Art Abounds This Weekend at the 55th Annual Art Show

CLIMEEN WIKOFF, COMMUNICATIONS COMMITTEE

On Saturday, August 23, the Highland Lakes Clubhouse will once again be transformed into an art gallery celebrating the artists in our community. The annual "Meet the Artists" reception on Saturday evening opens the weekend with a professional artists' exhibition in the Lake Room. Much of the work on display is for sale. The list of exhibitors includes Joan Bono (stained glass, crafts), Carol Chave (tapestry), Sevasty Entwistle (jewelry), Carole Fortenbach (oil), Rosita Gilsenan (batik on silk, oil, pastel), Rob Haley (photography), Marcia Letizia (collage), Dawn McLaughlin (mixed media collage), Doug Miller (oil, drawing), internationally renowned artist Philip Pearlstein (oil, watercolor), Rick Perez (oil), Joan Ross (watercolor landscape), Lois Semanek (acrylic, pastel, photography), Jill Wallace (acrylic), Bruce Young (pen & ink, graphite, pastel) and Keri Zierenberg (metal art). All Highland Lakes members and their guests are invited to this event, which is always well attended.

The Arts and Crafts Show, celebrating its 55th consecutive year, is a venue for talented members of all ages. It will be held on Sunday in the Seckler Room and features crafts,

quilts, photography, needlework, and artwork in a variety of media. Prizes are awarded in all categories with professional artists, photographers, and crafters from the Highland Lakes community and neighboring areas acting as judges. The Arts and Crafts show is open to the public.

The Art Show Committee, chaired by Maryann Mastrangelo, works hard to keep the annual art show fresh and interesting. This year there will be a special category in the amateur division to honor the 200th birthday of the "Star Spangled Banner" as well as a guest artist, Brenda Decker, in the professional show.

Meet the Artist Reception, Saturday, August 23, 6-9 pm.

President’s Report Annual Meeting August 17, 2014

BOB HUGHES, PRESIDENT

My thanks to the Voting Board members, committee chairs and members, and the entire HLCC staff for making this a most enjoyable year for me.

Like most of you, I’m sure we came here to Highland Lakes from someplace else. It will never be my intention to bring that “someplace else” to Highland Lakes. When we moved here we fell in love with a beautiful, peaceful, old-fashioned slice of Americana where people still honor and observe such traditions as Memorial Day, Independence Day and Veterans’ Day, while maintaining a lifestyle that generations to come may enjoy.

During the past year, we have endeavored to keep our lake community strong. Lake water quality remains a top priority. We’ve installed new boat docks at Club Park, Eckhart Sailing Center, and Comet Row. We’ve paved over a mile of roads, installed 55 speed humps, and completed engineered road projects on Bushwick Lane and Tranquility Drive. We’ve plowed and treated our roads through the cold, cold, cold winter. We’ve replaced the roof on the clubhouse, and the backstop at the Beach 1 ball field. We’ve continued our Annual Clean-up Day, septic pumping program, and freeway beautification program. We’ve enjoyed the weekly, monthly and seasonal sports and craft activities, as well as our signature events including Family Day, New Year’s Eve Party, square dance, St. Patrick’s Day Dinner, monthly breakfasts and Junior and Adult Appreciation Nights. We’ve introduced a digitized edition of the Newsette, and are evaluating a Facebook presence.

In the coming year we’re looking forward to the construction of the clubhouse parking lot/drainage project, replacement of the clubhouse deck and railings, a number of engineered road projects, as well as our normal road paving projects.

To me, the thread that runs through almost 80 years of Highland Lakes history is the bond of people choosing to live together as a community. This choice requires a commitment to involvement in the community. Your presence here today is an affirmation of that commitment. May it not only continue, but grow.
Thank you, Bob Hughes

Beach Testing Results

Below are the results of the most recent fecal coliform testing at the Club’s beaches and swim lanes performed by Garden State Laboratories, Inc. Weekly tests are required by the State of New Jersey, and a beach must be closed if the results of consecutive tests exceed 200. Testing results are reported by the lab to the Sussex County Department of Health.

