifelong fitness.

## Next Newsette: May 23, 2015

Newsette articles should be submitted on the Friday before the week of publication. Under no circumstances will submissions be accepted after noon on Monday of the week of publication. Typed submissions must be emailed to the Club office at [hlcc@warwick.net](mailto:hlcc@warwick.net). Sorry – we can only print photographs submitted as .jpg files with a minimum of 150 dpi. Thanks!

## Memorial Day Weekend Office Hours

The Club office will be open on Saturday, May 23, Sunday, May 24, and Monday May 25 from 9 am to 4 pm.
