Swing and French Jazz Coming to Highland Lakes

Bonjour et bonne nouvelles, les amateurs de musique! The modern day ambassadors of classic Parisian swing are coming to Seckler Stage. Singer Tatiana Eva-Marie (who the Wall Street Journal recently hailed as “one of the best young singers around”) and the Avalon Jazz Band are bringing their repertoire of timeless American standards and French jazz songs to Highland Lakes on September 12.

The Avalon Jazz Band's performances meld Parisian and Golden Age swing spirit, taking music lovers on a ride back

in time to the Parisian “zazou” era of the 1930s and 1940s. (See for yourself: www.avalonjazzband.com/video/.) With prodigious musicianship, inimitable French charm and a little bit of bohemian savoir faire, Eva-Marie and her band's Gypsy jazz sound—first made famous by Django Reinhardt and Stephane Grappelli—will transform Seckler Stage into Montparnasse for an evening of music you'll never forget.

Check next week's Newsette (or the Club's website) for information about advance ticket sales information.

The breathtaking vocals and amazing French swing sounds of Avalon Jazz Band will grace Seckler Stage on September 12.

Beach Testing Results

Below are the results of the most recent fecal coliform testing at the Club’s beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and a beach must be closed if the results of consecutive tests exceed 200. Testing results are reported by the lab to the Sussex County Department of Health.

Highland Lakes Annual Lighted Boat Parade on Aug. 3

FRED WILSON

Due to popular demand, we have turned our 75th Anniversary Lighted Boat Parade into an annual Family Day event. As we did last year, participants will gather at the north end of the Main Lake near beach #3 at 7:30 pm. Participating boats (Party Boats and any other lighted boats) may join the parade at our approximate 7:45 pm departure time, or join the parade as we make our way south turning west at Beach #4 and then north around the island with a house on it to finish our Lighted Boat Parade in front of everyone at the Club House in time to enjoy our Family Day fireworks. It is important for our enjoyment and safety that all boats in and around the Lighted Boat Parade be lighted. Also, be aware that our “no gas engines on the lake” rule precludes the use off on-board gas generators to power boat lights. Hopefully the weather will cooperate; however, on the off chance of extreme weather (such as a thunderstorm). Our Family Day and Lighted Boat Parade rain date is Saturday, August 9.

To participate or for more information, call or email Fred Wilson at 973-764-3548 or wilsoncp@warwick.net.

Conservation Club of Highland Lakes

RUSS STRUBE

The CCHL works on properties owned by Highland Lakes. The goal of the CCHL is to make these properties more ecologically friendly and pleasing to the eye. We have pruned, installed water bars, signs and benches on freeways and other club properties. The goal is to have members take over the stewardship of these properties when a project is complete.

We are always looking for new members, especially the youth of the club so that they can help and learn good stewardship practices. This is also a great way for high school students to get their volunteer hours needed for graduation. If you are interested, please contact me by phone or email 973-764-4210, rstrubewvnj@yahoo.com

Team Tennis

CATHY TANSEY & ELAINE KUNTZ

Another beautiful day, another good turnout and again some new faces. Some players from previous years returned for the first time this year. Joan Backer, Ron Renicker and Edwin Fajardo - glad you are all back. A team tennis player from the 1980s stopped by to see what is still going on. Players from the old days were happy to see Billy Hamm again. Lee Eisenberg announced he is collecting \$10/person for our Champagne Brunch on the Saturday immediately following tennis on Labor Day weekend. John Whalen was disappointed because he only received a couple of pictures from the players. Please check your photo albums and give John a picture of yourself from the past. He is trying to do something a little different for the Tennis Brunch.

Knox Strube has been a big help in helping me keep track of all the players each week and also keeping track of the shirts that have been distributed. We had 40 shirts to give out to players who have played at least three weeks. Unfortunately, we are out of shirts because we have had close to 60 players participating in our Team Tennis activity. Shirts are distributed on a first come bases. Players must understand we estimate to the best of our ability and we do thank the club for supplying us with shirts and balls to use each week.

Remember, we play every Saturday morning from 9 am-11 am. All are welcome, just bring a racquet, badge and sneakers and your admission is free. We have players of all levels. We try to keep the A-game sets evenly matched. We have men's, women's and mixed doubles. Any questions call Cathy at x3174. Thanks to Elaine Kuntz for getting this article to the office and printed in the Newsette each week. See you on the courts.