Happy Walkers

MARYJANE WISNIEWSKI 973-764-6544

Today was a magnificent day for walking. All around the lake was very quiet. We missed seeing the children at the baseball fields and all the children at the swim lanes. Yes, all or most of the activities are over for summer. We enjoyed our walk and spoke about our next week event. We will meet at the clubhouse at 9 am and carpool to the Appalachian Trail. Following that we will have our annual brunch.

See you all on Monday 9 am at the clubhouse.

Boat Removal Notice from Boat Docks and Racks

KEN BOSCHERT, CHAIRMAN, BOAT DOCK COMMITTEE

Remove boats from all docks by October 15

Notice to Boaters: All boats on Club docks **must be removed by October 15**. Any boat removed by the Club may subject the member to an assessment and storage fees in accordance with the revised rules adopted by the Voting Board. Any boat that cannot be identified through a Club permit, NJ registration, or hull identification number will be declared abandoned and disposed of in accordance with New Jersey law.

The Boat and Dock Committee will again inspect and repair boat racks this fall. The program requires the removal of all boats stored on boat racks on the western side of Highland Lakes by October 15, 2014. Once the racks and area are clear, maintenance and landscaping can be performed late in the fall and in the early spring.

As we all know, many boats appear abandoned or otherwise unused. These boats are taking up valuable space that could be better used by members interested in boating. Furthermore, clearing these racks of abandoned/unused boats avoids the expense of adding additional boat racks, and taking over more land. Lastly, it eliminates the excuse that members have that there is "no rack space and storing my boat on the ground is the only choice I have."

All freeways on the lakes west of the main lake are affected by this notice in addition to the following locations where boats are stored on racks:

Lake 5 - Pocasset Road - Beach 7 area
 Lake 1 - Lakeside Drive - Beach 1 area
 Main Lake - western shore areas as follows:
 Club Park
 Comet Row
 Eckhart Sailing Center
 Freeway at Winetka Road
 Freeway at Wiscasset Road
 Freeway at Oneota Road
 Freeway at stream crossing south of Oneota Road
 Freeway south of Ocala Road
 Freeway north of Monadnock Road
 Freeway at Lakeside Drive East near spillway

All boats stored at these locations must be removed by October 15. Please contact the Boat and Dock committee or the Club if you anticipate any difficulty in removal of your boat.

Once again we will be conducting a lottery in the spring for these spaces. Please remember to submit a completed 2015 boat dock application to be included in the lottery by March 15, 2015 in order to have an assigned boat slip by the drawing in April. Non members, including **grandfathered** members, are exempt from completing a form each and every year.

Parisian Jazz coming to Highland Lakes on Sept. 12

Avalon Jazz Band will grace Seckler Stage on September 12.

Ooooh la la! The modern day ambassadors of classic Parisian swing are coming to Seckler Stage. Singer Tatiana Eva-Marie (who the Wall Street Journal recently hailed as "one of the best young singers around") and the Avalon Jazz Band are bringing their repertoire of timeless American standards and French jazz songs to Highland Lakes on September 12. Doors open at 7:30, show starts at 8:30 pm.

The Avalon Jazz Band's performances meld Parisian and Golden Age swing spirit, taking music lovers on a ride back in time to the Parisian "zazou" era of the 1930s and 1940s. (See for yourself: www.avalonjazzband.com/video/.) With prodigious musicianship, inimitable French charm and a little bit of bohemian savoir faire, Eva-Marie and her band's Gypsy jazz sound—first made famous by Django Reinhardt and Stephane Grappelli—will transform Seckler Stage into Montparnasse for an evening of music you'll never forget.

Tickets for members-in-good-standing and their guests may be purchased at the Club office (and at the door on the evening of the show, if available) for \$15—please bring your member card or member badge. Advance tickets for non-members (\$20 cash-only) will go on sale August 26 at the Club office. Please call 973-764-4366 for more information.

