Celebrate July 4th the Way it Was Celebrated in 1776

RON BERUTTI

On July 4th at 10:30 am, all Highland Lakes residents are encouraged to attend a reading of the Declaration of Independence in the Lake Room. Refreshments will be served.

It once was said: "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free."

While the 4th of July is a great national kick-off to summer in our nation, it was approval of the Declaration of Independence by the Second Continental Congress on July 4, 1776, that provided us with the well-deserved reason for this celebration of freedom. Listen to the famous words

of Thomas Jefferson and the other Founding Fathers, who risked everything to make the United States the first nation ever to be founded on universal principles of human rights and individual freedom. Learn why the Declaration of Independence expresses truths about mankind that people throughout the world have looked to as a beacon in their quest for freedom from oppression ever since and which, like an earthquake, jolted the foundation of every single government to come before it and after it.

Highland Lakes resident Ron Berutti, an attorney and a published author on topics of constitutional history, will read the Declaration of Independence and provide some historical context for the Declaration of Independence. Afterward, an open discussion will take place as to the Declaration's meaning, its important role in the eternal struggle for freedom, and its continued vitality in today's

world. Younger residents of Highland Lakes who may not know much about the story of the American Revolution or who question the relevance of the Declaration of Independence to their lives today are particularly encouraged to attend. Adult residents who can share their American experiences are also encouraged to attend, so that we can learn from one another about how the torch of liberty has been carried forward to this day, and how we can help carry it forward into the future so that freedom may be preserved for future generations of Americans.

This is the third year for this event. The first two years' readings were well-attended and well-received by residents of all ages, and a lively and civil discussion took place among those in attendance. If you missed the prior presentations and discussions, make sure you don't miss the opportunity to attend this year! You won't regret it.

Philip Pearlstein Living in Realtime

JOHN HARDING

"I get my highs from using my eyes," says Philip Pearlstein, the celebrated artist and resident of Highland Lakes and New York City, who recently celebrated his 90th birthday with numerous friends at the Highland Lakes Clubhouse this past May.

Pearlstein's unflinching visions of reality have brought him respect from the established art world. His works have a place in the permanent collections of more than 70 major international art institutions including the Met, MOMA and the Whitney, regular show openings at art galleries in New York, Chicago and Detroit, as well as exhibitions in England, France, Germany and Italy. During the 70 years of his art career, he has received numerous awards and accolades, including serving as president of the prestigious New York Academy of Arts.

Pearlstein was considered a reactionary and a traditionalist when he steadfastly stuck to his personal vision of realism while the art world he came of age in during the Fifties and Sixties. This may seem hard to appreciate now in our age of "reality" TV shows and special effects, however to many of his contemporaries in the New York art world of the Fifties, the artist's emotional response mattered more than faithfully recording an accurate visual representation of the subject upon canvas. "There will always be those who want to make paintings of the human form with all its parts all where they should be," says Pearlstein, "in spite of progress."

Life with Dorothy and Andy

While Pearlstein might not have seemed "cool" to many of his contemporaries back then, his abundance of artistic skills gained him early recognition. At age 17, his

two first-published paintings (a merry go-round and a barbershop) both won first prizes in a national competition and were reproduced in LIFE magazine. But his career and art education at the Carnegie Institute of Technology were interrupted by his service in World War II.

When the war ended, Pearlstein returned to the Carnegie Institute of Technology's School of Art from Italy (where he been stationed) during the summer of 1947 and rented a barn studio with two fellow students who would go on to play important roles in his life. One was Dorothy Cantor, a talented artist in her own right who later became

his wife in 1950. The other was a somewhat quiet and shy young man from Pittsburgh named Andrew Warhola. (After modifying his name slightly, Andy Warhol went on to become the iconic pop artist of the 20th century.)

Immediately following graduation in 1949, the Pearlsteins and Warhol moved to New York and rented a tenement apartment together on St. Mark's Place on the Lower East Side. The following summer, Pearlstein returned to school on the G.I. bill, earning a degree in art history, and he and Dorothy went on to live in various apartments on the Lower East Side before settling in the Upper West Side in 1963 following the birth of their third child.

The Evolution of Pearlstein

Following his early commercial work of graphic design, Philip's subsequent career built upon his commitment to the realistic representation of landscapes, objects and the human body. A Fullbright Hays Fellowship enabled him to return to Italy for a year to study and paint landscapes, after which he taught at Pratt Institute in Brooklyn and for one year as a visiting critic at Yale University. From 1963-1988, he was professor and then distinguished professor emeritus at Brooklyn College. To this day he remains a prolific painter, completing 6-8 large canvasses per year that are regularly featured in his shows at the Betty Cuninghame Gallery in Chelsea.

The Pearlsteins have had their home in Highland Lakes for more than 15 years, and they—along with their three children and two grandchildren—continue to come here to enjoy the tranquility, natural beauty, and company of special friends in our community.

Stationed in Italy during WWII to train for combat in a fatalistic-sounding "Casualty Replacement Camp," Pearlstein spent a year in Italy after the war ended in an Engineering unit painting road signs to direct vehicles around the bombed Italian roads.