These have been put in gardens, kitchens and been given as cherished gifts. Come on down to the clubhouse on Monday nights at 7:30 and join in on the fun. Our instructor, Mary, supplies the brushes and paint. She also supplies a collection of bisque for purchase. Her vast knowledge, accumulated over the years, will help you create things of beauty. As long as you have an imagination you can succeed. All adult members in good standing are welcome. All young people ages 8 to 15 are also welcome, if accompanied by an adult member. Petitions for the office of Trustee have been received by the Elections Chairman and the candidates below will appear on the ballot. As required by the By-Laws, these petitions were all received by July 28, 2014.

If you wish to serve as a Trustee (you must reside in one of the five sections electing Trustees) on the Voting Board, you may be elected through the write-in process. Trustee candidates must have been a member in good standing since August 17, 2011.

The Absentee Ballot must be received at the Club Office, either by mail or in person, with your validated 2013 Membership Card enclosed in the envelope provided, no later than 4:00 pm on Wednesday, August 14, 2013.

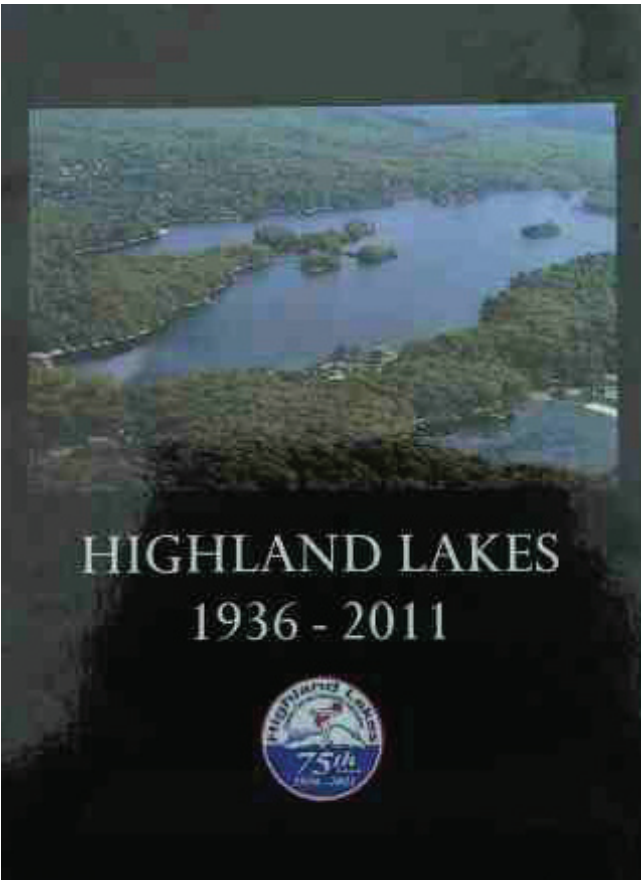

Elections will be held August 17th at the Annual Meeting. Make sure that you attend this meeting and that you have your 2014 Membership Card with you. If you have any questions, please call me at 973-764-2179.

Absentee Ballots

CHET COOPER, ELECTIONS CHAIRMAN

Absentee Ballots will be available on Saturday, August 2, 2014 to vote for Trustees in Sections 1, 3, 4, and 5 for full, three year terms and in Section 2 for the unexpired, two year term. The Absentee Ballot must be received at the Club Office, either by mail or in person, with your validated 2014 Membership Card enclosed in the envelope provided, no later than 4 pm on Wednesday, August 13, 2014.

Please, if you can not attend the Annual Meeting, or do not think you can stay for the entire meeting, cast your vote through the Absentee Ballot.

Yearbooks are available at the Club office and the HL General Store for just \$40. It's a gift for any occasion!

Do You Go Around the Big Lake?

FRANK HENNINGER 973-764-3363

Our 37th Annual Jogathon will start from the Clubhouse at 10:00 am Saturday, August 30. No entry fees, no prizes, just a great time. Everyone brings a can of frozen orange juice concentrate that turns into "Joggers Juice" to be enjoyed upon returning to the Clubhouse.

