## Beach 1 Bus Stop Information

JACK McLAUGHLIN, GENERAL MANAGER

Thursday, September 4 marks the opening of school and the school bus stop at Beach 1. On Wednesday, September 3 the parking and traffic pattern at Beach 1 will be changed to accommodate school buses, and will be in effect until the end of school next June.

### Here are the key points to these changes:

- ✓ Parking for those who enter the Beach 1 site from Breakneck Road will be restricted to the parking spaces in the "loop road" – there will be no access into either of the two parking aisles along the ball field or children's playground area.
- ✓ Stopping/standing is prohibited at all times within the school bus loop road.
- ✓ Access into both parking aisles will be available from the rear of the site – the Lakeside Drive entrance. You will be able to pass from one aisle to the other in the area at the loop road and at the rear of the site.
- ✓ Designated handicapped parking spaces are restricted under all circumstances to those drivers authorized to use them – summonses will be issued for unauthorized use.
- ✓ Parents are reminded that the tennis courts are for tennis only – children are not permitted to play in these areas at any time.
- ✓ Parents who live north of Breakneck Road should use the Lakeside Drive entrance, leaving the spaces in the loop road available to others.

Your cooperation is essential in making the school bus stop safe for all children and the drivers of the school buses. Thank you.

## Every Brick a Memory

SUE ROSS, GOODWILL FUNDRAISING COMMITTEE MEMBER

There are so many ways to commemorate a person, event or general time in one's life. Many in our community have chosen to buy a brick in the Path to Goodwill that has been inscribed with a message to sum up their feelings. A walk down this path is sure to bring a smile, because it represents so many families (past and present) and so many shared sentiments.

The idea of creating the path was conceived by the Goodwill Fundraising Committee in 2011. The path was dedicated in August of 2012. Since it all began over 240 bricks have been installed. With every ten bricks sold a new installment occurs. We have seven bricks waiting to be engraved, and need just three more brick orders placed.

What better way to celebrate your graduate, a June bride and groom or just express a special feeling you have than to set your message in stone. Download the order form at the HL website ([www.hlcc.org](http://www.hlcc.org)) or pick one up at the Club office and make it happen!

## Reminder: Combustion Engines Are Not Permitted on our Lakes

### BOB REFFELT, ECOLOGY COMMITTEE

In case you didn't know, Highland Lakes does not permit engines and other equipment powered by gasoline and propane on our lakes. If you own a boat, please remove those items before launching your boat. Some members have occasionally observed and photographed fishing boats with large gasoline engines navigating the big lake. Even if those motors are not being used to propel the boat, the engines are not allowed on the lakes. Furthermore, only member owned vessels with current member tags are permitted on any of our lakes. Other devices powered by combustion engines such as generators, snow throwers and ice augers are also not permitted. Please observe these rules and help keep our lakes clean and free of gasoline and oil contamination.

## Beach Testing Results

Below are the results of the most recent fecal coliform testing at the Club's beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and a beach must be closed if the results of consecutive tests exceed 200. Testing results are reported by the lab to the Sussex County Department of Health.

# Ladies Golf Outing

DIANNE KELLY 973 764-6407

## Highland Lakes Ladies Golf Outing

The 46th Annual Ladies Golf Outing was a great success. Thank you to everyone who came out and supported our annual outing. Everyone had a great time. There were a number of winners ranging from low gross to "most honest golfer." The team ball competition creates a strong bond among the team members. No one wants to be the one who loses the ball. (That means no one wants to play it!) Our team ball contest was won by the team of Mary Ann Gunning, Tressa Kabbez, Kathleen Deady and Desiree DeAscensis. Our low gross winner was Kathleen Deady. There was a 3-way tie for second low gross, and by a match of cards, the winner was Irene Boeren; she wins the Foley cup, and will be running this event next year. The prize for low

net (Calloway System) was Nancy Hughes, second low net was Cathy Tansey, fewest putts was Irene Boeren, and longest drive was Kathleen Deady. Our most honest golfer was Patty Thompson. Congratulations to all! Special thanks to Paula Kloza, Cathy Tansey and Judy Fortenbach, who always volunteer to help out wherever needed. Thanks also to Sue Buruchian for the beautiful coffee mugs with our own HLCC Ladies Outing imprint. A final note of thanks to my husband, Fred, who patiently does our scoring, allowing me to fully enjoy the luncheon and festivities. Mark your calendars for the second Tuesday of August, 2015 for this gala event! Have a great year, get out and enjoy the lovely golf courses we have in this area. Have fun!