Monday Night Adult Ceramics

ANGELA ABRAMS 973-764-3498, KATHY STRUBE 973-764-4210

Summer has arrived at last, and there are many opportunities to jump, run, splash and play. So how about adding a sit-down activity to your summer that will fill you with pride at your creations? Come on down to the clubhouse on Monday nights at 7:30 p.m. and join in on the fun.

Our instructor, Mary, supplies the brushes and paint. She also supplies a collection of bisque for purchase. Her vast knowledge of ceramics will help you create objects of beauty. It's not too early to think about creating something special as a gift, or a little something special for yourself. As long as you have an imagination you can succeed.

All adult members in good standing are welcome (as are children over 8 if accompanied by an adult member). And as with all Highland Lakes activities.... please wear your badges.

Family Day 2014

Family Day will be held on Sunday, August 3rd. We are looking for volunteers to help throughout the day: Quadrathlon Organizer, Triathlon Organizer, Judges for Sandcastle Building Contest, Food Runners to help at the grill in shifts, Food Ticket Sellers, Baby Parade Organizer & Judges, MC for the day, Water Relay Organizer, Cotton Candy & Popcorn Makers, Talent Show Director, Pizza Order Collector, and of course Ice Cream Sundae Helpers. Call Carol Hastie (973) 764-6521 if interested or leave your name & phone number at the club office. Family Day success is a result of our volunteers.

Summer Athletics

PATRICK ECKHART,
ATHLETIC DIRECTOR 973-557-6824

The 2014 Athletic Season is underway, and I hope everyone continues to take advantage of all the wonderful activities Highland Lakes has to offer. I have a few announcements and reminders to go over:

- To accommodate our wonderful coordinator Dalilah Gomez, the Butterfly League will start an hour earlier on Tuesday nights. We will now play at 5 pm.
- Kids Tennis Reminder: The 9-12 age group will have their lessons on Monday morning and the 5-8 age group will have their lessons on Wednesday morning. Schedule is below.
- We are reintroducing a league this year. On Saturday nights at 6 pm at Field 2, the Women's Softball league will begin. We have a lot of interest so far and are looking forward to seeing the ladies (17 or older) of Highland Lakes compete. The first game will be July 5.

All Club-sponsored athletic events are still in the sign-up book at the Clubhouse Activities Center. The activities include Tennis, Tennis Lessons (children and teens), Softball, Basketball, Volleyball, Pickleball, Bowling, and Golf Outings (dates TBA). The teamwork of our volunteers makes everything possible. Remember, there is no I in TEAM, so don't say “I don't have the time.” Instead, sign up and become part of a HLCC Team! I'd like to remind everyone to bring plenty of water and apply sunscreen before you leave the house, as it looks like it's going to be a hot summer. See you on the fields!

Conservation Club of Highland Lakes

RUSS STRUBE

The Conservation Club of Highland Lakes (CCHL) works on properties owned by Highland Lakes. The goal of the CCHL is to make these properties more ecologically friendly and pleasing to the eye. We have pruned, installed water bars, signs and benches on freeways and other club properties. The goal is to have members take over the stewardship of these properties when a project is complete.

We are always looking for new members, especially the youth of the club, so that they can help and learn good stewardship practices. This is also a great way for high school students earn volunteer hours needed for graduation. So if you are interested you can call me at 973-764-4210.

Highland Lakes Art Show, 2014 Special Category This Year

MARY ANN MASTRANGELO, CHAIRPERSON, ART SHOW

A Tribute to The 200th Birthday Of The “Star Spangled Banner”.

The “Star Spangled Banner” is the national anthem of the United States. The lyrics come from a poem written in 1814 by the 35 year old lawyer and amateur poet Francis Scott Key, after witnessing the bombardment of Fort McHenry by British ships of the Royal Navy in the Chesapeake Bay during the War of 1812. Key was inspired by the American victory and the sight of the large American flag flying triumphantly above the fort.

To commemorate this 200th birthday our Art Show Committee has planned a one-time-only special category with an appropriate award. All entries in the “Star Spangled Banner” category can be entered using any art/creative medium. All ages are eligible. We are looking forward to a wide variety of visual entries with patriotic themes honoring our national anthem. Take on the challenge and start working on your tribute to the 200th birthday of the “Star Spangled Banner”.

More information will follow. The Art Show is Sunday, August 24. The Professional Exhibit is Saturday, August 23.

Highland Hatters

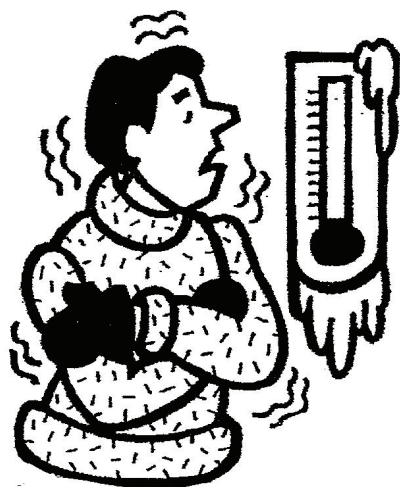

IRENE BOEREN

The Red Hat Ladies had a summer picnic on Saturday, June 21 at the Clubhouse. We also played bocce and other games. We had a wonderful lunch. Our thanks to Marion Benedicto and Kathy Grifone for planning our June event. The ladies enjoyed playing bocce even though some of us were not too good and others were ringers at the game. We had a lot of laughs.