We go once around the big lake (4.5 miles) and we are all ages and abilities. Families particularly have a good time. Many walk, some jog, and some hardy members run like the wind. Typical times for a "once around" are:

Slowest walker – 2 hours 14 minutes
Average walker – 1 hour 20 minutes
Average family – 1 hour 15 minutes
Average winner – 24 to 36 minutes
Average jogger – 44 minutes
The Record – 22 minutes 25 seconds!

Our slowest walkers had stopped at a friend's house for iced tea, and our speed record was set in 1982 by Steve Grube. Hope you can join us on August 30.

Since this will be the last Jogathon for me, I hope you stop by to say "hello and goodbye!"

Septic Tank Pumping Discount Program

BOB REFFELT, CHAIRPERSON, ECOLOGY COMMITTEE

Continues in 2014

The Ecology Committee of Highland Lakes is happy to announce that our very successful and popular group pumping discount program offered by David Zuidema will continue in 2014. If this is the year to get your septic system pumped, please complete the following registration form and return it to the club office at your convenience. We suggest pumping your tank every three years. This simple and inexpensive action on your part will not only help protect our lake watershed, but will increase the life of your septic system.

Septic Pumping Program Application

Name: _____
Member Number: _____
Home Phone: _____
Cell Phone: _____
Email: _____
House Street Address: _____

Do you know where your septic tank is located on your property? Circle one: Y or N

Is any digging required to access your tank lid? Circle one: Y or N

When was your tank last pumped? Approximate Year _____

A few weeks after submitting your application David Zuidema's office will contact you directly to schedule an appointment. Their number is 1-888-901-7392, but to get the discount, you must submit your application form to the club office. If you have a standard, easily accessible, 1,000 gallon tank the discounted price will be \$150 plus NJ sales tax. To obtain this price you (or your personally named representative):

1. Must be available to meet with the pumper at your house during normal business hours
2. Must know where your tank is located
3. Must not require digging services by the pumper to access the tank lid. (Extra charges will apply for any digging services)
4. Must be prepared to pay the driver directly upon successful completion of the job.

Note: There may be additional charges for pumping tanks that are difficult to locate or hard to pump due to steep or rough terrain near your tank. Also, if it is recommended by the driver that your septic system is in need of any repairs, those repairs would not be included in the discounted pumping price. When the driver arrives, and before any pumping begins, we recommend that you discuss your specific situation with the driver.

We feel certain that David's people will treat you fairly and honestly; however, in the unlikely event that you have any concerns, please feel free to contact me directly at 973 764-6869. Based on the pleasant experiences of those who participated last year, I do not expect many phone calls.

Thanks again for helping to keep our lakes clean.

HLCC Knit Night

PAULA SCHRINER 973-764-5817

Highland Lakes members, please come down to the Clubhouse Lake Room for Knit Night! Join other needle crafters—although most of us knit, any needle crafter is welcome.

Where: The Lake Room

When: 7 pm - 8:30 pm
(ish...we have so much fun, we lose track of time!) every other Monday evening except on holidays or if otherwise noted. We meet weekly during July and August, however, there will be no Knit Night on August 11.

Want to learn to knit? No time like the present! Don't know what to bring? To get started, pick out a skein of yarn that you like the color and feel of, and make sure it's relatively smooth (not too nubby or furry, at least at first). Pick out a pair of straight needles; try a size 6 or 7. You don't need anything fancy to get started—you can get these materials at stores like Walmart or AC Moore. Please call Paula Schrinier at 973-764-5817 for more information.

Undertaking A Home Improvement Project Completion (part 6 of 6)

Owners have found it helpful to take photographs before and during progress of the project. These provide a record of project conditions, and can be useful in locating items once walls are closed. Many owners create on-line photo albums and share the project with friends and relatives via the web. It is nice to have a "before and after" record.

As you near completion make a check list of outstanding work. Go over it with the contractor and discuss when the work will be completed.

Sometimes additional work is scheduled after the final inspection. Make sure this work is completed to your satisfaction. Ask the contractor for all manuals and special tools that may be included with installed appliances. When the contract is complete (you have received an approval for the final inspection and all work has been completed), meet with the contractor. The last ten percent of the contractor's fee should be due at this point. Tell them what you thought of their work and areas where you were happy and disappointed. Let them know if you can be a reference. Pay the contractor promptly and enjoy your newly renovated space in Highland Lakes!

