### Highland Lakes host "B" Invitational

JACK MCLAUGHLIN, GENERAL MANAGER

The Highland Lakes Swim Team is sponsoring its "B Invitational" on Saturday, July 25. To accommodate the event's parking requirements, the following one day changes are being made to parking at Beach 1.

The Swim Team will be using the entire "loop road" around the Beach Hut for parking for meet attendees. If you are planning to go to Beach 1, you will need to use the rear entrance at Lakeside Drive for parking.

## "B" Invitational Fosters Community and Comradery

LISA ENTWISTLE

The Highland Lakes Hurricanes are off to a great start for the 2015 season! Coach Michael Buchney and assistants Julia Loughren and Anna Sweeney have been working with our swimmers since the last week of June. With three dual meets and two invitationals completed, our season is off to a great start. Highland Lakes is a member of, and competes against other teams that are a part of, the Lakeland Swim Conference (LSC).

An invitational is a large scale meet with multiple teams participating. Invitationals are generally held on Saturdays throughout the swim season. We are proud to once again host the "B" Invitational on Saturday, July 25. LSC sets timing standards; fastest times are considered "A" times. The "B" Invitational is a special event because it offers swimmers without an "A" time the chance to compete and join in the fun of a large-scale swim meet. Swimmers who have previously not had "A" times can also earn them at the invitational, thus giving them the

chance to compete at championships at the end of the season.

Highland Lakes has hosted the "B" for decades, and draws hundreds of swimmers from our own community, LSC teams, and out-of-conference local teams. We have had dozens of teams join us throughout the years and are often complimented on our lovely facilities and beautiful setting. This tradition of inviting many teams to participate is a physical display of HLCC's focus on community and comradery.

Please come down to the clubhouse on Saturday, July 25 and join the fun! We welcome members of all ages, and are always looking for volunteers. The "B" Invitational is a fantastic way to earn volunteer hours towards Appreciation Night or school-mandated community service. Contact hlccwimteam@gmail.com for any questions or if you would like to volunteer. As made famous by the movie Grease... "If you can't be an athlete, be an athletic supporter!"

## Beach Testing Results

Below are the results of the most recent fecal coliform testing at the Club's beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and results must not exceed 200. All samples conformed to state recreational bathing standards. Testing results are reported by the lab to the Sussex County Department of Health.

## Women's Volleyball

KNOX STRUBE

It was a very long and cold winter and Mother Nature didn't want to cooperate on July 9. Seven ladies battled rain, thick fog and an ever-increasing expansion joint in order to begin the volleyball season. The ball got soaked very quickly and caused a couple of nail fouls and yells of "ouch". Everyone was glad for the exercise but muscles were being called on that hadn't been used over the winter. However, the jaw muscles had the biggest lapse of memory with calls of "sorry I missed that" still being heard. The number one rule of play is never apologize for a missed hit. Gail and Kathy showed off some of their prize waves while trying to flag the ball down. Lynette was a trooper while still playing despite an injured ankle. Judy kept her team in order by announcing whose turn it was to hit the ball. But Knox kept trying to hit it with her elephant's trunk. Christine and Lauren must have been playing all winter because they always seemed to be able to hit the ball where the other team wasn't. At the end of the morning, we all enjoyed the good time. So if you are looking for a little exercise and a lot of laughs, bring your badge and water and meet us at the utility court at Beach 1 every Thursday morning at 10 am this summer.

## Breakfast Thanks

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Thank you to everyone who supports the breakfasts the Clubhouse Committee puts together. The committee does an awesome job preparing and cooking delicious food. If you have never attended one, try to get to the next one. You won't be disappointed. It's a great way to see other members and catch up on things. We missed Bob, Jim, Janet, Bill, Daphne, Michele, Doug and Pat at our last breakfast. We were able to get enough help to fill in the gaps where they worked. Frank stepped up and volunteered to help out and he was a great addition to our team! Thanks to the clubhouse staff for their help also.