Those attending were Marion Benedicto, Theresa Deady, Dot McAlary, Cathy Tansey, Janet Kaley, Joy Logan, Kathy Grifone, Doris Dolan, Donna Beebe and her mom Carmella (and not pictured, Irene Boeren). Anyone interested in joining our group please contact the Queen, Pat Wootten, 973-764-3749.

HLCC Knit Night

PAULA SCHRINER 973-764-5817

Highland Lakes members, please come down to the Clubhouse Lake Room for Knit Night! Join other needle crafters—although most of us knit, any needle crafter is welcome.

Where: The Lake Room

When: 7 pm - 8:30 pm (ish...we have so much fun, we lose track of time!) every other Monday evening except on holidays or if otherwise noted. We meet weekly during July and August.

Want to learn to knit? No time like the present! Don't know what to bring? To get started, pick out a skein of yarn that you like the color and feel of, and make sure it's relatively smooth (not too nubby or furry, at least at first). Pick out a pair of straight needles; try a size 6 or 7. You don't need anything fancy to get started—you can get these materials at stores like Walmart or AC Moore. Refreshments are provided. Please call Paula Schriener at 973-764-5817 for more information.

Undertaking A Home Improvement Project
General Contractor (part 2 of 6)

Be your own General Contractor: Why not be the GC and hire subcontractors? This can be a good idea if you know what you are doing and have the time to supervise the work and possibly step-in to complete tasks not covered by a sub. Be sure to review all contracts and understand which sub is doing what, when, and where. Get references. A sub that slows down the project may create havoc for everyone else. How will add-ons and change orders be handled? You will need to be available in a timely fashion to answer questions, schedule work and inspections, and pay the subs. Homeowner's insurance may not be adequate, be sure you and everyone involved have insurance.

Hire a General Contractor: If you choose to work with a GC, find a qualified person. Ask friends, check out trucks working in the area, ask your architect. The person doing the work must be skilled, experienced, able to manage resources (people, materials, time, money), and have problem solving capabilities. Talk to them about your project, similar experiences, timing, and get references. Be sure to discuss the type and amount of insurance they carry. Are they available when you want the work done, or can you wait until they are available?

Community Yard Sale –
Saturday, July 19

Donations Accepted Friday, July 18 - 8 am – 5 pm

The Community Yard Sale to benefit the Goodwill Fund is just two weeks away. If you have never come down to the Clubhouse on Yard Sale Saturday before, mark your calendar now—this is an event you won't want to miss.

For those looking to de-clutter their homes, this is the perfect opportunity to box up the treasures that no longer satisfy your needs. Volunteers will be on hand from 8 am-5 pm on Friday, July 18 to accept donated items - examples of items are in the box to the left.

For those interested in finding useful items at reasonable prices the event is like a dream come true. Doors will open at 8 am Saturday July 19. The sale will continue until 2:30 pm that afternoon. Refreshments will be sold throughout the day. All proceeds raised will go to benefit the Goodwill Fund. Any items that have not been sold by day's end will be distributed to a local charity.

Vendor Tables are Available

If you would prefer to sell your items directly and keep your proceeds for yourself, a limited number of vendor tables are available. For \$25 you may purchase space at the Community Yard Sale; \$35 will get you space and a table at the event. Vendor space goes quickly. Use the form to the right to reserve your space today. Vendor space will be provided on a first-come, first-serve basis. Use form below to reserve.

Volunteers Needed and Always Welcome

From beginning to end this is truly a community event that requires the involvement of many volunteers to make it the huge success that it is. We have a need for people to help publicize the event beforehand; work on Friday to accept, organize and arrange donated items; and on Saturday to sell items and assist in clean-up at the end of the day. Last year many people signed-up to work for a few hours while others dedicated themselves to the effort for the full two day stretch. Whatever amount of time you can give will be appreciated.

Please call the Club office or contact any of the following people with any questions or to volunteer to help with the event.