Summer Athletics

PAT ECKHART, ATHLETIC DIRECTOR 973-557-6824

The 2014 Athletic Season is going strong and I hope everyone is taking advantage of all the wonderful activities Highland Lakes has to offer. I am very pleased to report that there has been a substantial increase in participation this summer, and it is just great to see all of these new faces.

All club sponsored athletic events are still in the sign-up book at the Clubhouse Activities Center. The activities include Tennis, Tennis Lessons (children and teens), Softball, Basketball, Volleyball, Pickleball, Bowling, and Golf Outings (TBA). The teamwork of our volunteers makes everything possible. Remember, there is no “I” in TEAM, so don’t say, “I don’t have the time.” Instead, sign up and become part of a HLCC team! I’d like to remind everyone that Friday, August 8th, marks the last day of the summer for youth sports. And everyone please make sure to bring plenty of water and apply sunscreen before you leave the house—staying hydrated and protecting your skin from harmful UV light is very important. See you out on the fields.

Monday:
Mosquito League
(ages 6-8, 9 am, Field 1)
Coordinators: Eric Loughren, Peter Parigi, Paul Parigi, Jonah Clark, Max Rodriguez
On Monday, the Fireflies and Mosquitoes squared off and had the best game of the year. Anthony LePore got the Mosquitoes off to a good start with some hard hits up the middle. Christopher Gay made a great catch at third to rob James Brantner of a huge hit. Frankie and Joey Rodriguez had solid hitting all day for the Fireflies. Great game, boys!

Boys Farm Team
(ages 4-5, 9 am, outfield of Field 1)
Coordinator: Jonah Clark
We had our third farm team practice of the year for the boys, and Jonah did a great job teaching the youngsters how to throw, catch, and run the bases. They were able to hit off the tee, and everyone had a blast. See you Monday!

Tennis Lessons
(ages 9-12, 9 am, Beach 1 tennis courts)
Coordinators: Jennifer Ziegler and Darren Werner
We held our third official lesson of the summer, and the kids are already showing great improvement. Jennifer and Darren had the kids practice their forehand and backhand strokes, as well as run to the ball wherever it was hit. The coaches also had the kids practice their serves, and everyone did a great job. Darren took some of the kids to the other court for a

private lesson. We finished the day by playing a fun game of “Jail” to close out practice.

Kids Basketball
(ages 8-14, 5 pm, Beach 1 Courts)
Coordinator: Chris Beninati and Kevin Gunning
Monday’s basketball session had a good turnout, and the kids are already showing great improvement. We put the kids through some more challenging dribbling drills as well as our usual passing and layup drills. The kids then got to scrimmage at the end and it was a great game! See you Monday.

Tuesday:
Mosquito League
(ages 6-8, 9 am, Field 1)
The Fireflies and Mosquitoes played their eighth game of the season on Tuesday. Tristan Elder hit a blast line drive up the middle to get the Fireflies going. Nico Puccio also had some nice hits. Brayden made some great plays in the field for the Mosquitoes. Great game boys!

Butterfly League
(ages 9-11, 5 pm, Field 1)
Coordinator: Dalilah Gomez
The Blue Jays and Robins took the field for the fourth practice of the season on Tuesday night. After warmups, the girls took the field at their favorite positions. We practiced throwing to first base from the infield, and hitting the cutoff man and throwing to second base from the outfield. After that, Dalilah split the girls into teams and had a fun game. Great job everyone. See you Tuesday!

Men’s Basketball League
(ages 17+, 6 pm, Beach 1 courts)
Coordinator: John Ross (written by John Ross)
What a night. The red team, previously undefeated and the favorite for a three-peat championship season, goes 1-3. The blue team, once the laughing stock of the league and the favorite for nothing, goes 3-1. The standings are all shaken up now, and this could be anyone’s year.
One thing’s for certain after this week though: the community is in good hands. Your trusty trustee Dave C. demonstrated his reliable decision-making in his debut game, leading his team to a respectable 2-2 finish for the night. Your WSD Pete J. was like a WMD, dropping bombs and sniping out lethal passes all night. Your athletic director Pat E. directed all his athleticism directly at me, shutting me down like the club office at 4pm.
The highlight of the night was a grueling 40-minute long showdown between Red and Blue. Down 9-5, Blue almost thought it was over, but we fought back to take an 11-10 lead.