## Competition on the Court

JOHN ROSS

Another season of HL men's basketball is upon us. Three hopeful teams took the court this week; only one of them will emerge victorious. Will it be the Lime Green Dream Team, a pack of wily vets hungry for a comeback? After a close OT loss to start the night off, Green stormed back to take the next three games 11-7, 11-5, and 11-6. The sharp shooting of Athletic Director Pat Eckhart and down-low dominance of center Paul Brooks may just make this dream a reality. Or will fate favor the Gold Goon Squad, a group of young up-and-comers striving to make a name for themselves? Their mouths move as fast as their feet, and they chattered their way to a 2-2 night under the guidance of Luke Madden and the brothers Moran. But talk is cheap on the mean streets of HL; can they really run with the big dogs all the way to the finish line? Or maybe, just maybe, will they be outpaced by a small group of average to slightly below-average basketball players with big hearts and even bigger dreams, clad in light grey, led by yours truly? Will this be the year that we reach our hands out and clasp those coveted plastic trophies that, though long have we grasped, have remained so decidedly out of reach? Come find out, Tuesdays at 6.

## Team Tennis – July 11

ELAINE KUNTZ

On Saturday we had a fantastic turnout, after a 1 week rain delay on July 4. We had 27 enthusiastic tennis players show up for a fun day. Bill Hamm paid us a visit after a long time away from Team Tennis. So good to see Bill. Congratulations to Rosita and Bruce on their recent marriage. We all wish them best wishes. Lee Eisenberg was once again roving the courts with his camera. Many candid shots were taken during the moans and yeahs that were heard on the courts. Please join us on Saturday mornings from 9-11 am on the Beach 1 courts. All you need is an HL badge, sneakers, and a tennis racquet. All levels of play are welcome. See you on the courts - Jerry, Cathy, and Elaine.

## Monarch Butterflies Need Your Help

ECOLOGY COMMITTEE

Over the years, Highland Lakes has been a summer breeding area and part of the fall migration path of the monarch butterfly. Much of the once prolific milkweed found along our roads is gone. Since milkweed is the only plant on which monarch butterflies lay their eggs, it is essential we replant the lost milkweed if we hope to bring the monarchs back to Highland Lakes.

A resident of Highland Lakes has purchased 100 packets of milkweed seeds that she is willing to donate to members. Once procuring the seeds, you need to find a sunny area on your property. Follow the directions for planting on the back of the packets. The donated seeds are currently being refrigerated and will be ready to plant on July 22. The seeds must be planted no later than the first week in August. For your free seeds call Bill Beardsley at 973-764-7730.

## Lakeside Café ... Pass It On !

MIKE JAMESON, LAKESIDE CAFÉ COMMITTEE

This October the Lakeside Café will celebrate its 19th anniversary. Nineteen years ago a group of about a dozen people got together and decided it would not only be fun but a good idea to hold an open mic in the new Lake Room that was being constructed and about finished. After some discussion once a month on the 3rd Saturday was the time picked. So on Saturday Oct. 18, 1997 it began.

Over the course of time there have been many changes. Guidelines for running the evening were set up, adjusted and re-adjusted many times until it is what it is today, whatever that is. We've seen some of the kids in the community perform for the first time in front of an audience. While shaky at first, they came back better and more confident and we've been doing this so long some have graduated college and came back to play here again. We've had many interesting nights in the Lake Room and many different levels of talent perform.

In the beginning there were plenty of people to help set up and break down the equipment even if everyone couldn't show up every time. Over time the number has gotten smaller and smaller for a number of reasons. Now we have a group of 3 people who have been doing this for about 7 years with some occasional help (and we thank you for that help, you know who you are).

Pass It On !

After months of discussions between the three of us we have made the decision not to be responsible for the Lakeside Café open mic after October of this year. We would, however, hope that some other individuals would be interested in continuing it in some form - perhaps quarterly or every other month or even monthly as it is now. Anyone interested would have to be ok'd by the Club. Those of us involved now would be more than happy to assist in any way necessary.

Thank you to anyone who has played, come down to listen or helped with the set up. It's been fun.

It's Been 19 Years.....Pass It On !

The Mighty Seniors

JOYCE HEALY, PRESIDENT, SENIOR CLUB

Hi, everyone! How’s it goin? I’m hoping everything is going well for you and you and you...yes, even you who is reading this right now !!! Thought I’d begin with explaining the title I use---The Mighty Seniors--- you see, the HLCC Senior Club membership is not, repeat, not, a gathering of doddering pentioners ( a British term), but we are a going-strong, do as much as we can, robust, hale & hardy group of 50 + year old guys and gals who absolutely love Highland Lakes. Some of us fly to warmer climates during our “so-enjoyable” winter months, and some of us live on the mountain year round. We have members who are not retired from the business world, still in their 50’s, and we run the gamut up to 80+ who bring vibrancy and experience to The Mighty Seniors. We host bus trips, dances, bar-b-ques, short business meetings, guest speakers, off- premises luncheons, game night and more cool activities that are in the near future. e’ve had 60+ people at our events and the Mighty Seniors are very big on volunteering in HL. You’ll see them at the absolutely wonderful community breakfasts helping out, at the community yard sale, checking badges at the beaches, organizing bocce ball