## Boat Removal Notice from Boat Docks and Racks

KEN BOSCHERT, CHAIRMAN, BOAT DOCK COMMITTEE

### Remove boats from all docks by October 15

Notice to Boaters: All boats on Club docks **must be removed by October 15**. Any boat removed by the Club may subject the member to an assessment and storage fees in accordance with the revised rules adopted by the Voting Board. Any boat that cannot be identified through a Club permit, NJ registration, or hull identification number will be declared abandoned and disposed of in accordance with New Jersey law.

The Boat and Dock Committee will again inspect and repair boat racks this fall. The program requires the removal of all boats stored on boat racks on the western side of Highland Lakes by October 15, 2014. Once the racks and area are clear, maintenance and landscaping can be performed late in the fall and in the early spring.

As we all know, many boats appear abandoned or otherwise unused. These boats are taking up valuable space that could be better used by members interested in boating. Furthermore, clearing these racks of abandoned/unused boats avoids the expense of adding additional boat racks, and taking over more land. Lastly, it eliminates the excuse that members have that there is "no rack space and storing my boat on the ground is the only choice I have."

All freeways on the lakes west of the main lake are affected by this notice in addition to the following locations where boats are stored on racks:

- Lake 5 - Pocasset Road - Beach 7 area
- Lake 1 - Lakeside Drive - Beach 1 area
- Main Lake - western shore areas as follows:
- Club Park
- Comet Row
- Eckhart Sailing Center
- Freeway at Winetka Road
- Freeway at Wiscasset Road
- Freeway at Oneota Road
- Freeway at stream crossing south of Oneota Road
- Freeway south of Ocala Road
- Freeway north of Monadnock Road
- Freeway at Lakeside Drive East near spillway

All boats stored at these locations must be removed by October 15. Please contact the Boat and Dock committee or the Club if you anticipate any difficulty in removal of your boat.

Once again we will be conducting a lottery in the spring for these spaces. Please remember to submit a completed 2015 boat dock application to be included in the lottery by March 15, 2015 in order to have an assigned boat slip by the drawing in April. No members, including grandfathered members, are exempt from completing a form each and every year.

## Rules and Regulations

The complete Highland Lakes Country Club Rules and Regulations are published on our website at <http://hlcc.org/members/governance/rules-and-regulations/>. It is every member's responsibility to follow these rules for the health, safety and welfare of all members.

In each issue of the Newsette, we'll focus on one of those rules and site the reasons why that rule is so important for all members.

**7. The presence of combustion engines of any type, whether designed to power a boat, vehicle or mechanical device such as an ice auger or snow thrower, are prohibited on any of the Club's lakes unless needed by the Club for rescue, safety or maintenance, or as authorized by the Voting Board.**

The clear, clean water and safe use of our lakes takes stewardship that is the cornerstone of the Club. Not allowing for any situation where fuel could accidentally spill into our waters is an important safeguard against unwanted pollution.

## Parisian Jazz coming to Highland Lakes on Sept. 12

Avalon Jazz Band will grace Seckler Stage on September 12.

Get your tickets while you still can, they're going like chocolate-covered croissants! The modern day ambassadors of classic Parisian swing are coming to Seckler Stage on September 12. Singer Tatiana Eva-Marie (who the Wall Street Journal recently hailed as "one of the best young singers around") and the Avalon Jazz Band are bringing their repertoire of timeless American standards and French jazz songs to Highland Lakes. Doors open at 7:30, show starts at 8:30 pm.

