From the President's Desk

SUE ROSS, PRESIDENT

As we start the summer season, I want to give a hearty shout out to a few Club members; two of whom said "yes" when I asked them if they would take on leadership roles that needed to be filled and another who has devoted to our community too many hours to count. My nomination of Pat McNulty to chair the Elections Committee was unanimously approved by the Voting Board at the June meeting. When I asked Pat if he would take on this responsibility, he responded without a moment's hesitation. "I would be honored," he said, and by the tone in his voice, I knew he couldn't be more sincere. Pat moved to our community as a summer resident in 1970 and has lived here year-round since 2004. He has been very active in the Highland Lakes Senior Club, serving as treasurer for over a decade.

Pat is taking over for Jeanne Jameson, a woman who has devoted years to Highland Lakes in so many capacities. Jeanne joined our Voting Board in 1989 as Secretary, and went from there to serve as 2nd VP, 1st VP and ultimately President. That is a lot of

meetings (!!!) and a lot of personal time that I know was given out of love for Highland Lakes. On more than one occasion, I've heard Jeanne say, "I was happy to do it."

Barbara Jaggi, a member of our community since 2003, was unanimously approved by the board to serve as our new Ecology Committee Chair. Barbara has been participating in aqua aerobics, knitting and pickleball, has volunteered hours as a badge checker, is a hiker and, in just minutes of conversation with her, anyone could tell she is a lover of the environment and devoted to keeping ours as natural as it can be. I have no doubt that this committee will thrive under her leadership, and I am eager to see it happen.

Thank you to these, and all of you who choose to volunteer your time for the betterment of our community. Whether it is an hour of service weekly as a badge checker, a few hours running an activity, or years of devotion; our community would not be what it is without your service.

Reading of the Declaration of Independence – Tuesday, July 4 10:30 am

RON BERUTTI

All Highland Lakes residents are encouraged to attend a reading of the Declaration of Independence in the Lake Room on Tuesday, July 4 at 10:30 am. Light refreshments will be served.

It once was said: "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." As national and world events seemingly occur at an ever-quicken pace, what it is that makes us free must never be forgotten, lest we fail to pass the torch of freedom to future generations as our forbears did for us.

While Independence Day is a great national kick-off to summer in our nation, it was approval of the Declaration of Independence by the Second Continental Congress on July 4, 1776, that provided us with the well-deserved reason for our national celebration of freedom. Listen to the famous

words of Thomas Jefferson and the other Founding Fathers, who risked everything to make the United States the first nation ever to be founded on universal principles of human rights and individual freedom. Learn why the Declaration of Independence expresses truths about mankind that people throughout the world have looked to as a beacon in their quest for freedom from oppression ever since and which, like an earthquake, jolted the foundation of every single government to come before it and after it. Learn how great leaders such as Frederick Douglass, Elizabeth Cady Stanton, Abraham Lincoln, and Martin Luther King, Jr., have seized on the Declaration of Independence and its bedrock principles to advance the cause of freedom for those who have been denied its promise.

Highland Lakes resident Ron Berutti, an attorney and a published author on topics of constitutional history, returns again to read the Declaration of Independence and provide some historical context for the Declaration of Independence. Afterward, an open discussion will take

place as to the Declaration's meaning, its important role in the eternal struggle for freedom, and its continued vitality in today's world. Younger residents of Highland Lakes who may not know much about the story of the American Revolution or who question the relevance of the Declaration of Independence to their lives today are particularly encouraged to attend. Adult residents who can share their American experiences are also encouraged to attend, so that we can learn from one another about how the torch of liberty has been carried forward to this day, and how we can help carry it forward into the future so that freedom may be preserved for future generations of Americans.

This is the sixth year for this popular event. The previous readings were well-attended and well-received by residents of all ages, and a lively and civil discussion took place among those in attendance. If you missed the prior presentations and discussions, make sure you don't miss the opportunity to attend this year. You won't regret it.