HLCC Mighty Seniors

JOYCE HEALY, PRESIDENT 973-764-0306

Attention Highland Lakes Seniors! Are you in full swing yet for the 2014 summer season here at the lake? We've dragged out or uncovered the patio furniture, we've FINALLY rid ourselves of 2 tons of leaves in our yards, tuned up the lawnmower, washed the windows and put up the screens (unless we have air conditioning) and probably fired-up the grill at least once! It sounds like you're ready for a fabulous summer. Well, so is the HL Senior Club. We're in full swing with guest speakers at our Tuesday night meetings. Come down to the Lake Room at the Clubhouse on the 2nd & 4th Tues. of every month at 7 pm. If you're 50 years young or even a bit more, we'd love to have you try us on for size. A variety of visitors will be at our meetings ranging from health news, Vernon town officials, historic information, special pets and children's authors, and more. We serve a yummy bunch of goodies including homemade delicious cakes, muffins, fruit delights, ice creams, coffee, tea...you never know what our meeting hosts will bring. Dues are \$10 for the year and you'll be able to sign up for our up-coming luncheon at the Warwick Country Club, our wine & cheese party, the B I G Senior Gala with live entertainment, and our barbeque and lunch/theatre day at the Hunterdon Hills Playhouse at the end of July.

We need 20 or more interested people for the July 31 drive to Hunterdon Hills Playhouse. We will be carpooling and it will cost under \$60 for the day's musical show & a fabulous dinner. FIND OUT MORE ABOUT THIS WHEN YOU COME TO OUR MEETINGS.

If you need a ride to get to the Clubhouse for a meeting, Call club president Joyce Healy at the number above. Not only do 85% of the Senior Club members volunteer here at the lake, we also genuinely care about each other and are ready to jump in and lend a hand when we can. That's not being "old-fashioned", or boring or stuffy...that's being REAL.

PS. Our seniors hike, swim, play tennis & pickle ball, softball, golf, sail....do you? You really DO need to check us out!

Boat Dock Committee

Members are reminded to put their boats in their assigned location on the new polyethylene docks by July 7. Failure to do so will result in forfeiture of your assigned space. After July 7, members who complete and submit a boat dock application for their use will be assigned a dock location as space permits. These docks are located at Club Park, Comet Row, Beaches #3 & #4, and Eckhart Sailing Center.

For those members not assigned a space, other docks and racks are available at most freeway locations around the main lake on a first come, first serve basis. All members who had to remove their boats last fall are reminded to place their boats back on the racks by July 7. These racks will once again be open to the membership after July 7.

We kindly ask that members store their boats properly and keep boats upside down on the club racks and dry dock spaces so that they do not fill with rain water and cause damage to Club's property. We also ask that you bail excess water out of boats in both the wet docks that are provided for your use.

About Changes in Your Recorded Deed

In planning changes to your ownership of property that would be reflected in the recorded Deed, contacting the Club Office before you do so for guidance is advisable and will eliminate any misunderstandings.

The Club's By-Laws, in part, define Active Members as those who own property in Highland Lakes. When persons take title to property in Highland Lakes when they do not own other Highland Lakes property at that time, even when they join in the ownership of property

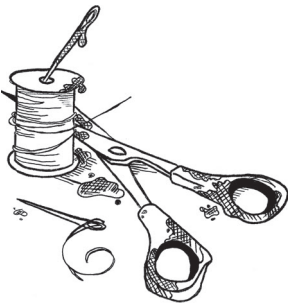

with someone who currently owns property in Highland Lakes, they automatically become an active member and are required to pay the Initiation Fee. If you are considering adding anyone to your Deed, a wife, parent, child, friend, etc., please be aware of these By-Law requirements.

Sometimes members form a living or family trust as part of their estate planning. However, even this type of trust is a different, and therefore new, owner of property, and the payment of the Initiation Fee is required.

Teen Sewing (ages 12+)

Welcome back, sewers! Come join us on Tuesdays from 6-9 pm and learn the basics of sewing. We will start on July 8. First-year sewers will learn to handle their machine, cut fabric, sew a straight seam and make a pillowcase. Second-year sewers will make pajama pants. Sewers will pay for their own fabrics, patterns and supplies. Please sign up in the activities center and pick up a supply list. Bring your sewing machine, extension cord, manual, and any sewing supplies you have. We could also use a couple of irons and the countertop ironing boards.

Any questions, contact Sevasty Entwistle at 973-764-6335.

Concert Series at Highland Lakes

MICHAEL GELFAND

The Highland Lakes Concert Series had its inaugural noisemaking ceremony on May 6. Many thanks to Randy Staley, Steve Randazzo and Rich Spoerl for their inestimable technical expertise installing the gear and getting everything working! The brand new sound system was fired up and much great noise was made and heard. Stay tuned -- we're starting our marketing initiative and beginning to speak with talent agencies and artists, and the first concerts will be scheduled and announced very soon.

WANTED Clubhouse Party Photos

CAROL HASTIE, CHAIRPERSON, CLUBHOUSE COMMITTEE

Over the years we have had many rentals in the clubhouse for weddings, showers, and parties of all kinds. I am putting together a photo album of pictures showing how it was decorated. If you rented the clubhouse and took pictures, PLEASE can I borrow your pictures of how it was decorated?

There have been so many creative and beautiful ideas. I would like to have an "idea" book for future renters. They can be left at the office in an envelope with my name on it. Thank you for your help.

Petitions for Trustee Positions Available

CHESTER COOPER, ELECTIONS CHAIRMAN 973-764-2179

Petitions for Trustee for Sections 1, 3, 4, and 5, and for the unexpired two-year term for Section 2 Trustee, are available in the Club Office. The Trustee positions are for terms commencing October 1, 2014.