The Avalon Jazz Band's performances meld Parisian and Golden Age swing spirit, taking music lovers on a ride back in time to the Parisian "zazou" era of the 1930s and 1940s. (See for yourself: [www.avalonjazzband.com/video/](http://www.avalonjazzband.com/video/).) With prodigious musicianship, inimitable French charm and a little bit of bohemian savoir faire, Eva-Marie and her band's Gypsy jazz sound—first made famous by Django Reinhardt and Stephane Grappelli—will transform Seckler Stage into Montparnasse for an evening of music you'll never forget.

Tickets for members-in-good-standing and their guests may be purchased at the Club office (and at the door on the evening of the show, if available) for \$15—please bring your member card or member badge. Advance tickets for non-members (\$20, cash-only) are on sale at the Club office and at the door on the evening of the show, if available. Please call 973-764-4366 for more information.

MARY ANN MASTRANGELO, CHAIRPERSON 973-764-7972

### Quality and Talent!!

HLCC just completed our 55th Art Show on August 23 and 24. We showcased an array of art that was both traditional and diverse. The "Meet the Artists" reception welcomed over 130 visitors. The Professional show also hosted about 80 visitors on Sunday. Our Art and craft show on Sunday saw about 200 entries. Enthusiasm filled the Seckler Room.

We celebrated the 200th anniversary of the "Star Spangled Banner" by displaying a 48-star, 5x8 ft. flag and singing our national anthem. Appropriately, we all recited the "Pledge of Allegiance" and then distributed the winning ribbons.

# Brush Removal Along Roadways

JACK MCLAUGHLIN, GENERAL MANAGER

During Security's patrols, certain properties have not trimmed the bushes and trees that are growing into the roadways, and that impairs pedestrian and vehicle safety. Motorists, walkers, and bicyclists are unable to have a clear line of sight due to these conditions. Notices are now being delivered by Highland Lakes Security to property owners requesting their cooperation in cutting and trimming back excess vegetation.

Work crews from Highland Lakes have begun trimming and brush removal along Club roadways and at intersections. Failure to trim vegetation and brush along your property lines leaves the Club with no choice but to trim as necessary. Due to limited resources, our efforts are not designed to landscape along the roadway, but to prevent our return for a few years by completely removing the vegetation encroaching into the Club's right-of-way.

Brush removal is an expense of the Club that can be reduced through the efforts of homeowners who remove and trim their bushes and trees along their property lines. Your cooperation in maintaining the vegetation along your property adjoining Club roadways is appreciated.

## Red Hat Society/ Highland Hatters

PAT WOOTTON 973-764-3794

August 10 marked a very special celebration for the Highland Hatters. Fifteen red and purple bedecked ladies headed to Perona Farms in Andover, NJ, to commemorate our tenth anniversary! We were founded on August 26, 2004 by Queen Jane in the lake room of the clubhouse. We have been celebrating ever since with a unique and special bond of women. Donna B. suggested Perona Farms; and she certainly steered us right. The Sunday brunch was superb, with everything imaginable and delicious! The staff welcomed us with a special table and we dined for several hours reminiscing.

Kudos to the drivers: Virginia, Irene, and myself. The celebrants included: Donna Beebe, Irene Boeren, Madeline Brancato, Theresa Deady, Doris Dolan, Jane Hoffman, Claire Ireland, Janet Kaley, Joy Logan, Dot McAlary, Virginia McNulty, Mary Stoddard, Judi Sunda, MaryJane Wisniewski, and myself. We generally meet every third Saturday, so why not join us. Contact any member, or myself, Queen Pat, for information.

## Hiking Club News

BOB TAFFER 973-764-7975

CHRISTINE BILLACK 973-764-1458

The Highland Lakes Hiking Club would like to extend an invitation to residents of all ages who enjoy hiking in the great outdoors to join us on one of our upcoming monthly hikes. We are an informal, friendly group who look forward to our moderate Sunday hikes along local trails, some of which offer spectacular, or at least picturesque, views.

Hikers will meet at clubhouse parking lot at 10:30 am. We will either walk from the clubhouse or drive a short distance to the starting point of the hike. It is important that each hiker bring water and lunch and wear appropriate hiking shoes. Most hikes will last an average of 4-5 hours, which includes waiting, lunch break and/or driving time. Anyone capable of hiking at least 5 miles at a steady, moderate pace is welcome. Hikers may bring their well-behaved dogs, which must be on a leash whenever we walk on a roadway. In the case of inclement weather, including snow or ice on the ground, or temperatures above 90 degrees, we will be unable to hike.