games, sailing, and way too much to mention here! So, if you haven’t joined our ranks yet, what are you waiting for...a personal invitation? Here it is...I, the President of the HLCC Senior Club, invite you to come on down to our monthly meetings at 7 pm...that’s the 2nd & 4th Tuesday evenings of the month in the Lake Room. You’ll enjoy the gang we have along with delicious coffee and as well as an informative business meeting about the plans coming up. For example: July 21, 12 noon, off-premises luncheon @ the Warwick Country Club---great food, great company, games, good times - \$25 per person, July 28 at 7 pm a S/C meeting, July 30 is a dinner /theatre trip to Hunterdon Hills Playhouse for a terrific musical, cost: \$76.50 per person includes the bus, the show, an incredibly wonderful dinner, tax and gratuity, call me ASAP at 973-764-0306 to sign up. August 11 S/C meeting at 7 pm, August 14 at 6 pm the Senior Gala with Henry Boote entertainer & wonderful catered fare from The Lamp Post. This event is FREE to our members & guests. Get yourself to a Senior Club activity & meeting and find out what you’ve been missing! (I secretly would like to call the Senior Club the Varsity Club because we are an

experienced team who have earned their “letters”, and I truly believe we are a great example and great mentors to the “JV” teams out there in HL). So, will I see you at the Mighty Seniors activities...I’d love to!!!!

Many HL members have told me they enjoy my articles...Thanks ever so much for the “atta girl”... here’s this week’s puzzler.

Can you name 10 kinds of boats? Look for the list I have in the next Newsette and these following 10 clues all have to do with the same word: (Cover the bottom! Don't peek at the answers)

1. beige - \_\_\_\_\_ tan; 2. skin damage \_\_\_\_\_ \_\_\_\_\_; 3.a clear day \_\_\_\_\_ \_\_\_\_\_;4. a ray (no, not scrambled eggs Ray).\_\_\_\_\_ \_\_\_\_\_ (come to the breakfasts & meet Scrambled Eggs Ray); 5.mesh \_\_\_\_\_ \_\_\_\_\_; 6. decrease.\_\_\_\_\_ \_\_\_\_\_; 7.increase\_\_\_\_\_ \_\_\_\_; 8. “spectacles.\_\_\_\_\_ \_\_\_\_\_; 9. a cap brim\_\_\_\_\_ \_\_\_\_\_; 10. window decoration \_\_\_\_\_ \_\_\_\_\_.

Answers: sun tan, sun burn, sun shine, sun beam, sun screen, sun down, sun up, sun glasses, sun visor, sun catcher. How did you do? These were pretty easy. See you soon, love ya, Joyce H.

Senior Sunfish Races for 7/5/15 and 7/12/15

MLADEN KRESIC, FLEET CAPTAIN

July 5 was a beautiful Sunday for the opening of our Senior Sunfish season. We were scheduled for 2 races as it was also the first leg of the July 4 series – the second two races were held Sunday, July 12. While the winds were light (2-4 knots), the racing was competitive. We sailed a Course 1 both races, though the wind was shifty and could have justified a Course 3.

Apropos for the beginning, the first race began with a general recall, with almost all of the 10 racers blocking the line in front of our esteemed committee. When we finally got off the line, Will took an early lead that he never relinquished. The battle for second place was between the father daughter duo of Mark and Shannon, with the more experienced one winning out in the end. In the second grouping the battle was for fourth between Mladen and nephew Grant (our only participating junior) with, once again, experience triumphing over youth.

While the first race was relatively clean; in the second there were a number of calls– all handled by the parties with professionalism. In the end, Will prevailed again, in a close race with Mark. Shannon beat out Mladen for 3rd, while Lou came up close in the end. In both races Bob T, was competitive throughout, as were our other participants, Maryjane, Ray and Frank E.

Thanks Allan and Brett for doing an outstanding job calling the races.

July 12 was another beautiful Sunday – unfortunately for our Senior Sunfish races, the winds (if you could call them that) were between ½ and 3 knots. We managed to get in 2 races (Course 1 red) which also counted for the second half of the July 4 series. Given the wind conditions, every little thing counted. In the first race separation occurred at the island mark, but there was considerable catching up going on downwind towards the third mark. At rounding of the downwind leg, all 11 boats were within striking distance...well maybe all but the top 3. The surprise of the day was that 2 new Sunday sailors, Robert Wisniewski and Jack Bokun, finished 3rd and 4th behind Will and Shannon. Jack was our junior champ last year and Robert has not raced Sunfish for over 10 years.

