## Highland Lakes Community Yard Sale Now in its Seventh Year and Going Strong

SUE MAGEE ROSS

The Highland Lakes Community Yard Sale is scheduled to take place on Saturday July 18 from 8 am until 2 pm that afternoon. As is the case with any successful event, the work begins long before and involves many within our community. Just as the enthusiasm for the yard sale grows with every year, so does the level of involvement from within our community. Our first planning meeting took place early this spring. Since then, committee members have worked together to plan an event that is expected to bring enjoyment to visitors of all ages and interests and funds to support a worthy cause.

For those within the Highland Lakes community who are eager to clear their closets, basement, garage, tool shed, play room, etc., the event begins at 8 am and goes until 5 pm on Friday July 17 when you are encouraged to drop-off all items that are in good working order to the HL Clubhouse. (You will find a list of items that you can donate as well as a list of those that we cannot accept in this issue of the Newsette.) Committee members will be available to check the item in, price it and situate it with other similar items so that it is ready and waiting when the sale begins early the next day.

We never know what will be coming through the door that Friday, but one thing is certain: We receive a lot of

donations! These items always fill the Seckler Room of the clubhouse and often spill out on to the lawn where private vendor tables can also be found. Between these vendor tables and the donated items the assortment of goods available for sale is simply amazing. Tools, children's toys and Highland Lakes memorabilia sell almost as soon as our doors open on Saturday, but everything from kitchen items to purses, jewelry, pottery donated from a local artist, fine dishes and flatware, picture frames, books, CDs, furniture, beach chairs... seems to find a new home by the time the event comes to a close at 2 pm.

Throughout the day baked goods are on sale (thanks to the efforts of the HL Women's Club and other community members) and the grill is fired up early. Even if you don't find a treasure or a bargain (it's nearly impossible to believe this could happen) you are assured a day filled with community spirit.

The HL Community Yard Sale is an event that was organized to raise money to support the Goodwill Fund established in 2005.

This Fund is dedicated to helping people in our community who are facing financial hardships due to a catastrophic event or series of smaller events that

have made life very difficult. No one can predict when this may happen. Despite this reality, the operational expenses and maintenance of our Club requires that annual membership dues be paid by every member. These dues and assessments are mandatory regardless of any member's personal situation. The Goodwill Fund is our community's way of lending compassionate, anonymous and temporary assistance to our neighbors by alleviating their need to pay their annual Club dues for one year. The member's dues instead are paid with money from the Fund. Since we began making awards in 2006, we have helped 55 families in Highland Lakes. This year we have helped an additional seven. This assistance is funded entirely by fundraising events like the Community Yard Sale, the Path to Goodwill and individual donations made when members pay their own dues or when special donations are made in honor of a loved one or to mark special anniversaries.

Happy Walkers

MARYJANE WISNIEWSKI

Welcome all our walkers and everyone. Our walk on July 6 was just fine. We have a new meeting place this season. We will meet at Beach 1 each Monday for our walks. Many of our members thought it a better place to meet as there is so much going on at the clubhouse. All you need is your sneakers and a smile. Please note: We meet Monday Mornings at 9 am at Beach 1. See everyone next Monday.

Lakeside Café ... Pass It On !

MIKE JAMESON, LAKESIDE CAFÉ COMMITTEE

This October the Lakeside Café will celebrate its 19th anniversary. Nineteen years ago a group of about a dozen people got together and decided it would not only be fun but a good idea to hold an open mic in the new Lake Room that was being constructed and about finished. After some discussion once a month on the 3rd Saturday was the time picked. So on Saturday Oct. 18, 1997 it began.

Over the course of time there have been many changes. Guidelines for running the evening were set up, adjusted and re-adjusted many times until it is what it is today, whatever that is. We've seen some of the kids in the community perform for the first time in front of an audience. While shaky at first, they came back better and more confident and we've been doing this so long some have graduated college and came back to play here again. We've had many interesting nights in the Lake Room and many different levels of talent perform.

In the beginning there were plenty of people to help set up and break down the equipment even if everyone couldn't show up every time. Over time the number has gotten smaller and smaller for a number of reasons. Now we have a group of 3 people who have been doing this for about 7 years with some occasional help (and we thank you for that help, you know who you are). Pass it on !

After months of discussions between the three of us we have made the decision not to be responsible for the Lakeside Café open mic after October of this year. We would, however, hope that some other individuals would be interested in continuing it in some form - perhaps quarterly or every other month or even monthly as it is now. Anyone interested would have to be ok'd by the Club. Those of us involved now would be more than happy to assist in any way necessary. Thank you to anyone who has played, come down to listen or helped with the set up. It's been fun. It's been 19 years.....pass it on !

## The HLCC Senior Club

This past July 4 was the opposite of an ideal Independence Day race: It was cold, rainy, and with minimal wind. But of course the Force Five racers were thrilled to be there, and ecstatic to race two short courses. (Most of us were, at least.) A shout out to Sara Gillooley and Randy Rodger for being a great dock committee in the rain!

## Support the Goodwill Fund

SUE MAGEE ROSS

Keep hope alive. That is what any kind of relatively small amount of giving does. You're not saving anyone's life with your donation. You're expressing concern and compassion. You're extending a hand to help a person in-need. While it may be just a few dollars to you, to the person receiving the help it is often the very thing that keeps them holding out hope for a brighter tomorrow.

No one can say when a catastrophic event will turn their life upside down. Help us keep hope alive by supporting the HL Community Yard Sale on Saturday, July 18; buying a brick in the Path to Goodwill; or making a donation to the Goodwill Fund today.