So, get those hiking boots out of the closet and join us for our next hike.

Sept. 14 - Bearfort Ridge - Mostly moderate 7-8 mile circular hike with a strenuous uphill start. We eat lunch at Surprise Lake or rocky viewpoint above Greenwood Lake.

Oct. 19 - Pumphouse Trail - moderate 5-mile circular hike through Wawayanda State Park.

## “A Men’s Basketball Special: Dawn of the Red”

JOHN ROSS

Move over College Football; you’re not the only one adding playoffs this year. The HL Men’s Basketball league decided that instead of the classic “slow fizzler-out” structure that we’ve been using for years, it was time to go out with a bang. And what a bang it was. After a rain cancellation last week, we were forced to cram the entirety of Dr. Jablonski’s double elimination experiment into one evening. Despite The Doctor’s persistent grave warnings to the contrary, I evoked my Commissioner’s Privilege to extend the games from the usual “first to 11” to “first to 15.” It was a decision I would come to regret.

The first game went smoothly enough. Sound play from all kept the score tight, until The Doc and his trusty assistant Brooksy took over the operation and ended it 15-13 in favor of Blue. We entered the winner’s bracket confident and ready for anything. But we never could have expected what came next.

A bye in the first round had left the Red Rascals ravenous and deranged, and as the game began it was clear that they were out for blood. Elbows flew, bodies slammed, and at one point I suffered what appeared to be a bite wound on my right hand. A foul was called by Blue. Mayhem broke loose. “Who calls fouls!? Red Team doesn’t call fouls!” their leader barked. The pack howled back at him in approval, and it became clear to us at that moment that they had lost all semblance of humanity, incapable now of even remembering one of the most fundamental rules of the sport.

Undeterred, The Blue Team forged ahead, with Dr. J hitting a number of seemingly impossible shots and Brooks battling hard down low amidst the clawing and gnawing

of the Rabid Red Rascals. Finally, after a couple timely three-pointers by Declan, it was all tied up at 14. Victory was within sight, but extreme fatigue kept it just out of reach. Missed shots, botched passes, hot tempers, vicious words; it would go on that way for nearly half an hour. Back and forth we went, trying to win by two, until, finally, the universe played a cruel joke and let these Red monsters win, 19-17.

All in all, the game had taken an unprecedented 50 minutes. The sun had begun to set, and unrest had risen in its place. “We won’t be able to finish!” someone yelled. “It’s the commissioner’s fault!” screamed another. I knew I had a mutiny on my hands. Security was on site, but they would have been quickly overwhelmed by the unruly crowd. I was just about to head for my secret bunker underneath the Snack Hut when a voice said, “Let’s just play the rest to 11.” It was the Athletic Director Pat Eckhart, directing athletics. The mob slowly quieted down and reassumed their places on the court.

We had found our way back into the loser bracket, with one more chance to beat White and meet Red in the Championships. But, now playing our third game in a row, we didn’t stand much of a chance against a freshly rested white team. Any chance we did have was quickly squashed by a seemingly possessed Pat Eckhart who scored nearly half his team’s points by shooting off-balance shots with defenders in his face. Pat finished us off with a stunning 3-pointer, and just like that Blue’s season was over.

But Red and White’s most important battle yet was just beginning. A deep dusk had settled over the courts now, and it was becoming difficult to see. But Pat still

kept shooting the lights out nonetheless, and finished off Red in the same fashion he had finished us off in, with an end score of 11-9. Then, in nearly pitch black, the teams played a second game since Red had still only lost once. Back and forth it went with most shots completely missing the almost-invisible hoop, until finally Kevin Moran sunk the game-winning bucket for a 11-9 finish in favor of Red. They had accomplished the unthinkable: a three-peat championship in HL basketball. As they walked off the court to receive the coveted hard plastic trophies, we had to give them some begrudging respect. Slowly they transformed back from savage beasts into the okay bunch of HL lifeguards that they are. But we will always remember the day we saw the dark side of the red team, and we’ll be darned if we ever let evil triumph again.