In the 90 degree heat, winning by two proved to be easier said than done. Jimmy Smith, somehow playing with a fractured hand, nearly got the job done for Red with some near-miss 2 pointers, and Mike Sweeney had some dangerously close misses, too, thanks to Tall Paul Brooks’ smothering defense. In the end, it was that MVP, that WMD, the Boss himself Pete Jablonski, who swished a two pointer and let us all collapse onto the bench, exhausted but ecstatic. Blue is back, baby!
A shout out to Chris Beninati, who went down with an ankle injury after a great performance for the white team; get well soon, Chris.
Official Records: Red: 4-3, Blue: 4-4, White 3-4

Wednesday:
Tennis Lessons
(ages 5-8, 9 am, Beach 1 tennis courts)
Coordinators: Terry Latham and Darren Werner
We held our fourth tennis lesson of the season for the younger group on Wednesday. We stretched, went over our tennis terminology, and then the children practiced their forehand and backhand strokes with the coaches bouncing them the ball. The kids then practiced starting in set position and hitting the ball where it was thrown to them. Terry really emphasized backhand this week, and the kids are catching on quick! We also practiced volleying at the net. This week we get to serve. See you Wednesday!

Thursday:
Girls Farm Team
(ages 4-5, 9 am, Field 1)
Coordinators: Anna Campbell
We held our third practice for the Girls Farm Team on Thursday. Coach Anna taught the girls the proper way to throw and catch. We learned to run the bases and then the girls got to hit off the tee! Great job everyone!

Grasshopper League
(ages 9-11, 5:30 pm, Field 1)
Coordinators: Jack Bokun, Eric Loughren, Kevin Gunning, Robbie Wisniewski
The Wasps and Hornets took the field for the third official game of the season. The Hornets were down some of their big players, and the Wasps took advantage early. Frankie Fogge hit a bases clearing triple, and Tyler Paluzzi seemed to get a hit every plate appearance he had. The McCann and Puccio brothers also played great defense and offense, leading the Wasps to a 14-5 victory. We are looking forward to Thursday’s big showdown.
Records: Hornets 2-1, Wasps 1-2

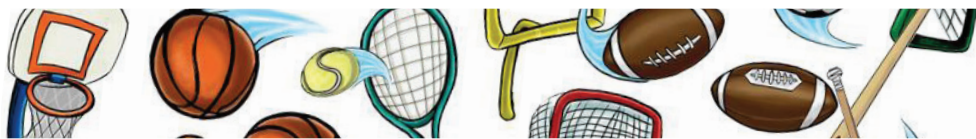

Friday:
Kids Soccer
(ages 5-12, 9 am, Field 1)
Coordinators: Claire Sweeney, Dan Sweeney, Emily Nix, Brian Stoeckel
We had our third soccer practice of the season on Friday and what a turnout as over 30 kids came to play! The kids warmed up by running a few laps with Coach Dan. Then the kids went through some more challenging passing and dribbling drills. We then played Sharks and Minnows, Red Light Green Light, and the older group even had a scrimmage at the end. Great job everyone!

Gem League
(ages 6-8, 10 am, Field 1)
Coordinator: Chip Ziegler
The girls took the field for the third practice of the season and again, we had a huge turnout. Eighteen Gems learned how to throw, catch, and run the bases. We had so many girls that we went over the hour just so everyone had a chance to bat! Chip does a great job with these girls, and everyone had a blast. Special thanks to Brandon, Richie, Annika, and the Puccio brothers for helping out. See you Friday!

Boys Little League
(ages 12-16, 6 pm, Field 2)
Coordinators: George Gutierrez and Ray Loughren
The Choctaws and Comanches took the field for the second game of the year on Friday and had a great game. Both teams were down players due to an All Star baseball game. We still played a competitive game, with Chris Beninati holding the Choctaws to only one hit. Great job Chris!
Records: Comanches 2-0, Choctaws 0-2

Sunday:
Men’s Softball
(ages 17+, 5:30 pm, Field 2)
Coordinator: John Imbaratto
The Black team had the doubleheader this week and got back on the winning path. The first game against their rival Red team was a back and forth affair. The Black team was able to walk off in the bottom of the 7th inning, winning the nail biter by a score of 13-12. The Black team was able to really pour it on the Blue team in game 2, winning 34-18 and sweeping the doubleheader. We will not play this weekend due to Family Day.
Records:
Black 4-2
Blue 2-3
Red 2-3