In order for a candidate's name for Trustee to be on the ballot, the petition must be returned to the Elections Chairman at the Club Office at least 20 days before the election, held at the Annual Meeting on Sunday, August 17, 2014. Petitions must be received at the Club Office not later than 4:00 pm on Monday, July 28, 2014, containing the required five signatures from members in good standing in the section holding the election.

The requirements for eligibility to serve the Club as a Trustee are found in Article V of the By-Laws.

New Bricks This Summer

SUE ROSS, GOODWILL FUNDRAISING COMMITTEE MEMBER

What better way to express your happiness about your graduate, a June bride and groom, or a special feeling you have about Highland Lakes than to set your message in stone in the Path to Goodwill at the Clubhouse?

There are so many ways to commemorate a person, event or general time in one's life. Many in our community have chosen to buy a brick that has been inscribed with a message to sum up their feelings. A walk down the Path to Goodwill is sure to bring a smile to many faces, because the path honors so many members and families (past and present), and ties together so many shared sentiments.

The idea of creating the path was conceived by the Goodwill Fundraising Committee in 2011. The path was dedicated in August of 2012. Since its inception over 240 bricks have been installed. With every 10 bricks sold a new installment occurs. We have seven bricks waiting to be engraved, and need just three more brick orders placed before July 6 in order to reach the minimum number orders required for an installment this summer. To add your family name, download the order form at the HL website (www.hlcc.org/wp-content/uploads/2012/02/Goodwill-Paver-Order-Form.pdf) or pick one up at the Club office.

Mark the Date for the Lakeside Musical Showcase

JO ANN VENTOR 201-310-3108; 973-764-6046

Want to be on stage? Let's put on a show! For Ages 8-17; girls and boys needed. This year's show will be a musical: (Scenes From...) Annie!

Annie

Friday, August 8, 2014; 7:30 pm

Children will be taught to perform with music, choreography, sets, props and costumes in the 7th annual "Lakeside Musical Showcase" at our Clubhouse. All young members in good standing are welcome and all will be cast! There will be an informal audition for lead characters who will sing parts of Tomorrow and Maybe (for girls) and I Don't Need Anything But You (for boys) at the first 2-3 rehearsals. Rehearsals begin Thursday, July 3 and are every Wednesday from 2 pm until 4 pm, Thursday from 2 pm until 4:30 pm, and Friday from 2 pm to 4 pm at the Clubhouse. Performers must attend most rehearsals! We are also looking to cast older boys in lead roles-ages 12-17 and always looking for stage crew help! The Showcase performance date is Friday, August 8 at 7:30 pm.

Chit Chat

The Castiglione Family had an exciting winter. Stephen will be starting Pharmacy School in the fall after competing as a Red-Shirted Senior in Javelin at Long Island University. He placed 3rd at the NEC Conference Championships and set a new school record. Daniel made an appearance on the Tonight Show, dancing behind Kevin Bacon in celebration of the 25th anniversary of Footloose. He has won awards for his choreography and will be competing in Los Angeles in August. Dan will be starting the next chapter of his education at Steven's Institute of Technology in the fall. Jessica auditioned for and was accepted for the third time into the Rockette Summer Intensive Program in August. She was accepted into the National Honor Society in March, and will be the Senior Captain of the East Brunswick Dance Team next year. Tom and Lorayne are happy to be back in Highland Lakes for a much needed "rest."

Sue and Mark Buruchian, of Highland Lakes, announce the engagement of their son, Kevin Buruchian to Ashley Crawford, both of Auburn, MA. An October 3, 2015 wedding is planned.

Would you like to congratulate anyone on their birthday, graduation, anniversary, birth of children, grandchildren, marriage, etc.? Please share your special news with all of us by sending the information to the Club office by email or telephone. We would love hearing from you!

Pickleball Action

DORI ZARR 201-602-8339

Our three brand new courts are all set up, and the people of pickleball are ready to show you how to play our newest family game! We have something for beginners, intermediates and advanced players of all ages 13 and up. Play starts on Monday and Wednesday nights at 6pm until dusk turns to dark, and on Sundays beginning at 9am, so what's keeping you from stopping by on Cherry Ridge? Call me for info.

Pickleball Paddles Soften Sound

BILL BEARDSLEY

The growth of pickleball in Highland Lakes has created opportunities for all of us to learn more about this exciting sport. In this process we have learned that quieter paddles can be used without reducing the fun of the game and the play of the paddles. As a result, HLCC has instituted two new regulations regarding the use of paddles.

The first is that all paddles purchased for use on HLCC pickle ball courts must be selected from the Sun City Grand "Green Zone" paddle list that can be found at this website: <http://pball.grandpickleball.org/paddlerule.pdf>. These paddles were tested by Acoustics Group, Inc. and found to be the quietest paddles on the market. The only paddles approved in addition to those on this list are the "Venom" by Pickleball Specialties (<http://www.pickleballspecialties.com/>) and the "Vortex".