## Sunday Men’s Softball

PAT ECKHART, ATHLETIC DIRECTOR 973-557-6824

The Blue Team had the doubleheader this week, as they looked to climb up the standings for the last time. They faced the Red Team first, and it was another instant classic. Blue got ahead early, powered by a homerun from their fearless leader and pitcher, Declan Berutti. However, the Red Team would not go down without a fight, putting up four runs in the 5th inning to pull within two. Trailing by

two runs going into the top of the last inning, Red Team put up a 4-spot to take the lead! Blue threatened in the bottom half with runners on the corners and two outs, but a groundout to short ended the game. What a spirited comeback by Red! The final score was 11-9. Blue Team’s final game of the season came against Black, and they did not want to go home winless for the night. They got ahead

early and never looked back, winning the game 14-12. Great season Blue! The Black Team and Red Team had have a doubleheader this Sunday for the final weekend of softball.

# Do You Go Around the Big Lake?

FRANK HENNINGER 973-764-3363

Our 37th Annual Jogathon will start from the Clubhouse at 10:00 am Saturday, August 30. No entry fees, no prizes, just a great time. Everyone brings a can of frozen orange juice concentrate that turns into “Joggers Juice” to be enjoyed upon returning to the Clubhouse.

We go once around the big lake (4.5 miles) and we are all ages and abilities. Families particularly have a good time. Many walk, some jog, and some hardy members run like the wind. Typical times for a “once around” are:

- Slowest walker – 2 hours 14 minutes
- Average walker – 1 hour 20 minutes
- Average family – 1 hour 15 minutes
- Average winner – 24 to 36 minutes
- Average jogger – 44 minutes
- The Record – 22 minutes 25 seconds!

Our slowest walkers had stopped at a friend’s house for iced tea, and our speed record was set in 1982 by Steve Grube. Hope you can join us on August 30.

Since this will be the last Jogathon for me, I hope you stop by to say “hello and goodbye!”

Summer is almost over but we must get out and play!!! Anyone, 18 and over, interested in playing volleyball on Sundays, please come down to the multi-purpose court at Beach 1. We will begin playing at 6:00, and will end when we no longer can see the ball. The interest continues to grow so much that we had to move the day to give people a rest! All skill levels are represented, and all who come play. As with all HLCC activities, please wear your badge. See you on the court!

# Women’s Volleyball

K & K STRUBE 973-764-3252 OR 4210

Another Thursday morning with five girls that could not be deterred from playing volleyball by the humid weather conditions. It came time to make up the teams and it was decided the two lefties would play against the three righties. Judy Jeep and Notorious Knox being the lefties were deemed to be the more creative team. So they instituted a new rule that they could each hit the ball twice since they were shorthanded. Judy Jeep was hitting the ball so hard that she determined that next week she could only have a banana or yogurt for breakfast – not both like this week. The capable team of righties consisted of Chaotic Christine, Launching Lauren, and Varsity Val.

It took one game for Launching Lauren to awake but then she was dangerous with her shots. Chaotic Christine was the setting specialist for her team but she had one spike that was so awesome that the other team could only watch. Varsity Val punished her opponents by dropping the ball in front of them and then the next play she would put it over their heads.

The play was so amazing at times that anyone watching may have thought that there had to be at least 10 players on each side. There were seven games played. At the end of six games, the score was 3-3. But as for the 7th game, what happens at volleyball stays at volleyball. One could only think of these girls playing volleyball and their moves as being poetic. So at the end of the season this ditty would only be appropriate.

There are the girls from Highland Lakes  
That for volleyball have what it takes  
They bump, set and spike  
Then say anything they like  
But what a fun season it makes!

This season is almost done, so make sure to join us next July to get in on the fun. See you there!