K & K STRUBE 973-764-3252 OR 4210

The sun came in, the sun came out, and the morning was lovely without a doubt. Thursday morning came with a beautiful breeze and a bit of cloud cover. One of our fallen competitors, Laser Lynette, hobbled over to the court to wish us luck and to show that nothing will ever keep her down. She has vowed to return and play next year. Get better soon Laser, we all miss you! We also welcomed back Killer Krol. She proved that she hasn't lost her special one-handed hits, scoring point after point. After a quick discussion about breakfast, Notorious favors green mint leaves, the action began. Tenacious Teri's play was outstanding. She served, spiked and bumped her way to most improved player. (Must be the extra time she has been putting on the court.) Trash talk was the theme of the day. Judy Jeep showed her quick wit as well as her quick play as she consistently threw off the other team's concentration. Kilowatt Keva showed off her black belt in trash talk and was not thrown off by Jeep, showing her unwavering focus. Varsity Val took over control, and ended the vicious barbs by explaining the definition of love and hate. Kool thanked her but Gallant Gail was heard saying "Oh Boy!" (Or was it "Oh Brother!")?

Bouncing Bono proved she would do anything to assure a win for her team. She used all parts of her being to insure the ball would sail over the net for a point, including

her face. Thrilling Tressa tried to learn Bouncing technique, but only succeeded in getting called for a double hit. Shocking Cheryl brought two fans with her. They watched, and when Nathan could take it no longer, he came onto the court and stated he would like to join Shocking's team. Though Nathan could not play... we are looking for females over the age of 18 with a sense of humor. Come on down to the all-purpose court at Beach 1 on Thursdays at 10:00 – 12:00. Don't forget your badge!!!!

Co-Ed Adult Volleyball

KATHY STRUBE

Summer is here and we must go out and play!!!! Anyone, 18 and over, interested in playing volleyball on Sundays, please come on down to the multi-purpose court at Beach 1. We will begin playing at 6:00, and will end when we no longer can see the ball. The interest continues to grow so much that we had to move the day to give people a rest! All skill levels are represented, and all who come play. As with all HLCC activities, please wear your badge. See you on the court!

Red Hat Society/ Highland Hatters

PAT WOOTTON 973-764-3749

Our usual monthly event was overtaken by a notable celebration. We were all invited to a very special occasion for a very special person. Theresa Deady has been a member of our Highland Hatters for many years; and we are certainly blessed by her presence. Her family graciously invited all of us to attend Theresa's Highland Lakes birthday bash! We were fed and "watered" for hours and wholeheartedly enjoyed the festivities. Congrats, once again, Theresa, on a true milestone. Keep smiling and thank you for adding such joy and laughter to our group. Thanks to Tressa and MaryAnn for including all of us on the guest list!

We generally meet every third Saturday, so why not join us. Contact any member, or myself, Queen Pat, for information. We have a very unique group!

Sr. Sunfish Race Results

FRED WILSON, SR. SUNFISH CAPTAIN # 3548

Since I was off celebrating my birthday and not enjoying our HLCC good sailing winds and weather, I thought some general information about the history of the Sunfish Sailboat would be of interest. In the 1940s, Cortlandt Heyniger and Alex Byran created a company. They used their names to form Alcort, the company name. Alcort’s first sailboat was the Sailfish. Introduced in 1945 according to The Sunfish Bible by Will White, it was similar to a large wooden surfboard with a sail, a rudder and a dagger board. The class became popular for racing in the 1960s and 1970s. In 1972 the boat employed a new rudder design—its current rudder attachment—switching to that would not release under sailing strain.

Windsurf Happenings

KEVIN GASTON 764-7332 OR 845-893-2923

The Highland Lakes Triangle

I wasn’t aware that Highland Lakes had its very own Bermuda Triangle. The epicenter appears to be right along the starting line. All the wind to the north of the line was blowing out of the north, and the wind on the south side of the vortex was blowing out of—you guessed it—the south. If you were right in the middle of this anomaly, all the basic concepts of sailing might as well be thrown overboard. For example, if two sailors in close proximity were on the same tack without the involvement of dirty air or wind shadowing, one would have wind in his or her sail and one would not. By the same token, if they were sailing side by side on opposite tacks, they would both be powered up or both not powered up within the presence of wind. Finally, the winds of Highland Lakes have been explained. Now we all have an excuse for a poor performance. I hope this helps to clear the air as to this mystery.