In the second race the lack of wind again caused some “amateur” sailing issues. A few of us had to circle the starting buoy, as a “gust” hit us at 20 seconds. At the island mark, there was a bumper boat incident with 5 boats involved. Not sure who was at fault, however a couple of us did circles – not necessarily the ones hitting from behind. On the last leg there was a close race for 1st, with Shannon beating out Will after he did circles for an earlier infraction on that leg. Sailing needs to be competitive, and it is...even if people do make mistakes. And what a battle for 6th place; it was a photo finish, with Robert

beating out Andy and Mladen by a nose!

All in all, it was another super sailing day in Highland Lakes!! -- It's always great to see 10+ (11) boats on the water. We are looking for more sailors every time – do not be intimidated (there are a number of us who had never sailed until our 40's, and look at us now. ... well OK.. so we are not that good... but boy are we having fun!).

Thanks Allan and Brett for doing an outstanding job calling the races. We will be sailing only one race next week -- I will see you in 2.

Eleven tenacious ladies gathered at the HLCC picnic area in July. As usual, much banter was exhibited and we discussed some upcoming events. We enjoyed a great lunch provided by our planners, Marian, Kathie G, and Paula. Thanks to these ladies for their efforts!

We were especially happy to welcome Mary Duthaler, whom we haven't seen in many months. Good to see her up and about! She supervised our boisterous bocce game and another fun game of ladderball. Good fun was had by all.

The gals included: Donna Beebe, Marian Benedicto, Irene Boeren, Theresa Deady, Doris Dolan, Mary Duthaler, Kathie Grifone, Mary Romme, Mary Stoddard, Paula Walk, and myself.

# Summer Athletics

PAT ECKHART, ATHLETIC DIRECTOR

The 2015 Athletic Season is underway, and I hope everyone is taking advantage of all the wonderful activities Highland Lakes has to offer. I am very pleased to report that there has been a substantial increase in participation this summer — especially with the younger groups — and it is just great to see all of these new faces. Reminder: If there is a threat of bad weather or you don’t know if an event is taking place, call the Athletics Hotline at (973) 764-6674. The Athletic Season will span seven weeks this summer, ending on Friday, August 14.

All club-sponsored athletic events are still in the sign-up book at the Clubhouse Activities Center. The activities include tennis, tennis lessons (children and teens), softball, basketball, volleyball, pickleball, bowling, and golf outings (see articles in this Newsette). I’d like to remind participants and observers to bring plenty of water and apply sunscreen before leaving the house, as it looks like it’s going to be a hot summer. Also, please bring your badges. See you on the fields!

**Monday:** Mosquito League (ages 6-8, 9 am, Field 1)  
Coordinators: Eric Loughren, Max Rodriguez

We had our third Mosquito League game on Monday. Big-time hitter and first baseman Nico Puccio returned this week for the Fireflies and did not let his team down. He smoked a hard line drive up the middle and added another double later in the game. Special thanks to his older brothers, Michael and Matthew, for coaching. Great game boys!

**Monday:** Boys Farm Team (ages 4-5, 9 am, outfield of Field 1)  
Coordinators: Esme Clark, Peter Parigi, Paul Parigi

We had our second farm team practice of the year for the boys. Esme and Paul did a great job teaching the youngsters how to throw, catch, and run the bases. They were able to hit off the tee and everyone had a blast. See you Monday!  
Tennis Lessons (ages 9-12, 9 am, Beach 1 tennis courts)  
Coordinators: Jennifer Ziegler and Darren Werner

We held our second official lessons of the summer and we have a nice group of enthusiastic kids wanting to improve their game. Jennifer and Darren had the kids practice their forehand and backhand strokes, as well as running to the ball as it is hit. The coaches really stressed ball control this week. We finished by playing a fun

game of ‘Jail’ to close out practice. Thanks to Brandon Day for helping out!!  
Kids Basketball (ages 8-14, 5 pm, Beach 1 Courts)  
Coordinators: Chris Beninati and Cody Williams