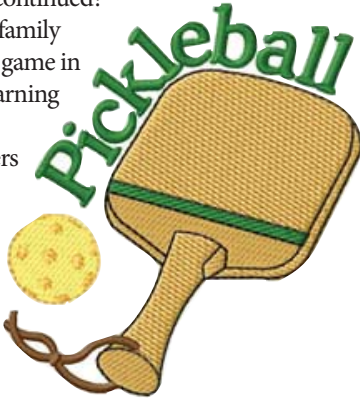

# Pickleball Action Continues

DORI ZARR 201-602-8339

What a match up this past Sunday. Keith and Brian—both experienced players—took on the youths, TJ and Eric, with their speed and agility. Points were close; we saw slams, drop shots and excellent use of strategy. Which duo won the match? Or is it two out of three and is to be continued?

We welcomed three new family players who caught on to the game in record time. We had them learning on the fourth court with our portable net. Various members took time giving them instructions. Play now starts at 5:30 pm on Monday and Wednesday; it’s getting darker sooner, and we want our full two hours of play.

# Team Tennis August 23, 2014

CATHY TANSEY AND ELAINE KUNTZ

We had a great turnout today, with 31 players participating in the games. The weather was perfect and the games were great. Everyone is looking forward to this Saturday’s Champagne Brunch at the Clubhouse immediately following tennis. Lee, Jerry and John are planning the event. Kitchen help Ann & Nancy, are prepared to work hard feeding us all. Darren and Doug came early so they could warm up. Fran and Eileen came late, but they all got a number of games in. Glenn and Jerry hung out to see if they could line up one more doubles match and were successful in so doing. Tennis will continue into September as long as the weather holds out. Remember Saturday mornings 9-11 am. Any questions call Cathy at 3174.

### Landscaping

Use landscaping to create outdoor rooms.

Many lake homes originally had screened-in-porches, but often this space was enclosed to become an extra room. Our community is beautiful; consider adding a screened-in-porch with lighting and fan.

Decks and patios are great for entertaining. A trellis not only adds color to the area, it helps to define the space as an outdoor room. An awning can provide shade from the sun and cover from the rain. Pillows, cushions, and a rug brighten and create a 'homey' feeling to the space.

Outdoor kitchens are wonderful for parties. A grill and workspace are most important. If you have room for a mini-refrigerator it is a good investment.

Plant materials are very effective in creating private areas and buffering your yard from neighbors. Evergreens provide year round color and privacy, while deciduous trees grow faster and will open up a winter view. Unless you love gardening, make it low maintenance.

The sound of a fountain or the sight of a goldfish can be very relaxing and add interest. Consult with an expert to avoid problems from herons, raccoons, or bears.

Plan and plant now and enjoy for many years.

This Friday was our Annual Scavenger Hunt Day. We changed it up this year by making the sailors uncover their clues and find their treasure during the actual race. ## Sr. Sunfish Race Results

FRED WILSON, SR. SUNFISH CAPTAIN # 3548

### August 24 Sr. Sunfish #10 - Final race #11 Labor Day August 31 at 2:30 pm

Highland Lakes sailing doesn’t get any better than this. No rain, no thunder, sunshine and great winds. Eight sailors enjoyed sailing our full course #3 race with 7-10 mph winds mostly from the north. Mark Buruchian continued his winning ways by placing first, followed by Mladen Kresic in second. I was third by a nose, just ahead of Lou Iannucci in fourth place. The wind was strong enough for the Gooseneck position on the boom to make a difference. You may want to adjust it according to wind conditions, moving it forward in light air. According to “The Sunfish Bible,” 14 to 14 ½ inches from the boom considered pretty extreme, with the consensus about 16 inches. With the gooseneck forward, the boat can be pointed higher, but it’s harder to keep the boat “in the groove” – moving well without stalling. Try adjusting your Gooseneck according to the wind conditions, you may feel and enjoy the difference.

- 1 - Mark Buruchian
- 2 - Mladen Kresic
- 3 - Fred Wilson
- 4 - Lou Iannucci
- 5 - Mike Gillooley
- 6 - James Sullivan
- 7 - Ray Mann
- 8 - Ken Boschert

I can’t believe it is that time of year again. Our Sr. Sunfish final race will start at 2:30 pm this Sunday, August 31, followed by our annual Sailors Picnic. Also, if you have not picked up your 2014 Sunfish T-shirt, they will be available at the starting dock before Sunday’s final race or at our Picnic.