NICOLE MARCH – FISHING COMMITTEE

Suspending Tactics for Walleye

Walleye fishing has been very productive this last week. During the day on deep fished swimbaits and late into evening on top water lures, using shallow crankbaits near shorelines. One way to attract walleyes that are closer to the bottom, feeding on suspending baitfish during the day, is by way of a 3-way swivel and a drop weight. This is a smaller version of using downriggers, which isn't possible in kayak or row boat. Setup: Tie the 3 way swivel onto your line, then off the bottom eye connect a drop weight. From the side eye, tie on a small suspending crankbait, on a foot and a half of line. This setup can either be trolled behind the boat, or dropped out and fished back slowly, pausing in between. I prefer to use a light braided line for this setup, which makes unwinding easier, as a few tangles are inevitable.

A variety of lures to use for Walleye with this technique.

A 4th of July Warning

BY-LAWS AND RULES COMMITTEE

As July 4 approaches you might give some serious thought about setting off firecrackers. New Jersey is one of three states that ban all consumer fireworks. That means anyone caught with firecrackers, bottle rockets, Roman candles or any other pyrotechnics - including sparklers -- could face fines or jail time if they don't have a permit. According to state law, the only fireworks displays allowed are shows by professionals with permits issued by municipalities. Under NJ State law, anyone charged with possessing or using fireworks faces up to 30 days in prison and/or a fine of up to \$500. Have a safe 4th of July.

Next Newsette: July 8, 2017

Newsette articles should be submitted on the Friday before the week of publication at noon. Under no circumstances will submissions be accepted after noon on Monday of the week of publication. Typed submissions must be emailed to the Club office at hlcc@warwick.net. Sorry – we can only print photographs submitted as .jpg files with a minimum of 150 dpi. Thanks!

Proud parents, James and Linda Lacherza, announce that their daughter, Nicole (Nikki) Lacherza, recently graduated from the College of Saint Elizabeth with her doctorate in Psychology (Psy.D.). Nikki was one of 13 students who graduated in the college's first cohort of the Doctor of Psychology in Counseling Psychology Program this past May. Sailing Tube Storage

LOU IANNUCCI SAILING COORDINATOR AND SUE BURUCHIAN

Ahoy sailors! It's time again to think sailing and tube storage. This year we have expanded the number of tubes at Eckhart Sailing Center from 15 to 22 in total. We will also be adding 5 new tubes at Comet Row. As always, Junior fleet racing sailors have the first right of refusal for the tube storage system at the Eckhart Sailing Center. Junior sailors and/or their parents need to email to request a tube no later than July 1, 2017, or call to reserve a tube for this sailing season. Please mark emails: Sailing Tube Request in subject line to HLCCSailing@gmail.com with name of sailor, parent name if junior and fleet sailing.

We will confirm active junior sailors with the Junior Fleet Captain, email you the release form to sign/return and assign your tube number. Additionally, any remaining tubes not assigned to juniors will be available to the other racers

in fleets docked at Eckhart Sailing Center and Comet Row via email request. First come, first served.

- Here are the basic rules for review to use the tubes:
1. Do not put wet sails in the tubes. Dry sails only.
 2. Junior sailors have first right of refusal due to parent transportation considerations.
 3. Lock and combination information must be provided on the form.
 4. No wet items of any kind shall be placed in tube.
 5. Only HL racing fleet sailors can utilize tubes.
 6. Only non-lakefront members can use this option.
 7. Only one set of sails with spars per tube.
 8. Storage is only during the sail racing season. No year-round storage.
 9. When Club docks go in water and are taken out, so must your sails!
 10. Any abuse of the tubes forfeits your rights to use them.

Any questions please call Sue at 973-764-7420 or Lou at 973-764-7042 or e-mail. Happy Sailing.

Nautical Notes

SUE BURUCHIAN

Congratulations to Mark Buruchian and his crew representing Highland Lakes Comet Fleet #130 who were fifth in the Comet North Americans sailed on the Susquanna River in PA in early June.

The competition was tough. Sailors from yacht clubs from MA, MD, NJ, NY, OH and PA competed on the challenging river. It should be noted, Kevin & Ashley Buruchian representing Massapoag YC from MA placed second. Buruchians won 3 of the 7 race series. Well done!