In order that Club members can try some of these "Green Zone" paddles, the Club has purchased five that were recommended by Pickleball Central, one of the leading suppliers of pickleball equipment. These demo paddles are available on Sunday mornings from 9 am -12 pm, and Monday and Tuesday evenings from 6 pm - 8 pm.

The other regulation is that paddles previously purchased by members that are not in the "Green Zone" list will have to be dampened with "quiet pickleball pads" which will be supplied by HLCC.. These pads, when tested by HLCC members, were found to significantly reduce the noise of the ball striking the paddle without affecting the play of the paddle. If you have purchased one or more paddles prior to 1/1/14, please contact Bill Beardsley by email (trustee2@hlcc.org) or phone at (973) 764-7730 to arrange to get the pads provided by the Club.

If you are interested, Pickleball Central is offering members of the Highland Lakes community a five percent discount on all purchases. An additional five percent will be deposited in the Club account that will then be used to make future purchases of equipment for the Club. You simply have to give Pickleball Central (<http://pickleballcentral.com/>) the Club membership code, *HL Pickleball*, when making your purchase.

Ladies Pickleball

PEGGY 973 764-5126.

The ladies' pickleball sessions continue to delight and entertain. Learning is easy; playing is stimulating and rewarding. Come see what summer fun is all about! We're at the courts on Glen Wild Way off Cherry Ridge Road Friday mornings between 9-11 am. Wear your sneakers, and bring your bottle of water. Questions? Call Peggy at (973) 764-5126.

Pickleball Equipment Now Available

BILL BEARDSLEY

Pickleball equipment is now available in the Activity Center at the club house. Boxes of 4 paddles and 4 balls can be borrowed Monday through Friday from 9:00-3:30 as well as Saturday and Sunday from 10:00-3:30. You need to show your badge and leave a \$20.00 deposit. The equipment must be returned by 3:30 pm the following day. It is strongly suggested that you stop by the new courts when instruction is being given to learn the rules of the sport. Instruction normally takes between 15 and 30 minutes. You can also go online to "pickleball.com" or "YouTube" pickle ball videos to learn the rules and see the sport being played.

HLCC Women's Bowling League

JUDI SUNDA 764-3069, PAT WOOTTON 764-3749

Heads up! Just to let you know that we will be bowling once again this summer at PinStreet in Warwick, Rt. 94, in Warwick, NY. The league will begin on Wednesday, July 9, at 9:30 am sharp and will run for eight weeks. Teams are comprised of three women, but individuals are encouraged to sign up as well. This is definitely a social event; be prepared for lots of laughs as there is no real talent required! The cost is undetermined at this time; we can discuss that on the first day of the league. It should be similar to last year and payable promptly. Please join the fun; the more the merrier!!

Use of Flotation Devices

HIGHLAND LAKES WATER SAFETY

All swimmers (toddlers through seniors) may use flotation devices such as swimmies, rafts, tubes, etc. at the beaches. These devices may not be used where the water depth is greater than the swimmer’s height (you must be able to stand in the water). Thanks for your cooperation.

Beach Testing Results

Below are the results of the most recent fecal coliform testing at the Club’s beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and results must not exceed 200. All samples conformed to State recreational bathing standards. Testing results are reported by the lab to the Sussex County Department of Health.

Voting Board Adopts Revised Rules for the Storage of Boats

VOTING BOARD

The Voting Board, with considerable input from the volunteers serving on the Boat and Dock Committee, adopted extensive changes on May 16, 2014 to Club Rule 24 that addresses the storage and use of Club lands, boat racks and docks for boat storage. These changes were necessitated by the use of boating facilities by members not in good standing, members who fail to remove their boats from docks and boat racks in the fall, members who leave boats tied up to trees, etc., and those who disregard the boat lottery system for assigned space.

With an investment of nearly \$400,000 in new docks in the past twelve months, these rules also prohibit any modification, drilling, etc. and establish requirements for how boats are to be moored to the new docks.

Rule 24: These Rules, in six parts, constitute the Club’s Rules pertaining to the storage of boats, kayaks, windsurfers, etc. on Club lands, boat racks and docks.

A. HOLD HARMLESS: The member agrees to indemnify and hold the Club harmless from any injury, damage or loss resulting from the use and storage of the member’s boat anywhere on Club property, including but not limited to lands, docks and boat racks. The member, by keeping their boat on Club lands, docks or boat racks, acknowledges that the Club shall not be responsible for any injury, damage or loss whatsoever resulting from the removal, transport and storage of the boat, and use of the Club’s lands, docks and boat racks.

B. IMPROPER STORAGE: Improper storage is defined as storage on lands owned by the Club other than on docks and boat racks, storage anywhere on Club properties without a current membership permit, and storage in violation of Rule 24 (C.), (D.) and/or (E.) below. Boats improperly stored will be removed to storage immediately.

C. STORAGE ON DOCKS and RACKS AFTER OCTOBER 15: All boats must be removed from Club docks not later than October 15 of each year. In alternating years, all boats must be removed from boat racks by October 15, as determined by the Boat and Dock Committee and as published in the Newsette. Boats stored after October 15 in

violation of this Rule will be removed to storage immediately.