We held our second basketball lessons of the year on Monday and had a great turnout of 23 kids. After they warmed up and hydrated, the kids practiced passing, dribbling and layup lines. We then held a scrimmage for the last 20 minutes and we saw some nice shots and tough defense being played. Great job everyone!!  
**Tuesday:** Mosquito League (ages 6-8, 9 am, Field 1)

The Fireflies and Mosquitoes faced off for the fourth time this year on Tuesday morning. Anthony Lepore played some great defense at third base and also smashed a double for the Mosquitoes. The star of the day was Nicky Beninati, who hit two homeruns including a GRAND SLAM! Great game boys!!  
Butterfly League (ages 9-11, 6 pm, Field 1)  
Coordinator: Chip Ziegler

The Blue Jays and Robins took the field for the second practice of the season on Tuesday night. We had a great turnout with some serious new softball players arriving to show off their skills. Chip does a great job teaching the girls the proper way to throw and catch. The girls warmed up and were ready to hit. These girls have been with us since farm team, and they have improved each year. We witnessed a lot of solid hits that went well into the outfield. Great job everyone. See you Tuesday!  
Men’s Basketball League (ages 17+, 6 pm, Beach 1 courts)  
Coordinator: John Ross  
Standings: Green Team 3-1, Gold Team 2-2, Grey Team 1-3.  
(Read all about it in this Newsette).

**Wednesday:** Tennis Lessons (ages 5-8, 9 am, Beach 1 tennis courts)  
Coordinator: Darren Werner

We held our first official tennis lessons on Wednesday and we had a huge turnout in both groups. We used all 4 “little nets” and the kids seemed to really enjoy playing. We warmed up and practiced ball control by bouncing the balls up and down with the racquets. We then practiced our forehand hits and we are already seeing some really nice ball strikers. Coach Darren does a great job of teaching the game while making it fun for the kids. See you Wednesday!.  
**Thursday:** Girls Farm Team (ages 4-5, 9 am, Field 1)

Coordinators: Annika Salomonsson  
Farm Team was canceled this week due to the rain. See you next week!!  
Grasshopper League (ages 9-11, 5:30 pm, Field 1)  
Coordinators: Matthew Von Essen, Robbie Wisniewski, Grant Wisniewski

The Wasps and Hornets took the field for the second official game of the season and we had a dramatic finish! The Hornets took an early lead with some great defense and clutch hitting from talented rookies Dennis Jiminez and Ty Holden. Three-year veteran J.T. Wisniewski also provided big offense. The Wasps were down 7-4 going into the bottom of the last inning. After adding 2 runs to make the score 7-6, the Wasps were able to get runners on second and third to set the stage for Terry Terzakis. Terry came through in the clutch, driving the ball well out into right center field for the walk off double! Michael Evanick scored the winning run, as the Wasps took the game 8-7! They are now 2-0 for the year. Do not count out the Hornets, as they have some young talent and will be competing hard all season. Great game boys!!

**Friday:** Kids Soccer (ages 5-12, 9 am, Field 1)  
Coordinators: Annika Salomonsson, Nei Verroca, Charles Giordano and Bryan Stoeckel

We had our second soccer practice of the season on Friday and what a turnout as over 40 kids came to play! We put the kids through a “name game” passing drill to meet the new faces that missed last week. The kids went through some light passing and dribbling drills to get warmed up. We then played Sharks and Minnows, Red Light Green Light, and both groups had scrimmages at the end. Great job everyone!  
Gem League (ages 6-8, 10 am, Field 1)  
Coordinator: Pat Eckhart  
The girls took the field for the second practice of the season and we had a huge turnout. FIFTEEN Gems learned how to throw, catch, and hit. We split the girls into two groups, with the Blue Gems practicing fielding and throwing in the outfield and the Yellow Gems batting. Halfway through practice we switched so everyone had a chance to bat. Special thanks to coaches Joanna, Darren, Bill, Charles, Michael, and Lucas for helping out. See you Friday!

## Hurricanes vs. Fayson Lakes Results

COACH MICHAEL BUCHNEY

The Highland Lakes Hurricanes battled the Fayson Gators on Wednesday night down at the clubhouse swim lanes. The two teams swam a tight meet all night: Highland Lakes opened up a slight lead after the Breaststroke events; Fayson climbed into the lead through the Fly and Backstroke events; Highland Lakes made up ground in the Freestyle, while the teams split the relay points. Ultimately, Highland Lakes came up short, falling to Fayson by a final score of 356-330.