## Buono Wins at Finish Line!

SUE BURUCHIAN 973-764-7420

Diane Buono won in a victorious fashion-at the line! Ellen Wisolmerski led all three marks because, simply, she is that good. Diane showed her past Comet experience and knowledge and took advantage of the closest way to the line and tacked her way to the red marked finish line. Congratulations to all in the small but exciting ladies sunfish fleet. You rock those fish!

#### Results were:

- 1- Diane, 2- Ellen, 3- Irene.

Tip of the Week - Life jackets! With all the new technology in life jackets, no sailor can say they are uncomfortable. There is a comfortable jacket for everyone, every age, and now there are even different styles. Check

them out at your local marine store or even Costco or similar places. All jackets should be Coast Guard Type 2, and for adults, should be in every boat by U.S. Sailing Rules. Junior sailors in Highland Lakes must wear their jacket in every fleet. After all, it’s the smart thing to do. Be cool, wear your “life” jackets.

## Force Five Sailing

LOU IANNUCCI, FLEET CAPTAIN 973-764-7042

I can believe it, but this was our last weekend of the Force 5 racing season. Looking back, we really had great weather all summer long, and outside of a couple of races where we were all praying for wind, there was nothing more we could ask for except more Saturdays to sail.

I would like to thank my dock committee, Phyllis and Carissa, for doing a fantastic job starting us off every race! I would also like to thank our lifeguards for keeping an eye on us, especially during those couple of races in the beginning of the season where I even thought I was going to take a swim.

Like most of our races, the difference between first and last is usually just a few boat lengths and that last gust of wind someone gets. This week proved the same. My dock committee wants to set up a camera next year for our photo finishes! I have to talk to our Treasurer about adding this to the budget next year.

Finally, I want to thank my fellow Force 5 sailors who make it fun to race and sail with every weekend. I already have June 27, 2015 marked on my calendar for the start of the next season. So to those of you who need to work on your boats for next season, start now. And for those who need new boats, go and get one. Remember: Life is too short, and if you don't spend your money your kids will!

The August 23 results were as follows:

Race 1	Race 2
1. Grant	1. Chip
2. Mike	2. Lou
3. Chip	3. Mike
4. Lou	4. James
5. James	5. Grant
6. Ray	6. Ray

PS: This Saturday August 30 is the annual All Boat Regatta. It's a fun way to end the season, so get your boats out there. Also, the sailor's picnic is Sunday August 31 at 4:30 pm.

## FJ Fleet Race Results for August 24

MIKE GILLOOLEY, FLEET CAPTAIN 973-764-4185

Sometimes a wrong forecast works in your favor. The winds were considerably stronger than what we were expecting for the start of the first race. Grant and Robbie had a great day finishing second and first, respectively. JT did pretty well finishing third in both races. It was also the second week in a row where the ghost ship joined us, which at this point may be the only way Rob gets to sail. Thanks to Sara for volunteering to run the race and foregoing sailing.

### Thank you, Josh Groban

It's not the way I prefer to win races; however, I only have performing artist Josh Groban to thank for my winning both races last week. Chip Ehrhardt opted out from racing due to light winds that surely would have resulted in making him and his wife Jan late for the concert.

Of course, I also have to give Jan some credit, as Chip would have needed some heavy explaining to do on why racing was more important than being on time for a concert with his lovely wife. I only hope they had as good a time as I did.

Meanwhile, back on the race course, Randy Staley was making his first appearance of the year in painfully light east winds. Due to the dreadful conditions, a modified #2 red-red-finish was called. Then that course was re-modified to a red-finish before we even reached the first mark. Confusion ensued and Randy wound up going around the wrong mark. At that point, Ally Latham turned around and drifted back to the dock. It was definitely not the way we wanted to end the season, but end it we did, wind or no wind.

A special thanks goes out to Dock Committee member Mike Gaston for all the time and effort he puts into making our fleet tick. Thanks to Mike and to his trusty sidekick Ralph. See everybody next year!