# Summer Athletics

PAT ECKHART, ATHLETIC DIRECTOR

The 2015 Athletic Season is underway, and I hope everyone is taking advantage of all the wonderful activities Highland Lakes has to offer. I am very pleased to report that there has been a substantial increase in participation this summer — especially with the younger groups — and it is just great to see all of these new faces. Reminder: If there is a threat of bad weather or you don't know if an event is taking place, call the Athletics Hotline at (973) 764-6674. The Athletic Season will span seven weeks this summer, ending on Friday, August 14. All club-sponsored athletic events are still in the sign-up book at the Clubhouse Activities Center. The activities include tennis, tennis lessons (children and teens), softball, basketball, volleyball, pickleball, bowling, and golf outings (see articles in this Newsette). I'd like to remind participants and observers to bring plenty of water and apply sunscreen before leaving the house, as it looks like it's going to be a hot summer. Also, please bring your badges. See you on the fields!

**Monday:** Mosquito League (ages 6-8, 9 am, Field 1)  
Coordinators: Eric Loughren, Max Rodriguez  
Monday marked the return of the Mosquito League. The Fireflies and Mosquitoes took the field to continue their fun rivalry. Aiden Arias had a number of nice hits for the Fireflies. Nicky Beninati played very strong defensively, and also came through with the bat for the Mosquitoes. James Brantner continued his power hitting from last season, spraying the ball hard to all fields for the Fireflies. Great game boys!

**Monday:** Boys Farm Team (ages 4-5, 9 am, outfield of Field 1)  
Coordinator: Esme Clark, Peter Parigi, Paul Parigi  
We had our first farm team practice of the year for the boys, and the Parigi brothers did a great job teaching the youngsters how to throw, catch, and run the bases. They were able to hit off the tee and everyone had a blast. See you Monday!

Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)  
Coordinators: Jennifer Ziegler and Darren Werner  
We held our first official lessons of the summer, and we have a nice group of enthusiastic kids wanting to improve their game. Jennifer and Darren had the kids practice their forehand and backhand strokes, as well as running to the ball as it is

hit. We finished by playing a fun game of 'Jail' to close out practice. Thanks to Xander Day for helping out!

Kids Basketball (ages 8-14, 5 pm, Beach 1 Courts)  
Coordinator: Chris Beninati and Brandon Day  
We held our first basketball lessons of the year on Monday and had a solid turnout of 12 kids. After they warmed up and hydrated, the kids practiced passing, dribbling and layup lines. We then held a scrimmage for the last 20 minutes and we saw some nice shots and tough defense already. Great job everyone!

**Tuesday:** Mosquito League (ages 6-8, 9 am, Field 1)  
The Fireflies and Mosquitoes played their second game of the season on Tuesday. Braydon Scheyer was the star of the day, making a number of sparkling plays in the field for the Mosquitoes. Special thanks to Eric Loughren for coaching, Paul Parigi for catching, and Peter Parigi for pitching. Great game boys!

Butterfly League (ages 9-11, 6 pm, Field 1)  
Coordinator: Chip Ziegler  
The Blue Jays and Robins took the field for the first practice of the season on Tuesday night. Chip does a great job teaching the girls the proper way to throw and catch. The girls warmed up and were ready to hit. These girls have been with us since farm team, and they have improved each year. We witnessed a lot of solid hits that went well into the outfield. Great job everyone. See you Tuesday!

Men's Basketball League (ages 17+, 6 pm, Beach 1 courts)  
Coordinator: John Ross  
This year we will have three teams, the Green Team, the Gold Team, and the Grey Team. The Green Team was in full force on Tuesday but due to some minor injuries and lifeguard responsibilities the other teams did not have their full roster so we just held pickup games. Season will start July 7th.

**Wednesday:** Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)  
Coordinators: Darren Werner  
The courts were very wet from the previous night's storm, so I decided to cancel the first tennis lessons of the season. Coach Darren went down later after the courts dried up a bit and was able to hold a mini lesson, but the first official lesson will be Wednesday, July 8th.

**Thursday:** Girls Farm Team (ages 4-5, 9 am, Field 1)  
Coordinators: Annika Salomonsson

We held our first practice for the Girls Farm Team on Thursday. Coach Annika and Coach Bill taught the girls the proper way to throw and catch. We learned to run the bases, and then the girls got to hit off the tee! Great job everyone!

Grasshopper League (ages 9-11, 5:30 pm, Field 1)  
Coordinators: Matthew Von Essen, Robbie Wisniewski, Grant Wisniewski  
The Wasps and Hornets took the field for the first official game of the season. The Wasps won this game 13-2 behind some strong offensive and defensive play by the Terzakis brothers, Terry and Ketchell. Michael Evanick also made a nice play at second base to hold the Hornets at bay. We look forward to a more evenly matched game next week as the Hornets will get some reinforcements that were missing this Thursday.

**Friday:** Kids Soccer (ages 5-12, 9 am, Field 1)  
Coordinators: Annika Salomonsson  
We had our first soccer practice of the season on Friday and what a turnout — over 40 kids came to play! We put the kids through a "name game" passing drill to meet everyone. The kids went through some light passing and dribbling drills to get warmed up, and then we played Sharks and Minnows, Red Light Green Light. The older group even had a scrimmage at the end. Special thanks to Annika for stepping up and doing a great job with the neophyte soccer players. Great job everyone!

Gem League (ages 6-8, 10 am, Field 1)  
Coordinator: Pat Eckhart  
The girls took the field for the first practice of the season, and we had a huge turnout. Twelve Gems learned how to throw, catch, and run the bases. We had so many girls that we went over the hour just so everyone had a chance to bat! Special thanks to Michael Evanick for helping out. See you Friday!