D. UNAUTHORIZED USE OF SPACE ON ASSIGNED DOCKS: Space on certain Club docks is restricted to assigned use only. These docks are located at Club Park, Comet Row, Eckhart Sailing Center, Beach 3, Beach 4, and such other, future locations as may be authorized by the Voting Board. Docks subject to this assigned space requirement are marked with appropriate signs. Dock space assignments are managed by the Boat and Dock Committee upon receipt of applications from members in good standing and are assigned by the committee through the use of a lottery system and other methods. Boats not authorized by the committee on these docks will be removed to storage immediately.

E. DOCK MODIFICATIONS AND UNCOATED WIRE PROHIBITED: Members may not drill holes in any dock or fasten any device without the authorization of the Boat and Dock Committee. Only ropes, chain and plastic coated wire are authorized to attach a boat to a dock. Uncoated wire is specifically prohibited. Members are responsible for all damages caused by unauthorized drilling or fastening to the dock or excessive wear or chafing caused by the use of unauthorized attachment methods. Boats stored on docks in violation of this Rule will be removed to storage immediately.

F. REMOVAL TO STORAGE, PENALTIES FOR VIOLATIONS: Boats, kayaks, windsurfers, etc. of members stored in violation of these Rules shall be removed to storage, and will be subject to a special assessment of \$100.00, and a daily storage charge of \$5.00, calculated from the date the boat was removed to storage up to November 15, when a special winter storage fee of \$250.00 will be imposed. After June 15, a disposal fee of \$250.00 will be imposed. Boats may not be retrieved between November 15 and April 15. Members whose boats are identifiable through the boating permit shall be provided notice by regular and certified mail that the boat has been removed to storage. The Club may, in its sole discretion, elect to acquire title to any boat that has been determined to be abandoned, in compliance with the “Abandoned Vessels Disposition Law,” N.J.S.A. 12:7C-7 et seq. (Amended September 23, 2009).

Highland Lakes Annual Lighted Boat Parade on Aug. 3

FRED WILSON

Due to popular demand, we have turned our 75th Anniversary Lighted Boat Parade into an annual Family Day event. Our theme this year is “music through the ages.” As we did last year, participants will gather at the north end of the Main Lake near beach #3 at 7:30 pm. Participating boats (Party Boats and any other lighted boats) may join the parade at our approximate 7:45 pm departure time, or join the parade as we make our way south turning west at Beach #4 and then north around the island with a house on it to finish our Lighted Boat Parade in front of everyone at the Club House in time to enjoy our Family Day fireworks. It is important for our enjoyment and safety that all boats in and around the Lighted Boat Parade be lighted. Also, be aware that our “no gas engines on the lake” rule precludes the use off on-board gas generators to power boat lights. Hopefully the weather will cooperate; however, on the off chance of extreme weather (such as a thunderstorm). Our Family Day and Lighted Boat Parade rain date is Saturday, August 9.

To participate or for more information, call or email Fred Wilson at 973-764-3548 or wilsoncp@warwick.net.

Water Safety News

PETE JABLONSKI, WATER SAFETY DIRECTOR

Due to regulations from the NJ State Board of Health, all children in cloth or disposable diapers must wear plastic pants on top of their diapers. This includes Little Swimmers and Swimpers. Disposable swimpants are now available in the diaper aisle in the grocery store. The trim, unisex style can be worn alone or under swimsuits. Keep in mind; however, that the swim diaper must be covered by plastic if using the swimming pants with the plastic pant overlay and remind folks not to rinse a baby’s bottom or soiled diaper in our lakes either. We must work to keep our lakes as clean and beautiful as possible. Everyone must help. Keeping our lakes clean and healthy is a priority.

BEACH VISITORS: Please make sure when you pick a spot on the sand that all of your belongings (this includes; chairs, blankets, coolers, umbrellas etc.) are NOT in front of the lifeguard stand.

CIGARETTE SMOKERS: Please clear your cigarette butts from the sand at the beaches. Small children crawl on the sand and will pick up everything they can and place it in their mouth. It is not the responsibility of our maintenance staff or the lifeguards to pick up after you. Please help keep our beaches clean!!!

DOG OWNERS TAKE NOTE: Please take note that dogs are prohibited on the beaches both during the day and on off hours. Many have been spotted and we would like to keep our beaches as nice and clean as possible. Thank you.

GARBAGE CANS: After lifeguards are off duty, please make sure that all garbage lids are securely placed back on garbage cans when leaving the beaches for the evening.

SICK CHILDREN: If your child gets sick and vomits in the lake, please get a pail to scoop up whatever you can. Don’t

swish it around in the water. You can dump the contents in the garbage, but please drain some of the water before doing so.

BALLS AT THE BEACH: Each beach has an example of the type of ball that is allowed in the water. If you do not have the one we have approved, you will not be permitted to use it. You may borrow one of ours for a short time while you are on the beach. Please return it to the guards when you are done.