The Hurricanes swam a great meet, achieving 56 A-times and 73 personal best times! Also, a special shout-out to Steve Tierney, who broke his own record in the 50 Fly; the time to beat is now 26.78! Congratulations Steve! The Hurricanes traveled to Wayne to battle the Wayne Waves this week, results to follow.

Meanwhile, from the Packanack Invitational on Saturday, July 11, a special shout out to James Brantner who set a meet record in the 7 & Under 50 Freestyle, finishing with a 46.47. Go James!

## Jr. Sunfish Singles and Doubles

MARYJANE KRESIC, FLEET CAPTAIN

It's another exciting junior sailing season off to a great start here at Highland Lakes.

On July 8 the first singles race took place and it was a slow race due to the less-than-ideal winds. The race was won by Robbie with JT a close second. Both Robbie and JT had Greg close on their heels. Of note was Sam R. sailing his first singles race. Two races were sailed with the second one being a race where William and Lyndsey were on an FJ helping coach the fleet. All the juniors felt that the coaching was beneficial and we hope to repeat it again this week.

The results were:

1. Robbie Wisniewski
2. JT Wisniewski
3. Greg Randazzo
4. Killian Mann
5. Emmaline Stoddard
6. Sam Russell

On July 10 we had the first Junior Doubles Race. It was an exciting opening to the season with 12 sunfish out on the water and 1 FJ. It was a modified Course 3 with white, red and white and the winds were in our

favor. Not too strong and not too weak. There were some sailors who couldn't sail due to lack of boats, but I promised to get them in boats next week so sailors please continue to come down even if you couldn't sail this past week.

The results were:

1. Robbie and Hannah Wisniewski
2. Jack Bokun and Anna O'Gureck
3. Greg Randazzo and Sophia Randazzo
4. JT Wisniewski and Michael Puccio
5. Emmaline Stoddard and Cora Leiter
6. Killian Mann and Matthew Puccio
7. Sam Sullivan and Victoria Annunziata
8. Donna Shmuel and Rebecca Annunziata
9. Ray Mann (FJ) and Jackson O'Gureck and Duke

Staley

The following boats did a great job rounding the majority of marks with new skippers guiding them: Donna Shmuel and Ariana Stoddard, Sam Russell and Sophia Staley, Declan Mann and Sarah Bednarick, Luke Sullivan and Peter Brantner.

## Ladies Bowling

PAT WOOTTON, JUDI SUNDA

The HLCC Ladies' Pro-Bowling Tournament has begun! Twenty-five energetic ladies appeared at PinStreet, Warwick, on 7/8 to show off their bowling abilities (some dusted off their equipment from last summer). We were delighted to welcome several guests. Good fun was had by all; amid some creaking knees and active chatter. It's not too late to join the festivities and entertainment as several teams have vacancies. We can definitely use more participants. No experience necessary; all skill levels are welcomed. We meet at 9:30 am every Wednesday until the end of August. Some noteworthy accomplishments were:

Nancy Eisenberg – double, 170  
Paula Kloza – double, 166, 167

### Highland Lakes Ladies Golf Outing

IRENE BOEREN

Summer has arrived, and it is time to start swinging those golf clubs! The Highland Lakes Ladies Annual Golf Outing will be held on Aug. 11, 2015. Hope to see you there! We will have a shotgun start at 9:00 am at Farmstead Golf and Country Club’s Valley Course. The cost of \$61 includes 9 holes of golf with cart, lunch and prizes! Contact Irene Boeren at (973) 764-7371 for additional information. Checks can be made out to cash or to Irene Boeren and left at the clubhouse.

### Keep Hope Alive

Some of your neighbors are struggling with catastrophic events that have rocked their world off its axis and they are barely holding on. The reasons for needing help are as unique as each individual. In some cases the person in their home who had been the primary wage earner has died or suffered a serious illness that has left them unable to work. In other cases it is a child who is battling for life and all family funds are focused there. Still others are unexpectedly facing a divorce and have been left scrambling to handle existing responsibilities with significantly reduced finances. The Goodwill Fund was created to take one expense off their shoulders. We pay their annual community dues that year. The family maintains their member-in-good-standing status. The community gets the dues needed to function. The giver gets to do something meaningful at a time when it is needed most. Keep hope alive for families and individuals who are struggling in Highland Lakes. Keep our community strong. Support the Goodwill Fund by joining us at the Community Yard Sale on July 18.

A total of 62 families have been helped through the years thanks to the funds raised through community efforts like the Community Yard Sale and Path to Goodwill and individual donations made by members who give a little extra when they pay their own dues or make a donation in honor of a loved one.