Ladies Sunfish Fleet - Race 3

SUE BURUCHIAN

It only takes one smart tack to win or lose a race. Diane Buono showed off her experience on the first leg of the Ladies Sunfish race on Thursday (7/24), giving herself enough room to hold the lead throughout all three marks. One great tack put her at the windward mark first. The rest, as the saying goes, is history. The race was well sailed by a competent fleet of five racers—Course 3, medium winds, all white buoys, which means the boats sail around the island. Following Diane was Ellen W., MaryJane K., Irene B. and Lyle T. Thanks to the starters and lifeguards, S. Buruchian and S. Kenny.

Tip of the Week: While going downwind, lift your centerboard for extra speed and less resistance. Use a bungee cord with one end around the lower mast to itself and the other end either through the hole in the centerboard top or even around the width of the end closest to you. This helps keep the board “up” while going downwind.

Diane downwind-board up

Anyhow, despite this swirling phenomenon, Dennis Gaston somehow managed to snake his way out of it like an anaconda in search of prey. In this case the prey was Chip Ehrhardt and I, who sail on the bigger sails. He was right behind us as we turned the first mark. Ally Latham put on a brave performance but unfortunately fell victim to the strange events surrounding the triangle. Even though Dennis put on a display of brilliant novice sailing, his efforts went for naught, as he is being shipped back down to our farm system in Virginia to hone his skills for the 2015 season. He did advise me that although he will be honing his skills, he will not be doing any actual windsurfing. See you on the line (of the triangle).

Junior Sunfish Doubles

MEREDITH KRESIC

Doubles: July 25

A refreshing but calm breeze kept this week’s doubles race to a short course 3: red, red, red. It was everyone’s favorite day of the season this week: Pirate Day and Flip day. Every skipper and crew practiced flipping and righting their boats, and cooled off in the process. Thank you to all sailors who dressed in their best pirate garb. Robbie/Hannah and Grant/Dennis fought for the top position the entire race, rounding each mark ahead of the pack. However, the final leg brought new drama, as team Grant finished in first, and team Robbie was outsailed by Jess/Deidre and Jack/Albert, who proceeded to finish and second and third. Great race, guys! Emmaline/Shayla finished in a tight fifth. Also great job to Donna/Ariana for getting out there again this year. Congratulations to a few of our new skippers for getting out there and sailing a great race. Great job Eibhilin/Sofia and Sebastian/Richie. As usual, thanks to our adult skippers for continuing to help expose our new sailors to racing, and to the safety boat for keeping our kids safe!

Junior Sunfish Singles

MEREDITH KRESIC

Singles: July 23

Wednesday’s race seemed like it would start out slow, but in the end the wind picked up as much as the competition. It was a tight race between the top three, but in the end Robbie pulled out in first. Grant finished in a tight second and was followed closely by Jack. Jess and Greg both sailed a great race and finished in fourth and fifth respectively. We would also like to congratulate Sebastian, who sailed his first race ever and finished the whole course, staying up with the pack the whole time!

Force Five Sailing

LOU IANNUCCI-FLEET CAPTAIN 973-764-7042

Week five and five Force 5 boats made it to the starting line. Say that five times fast! Anyway the competitive juices were flowing and we were able to complete two course one races. Russ and Chip battled each other in both races and each won a race while Andy was right their tails. I personally was having one of those days were I couldn't do anything right, but that's sailing. I hope to see the rest of the fleet out there next Saturday.

The results were as follows:

Race 1	Race 2
Russ	Chip

FJ Fleet Race Results for July 27

MIKE GILLOOLEY, FLEET CAPTAIN 973-764-4185

Our stretch of good weather and wind almost came to an end on Sunday. Although the sky looked questionable at times, we started the race and were rewarded with decent wind and eventual sunshine. The Wisniewski brothers sailed so well that I'm afraid that Rob won't be allowed in the boat for the rest of the season. Thanks to Mrs. Iannucci for being our dock committee, and to Killian for crewing for me. From time to time skippers need crew, so if you're interested in being a crew member please contact me or stop by the sailing center before the race (which is held each Sunday at 11:00 am.) If you're interesting in joining the fun of sailing a FJ let me know. One of our sailors is moving and is selling his boat. You can find detailed information on what a FJ is at <http://na.laserperformance.com/club-fj/home>.