Team Tennis 2017

KNOX STRUBE

It was Memorial Day weekend and all the tennis players have been awaiting the start of Team Tennis for many months. So Saturday, May 27 rolled around and 19 players came out on a day with perfect weather. Jerry, our fearless leader and coordinator, arrived and promptly assigned players to courts. The day started as a shock when Adele started the season being the first player to arrive...not the last. It took a while to get all of our winter kinks out. As we warmed up, Carol swung at the ball and her racquet followed the ball over the net. Remember to hold on tight. We took turns playing 4 games. Jerry mixed all the players up and we had wonderful women's, men's and mixed double matches. At the end of our morning, we all had caught up with each other about the winter and enjoyed tennis.

On June 3, the weather didn't cooperate as nicely as the first week. There was a chill in the air and the wind picked up. Nevertheless, 9 players came out to enjoy another day of tennis. Unfortunately, Adele tweaked her back in her first game and decided to take it easy and make an early departure so she would be good to go for the next week. So with 8 players left, Jerry decided to switch things up a bit that week. We had 2 courts of mixed doubles and we all decided to play full sets with complete scoring. Sara and Bill B. took on Ralph and Carol M. and Charlie F. and Rosita took on Jerry and Knox. Both matches were very competitive with close scores. One even went to a tiebreaker. If you are wondering who won these matches, then you should come out and join us.

June 10 rolled around and Mother Nature threatened us with a couple of raindrops as tennis started. But that didn't dampen anyone's spirit. We had 16 players show up with the majority wearing our new orange Team Tennis t-shirts. We had a great women's match with Adele and Carol M. playing Michele and Gail. Then, a men's game caught everyone's attention as we had a battle of the Charlies. Charlie F. and Bruce L. took on Charlie H. and Ralph. Everyone sitting was watching the great points. There was also an enjoyable mixed doubles match. Bruce Z. and Mary against Bill B. and Sara. All the tennis skills seem to be improving with each passing week.

We didn't think we were going to get to play on June 17th but the rain obediently held off and let 14 of us enjoy our team tennis. We were most excited to welcome back Elaine after her broken ankle from last summer. It was wonderful to have her back on the court with us. Elaine and Ralph had a great match against Jerry and Lyn. During the matches, there was a bit of car talk being heard about an old Vette. But the highlight of this day was the spouse's match. Jerry, our fearless leader, referred to it as the "tell me what I'm doing wrong match". Sara and Darren took on Bruce and Rosita and it was a very hard fought battle.

We have much fun and many laughs on Saturday mornings from 9 - 11 am. Please come and join us for some fun tennis and a good social time. All skill levels are welcome. Just bring your racquet, badge, water and sneakers and meet us at the courts at Beach 1. If you have any questions, please call Cathy Tansey at 973-764-3174. Hope to see you soon.

Windsurf Happenings

KEVIN GASTON

Many years ago, Theodore "Teddy" Roosevelt gave a famous speech which resonates in my brain every so often and some years ago, I revised it to reflect our competitive sailing spirit here on Highland Lakes. Here, once again, is an updated version of "The Man in the Arena", as edited by me.

The Sailor on the Lake

It is not the critic that counts;
Not those who point out how the favored boat swamped,
or how a sailor could have done better.
The credit belongs to those on the boats
whose faces are soaked with sweat and spray
Whose hands blister and muscles cramp
Who sails valiantly; who errs,
who comes short again and again,
because there is no effort without error and shortcoming;
but who does actually strive to sail the course;
Who knows great enthusiasms, the great devotions;
Who sails the lake in a worthy cause;
Who at best knows, at the finish line,
the triumph of high achievement,
and who at worst, if he or she fails,
at least fails while daring greatly,
so that their place shall never be
with those cold and timid landlubbers
who neither know victory nor defeat

Windsurf races are held on Saturdays at 3 pm. The race dates are July 1, 8, 15, 22, 29 / August 5, 12, 26 and September 2. For more information, call me at 845-893-2923 weekdays or 973-764-7332 on weekends.