RESPECT YOUR LIFEGUARDS: Please listen to the lifeguards. They are there to help keep you and our members safe.

GRILLS ON THE BEACH: Propane grills are ONLY permitted on Beaches 3 & 5 and ONLY in the grassy area by the picnic tables. They are not allowed on any other beaches at any time.

**Barbeque Grills
at the Beaches**

In the interest of the safety of all members using our beaches, please be advised that portable gas grills are allowed ONLY on Beaches 3 and 5 and ONLY in the grassy area where the picnic tables are, away from the beach patrons, lifeguard equipment and any playground equipment. Your cooperation is appreciated.

Junior Appreciation

Just a reminder if you are between the ages of 10-20 and volunteer at least 10 hours throughout the year, you will get an invitation to Jr. Appreciation, which will be held on Monday, August 11th. If you fulfill your 10 hour requirement, your name is submitted to the Clubhouse Committee for the event. Hope to see all our young volunteers on this night for dinner, dessert, and a surprise gift picked especially for the young Highland Lakers.

**Highland Lakes
Women's Auxiliary**

IRENE BOEREN, PRESIDENT, WOMEN'S AUXILIARY

The first Highland Lakes Womens Auxiliary meeting of the summer convened on June 24 in the Lake Room. Thirteen past members were present, and we welcomed new member Nora Macfie.

We went over our packed agenda for the summer. We already have 14 people signed up for the Sands Casino bus trip on August 7, a great turn out so early in the season, so get your ticket while seats last.

The Women's Auxiliary was pleased to donate over \$1,000 dollars back into our community last year with donations going to Vernon Ambulance, Highland Lakes Fire Department, Goodwill Fund, and the Club House Committee.

Meetings are every Tuesday, 10:00 am. Please join us for coffee and conversation. Babysitting is available for members with children.

Team Tennis 2014

CATHY TANSEY, COORDINATOR, TEAM TENNIS

The last week of June was a busy one at the courts. Saturday was Tee Shirt Day. This year's color is pink. The men seemed pleased with the choice, and the women were very happy. We had some great games and a good time was had by all. Court 2 had the old guys against the young guys. Charlie Furce and Charlie Havranek against Mark Fiala and Darren Werner. A great match to watch! Did wisdom or youth win? All Highland Lakers are welcome to join us every Saturday morning between 9-11 am. All you need is a badge and a racquet. See you at the courts.

Hobbling Through the Doldrums

Where are those mid-afternoon thermals when we need them? Not only did the ailing racers hobble into the season opener, but the wind did, as well. (A 3 mph gust nearly shattered the wind meter.) Prolific patches of lake that resembled smooth panes of glass were all too abundant, however the race went on as scheduled. Grumbling among the ranks about the wind (or lack thereof) could be heard on the first upwind. Or was it downwind leg? A maximum 20-minutes-to-the-mark rule was imposed and—wouldn't you know it—Bob Koeck rounded the mark at 19 minutes and 50 seconds. So, the crawl continued until finally Bob mercifully ended it by crossing over the finish line first with Kevin and Chip breathing down his neck. Chip, in fact, closed a huge gap between him and the leaders when he came in flying on a 2 mph puff. Bob Williams turned out to be the sharpest of the shredders as he exited stage left before ever reaching the mark. Needless to say, the second race was canceled. We will still keep our chins up for this week's race, as it can't get much worse.

There will be a Stand-Up Paddleboard Day at the clubhouse on Sunday, July 13 at noon. Come out and try a board on for size and experience what this fast growing family activity is all about.

Results for June 28:

Open Fleet

Place	Race 1
1	Bob Koeck
2	Kevin Gaston
3	Chip Ehrhardt
4	Bob Williams (DNF)

Sailing Tube Storage

SUE BURUCHIAN - 7420

Eckhart Sailing Center

Ahoy sailors! It's time again to think sailing and tube storage. As always, Junior fleet racing sailors have the first right of refusal for the 15 tube storage system at the Eckhart Sailing Center (ESC). JUNIOR SAILORS and/or their parents need to email me to request a tube at 4burufam@warwick.net or call to reserve a tube for this season. I will confirm active junior sailors with the junior fleet captain, email you the release form to sign/return and assign your tube number. Any remaining tubes not assigned to juniors will be available to the other fleets docked at ESC. Here are the basic rules for review to use the tubes:

1. Do not put wet sails in the tubes. Dry sails only.
 2. Junior sailors have first right of refusal due to parent transportation considerations.
 3. Lock and combination information must be provided on the form to Club via fleet captains and S. Buruchian
 4. No wet items of any kind shall be placed in tube.
 5. Only HL racing fleet sailors can utilize tubes.
 6. Only non-lakefront members can use this option.
 7. Only one set of sails with spars per tube.
 8. Storage is only during the sail racing season. No year-round storage.
 9. When Club docks go in water and are taken out, so must your sails!
 10. Any abuse of the tubes forfeits your rights to use them.
- Any questions please call or e-mail me. Happy Sailing!