2014 Lifeguard Olympics

PET JABLONSKI AND NICOLE GAGLIOSTRO

One of Highland Lakes’ great summertime traditions commenced at its traditional venue this past Thursday at Beach 1. The Lifeguard Olympics have been a staple in HLCC Water Safety since the days of Carol Hastie and Chris Hollis. The two trailblazers, Hastie and Hollis, shaped modern day Highland Lakes Water Safety and many of the mainstays of the program, including the Olympics.

This year’s competition added an opening ceremony including an electric guitar rendition of the “Star Spangled Banner”, preformed by Evan Dolcimascola that rivaled the great Jimmie Hendrix. For anyone who has not had the opportunity to witness Lifeguard Olympics, all of our wonderful beaches are grouped into teams and those groups compete in a series of events ranging from: Egg Toss, Capture the Flag, Three Person Surfboard, and a Wacky Relay. This year’s competition was a great success because of this year’s coordinator, Haley Anderson and her team, all of our enthusiastic fans, and our wonderful lifeguards. This year, Beaches 3 & 7 overcame an early deficit built by Beaches 1, 5 & 6 in the Wacky Relay to emerge as the victor for the second straight year.

Thank you to all of our fans and lifeguards for a great night!

Summer Athletics

PAT ECKHART, ATHLETIC DIRECTOR 973-557-6824

As the athletics season winds down, I would just like to extend a special thank you to all of the coordinators, coaches, and umpires that have volunteered their time to help out with all of the activities. We could not have done this without you. We look forward to the continued success of our athletic program for years to come. If you or your child were not present at the last week of youth activities, you can claim your trophy or medal at the clubhouse activity center. Team tennis, pickleball, volleyball, men’s softball and men’s basketball will continue through August. I hope everyone had a fun-filled summer.

Jonah Clark held down the catching as he has done all season. The Comanches came roaring back with a 3-run home run hit by Kevin Gunning, but it was not enough as the Choctaws won the game 18-11. Do You Go Around the Big Lake?

FRANK HENNINGER 973-764-3363

Our 37th Annual Jogathon will start from the Clubhouse at 10:00 am Saturday, August 30. No entry fees, no prizes, just a great time. Everyone brings a can of frozen orange juice concentrate that turns into “Joggers Juice” to be enjoyed upon returning to the Clubhouse. We go once around the big lake (4.5 miles) and we are all ages and abilities. Families particularly have a good time. Many walk, some jog, and some hardy members run like the wind. Typical times for a “once around” are: Slowest walker – 2 hours 14 minutes Average walker – 1 hour 20 minutes Average family – 1 hour 15 minutes Average winner – 24 to 36 minutes Average jogger – 44 minutes The Record – 22 minutes 25 seconds!

Our slowest walkers had stopped at a friend’s house for iced tea, and our speed record was set in 1982 by Steve Grube. Hope you can join us on August 30. Since this will be the last Jogathon for me, I hope you stop by to say “hello and goodbye!”

The Mighty Seniors

JOYCE HEALY, PRESIDENT 973-764-0306

Rock n’ Roll IS here to stay! WOW! I just have to thank all of you who came to the Senior Gala on 8/14. I know everyone had a rockin’ great time. There were 46 “teens” at this party and we danced all night long (some on the dance floor w/others, some solo) to the exceptional music of Henry Boote. He is a great entertainer, not a DJ. He loves coming to the lake and playing for us because he’s relaxed, playing the music we love & he loves, singing for us & he says,” Joyce, your club knows how to have a good time!” Many, many thanks to the volunteer decorating squad, and to the un-decorating squad! We had the Lake Room cleaned up in less than 30 minutes. Thank you, thank you, thank you. It makes me very happy that our efforts produced a wonderful evening. That’s always my goal.

So, let’s jump into the pool or the lake (more appropriately) and get on with something fun to tickle your gray matter. Ready?

Water, Water, Everywhere! (anything having to do with water).(Cover the end of this paragraph w/your hand; answers @ the end).

August 12 meeting was well attended. We talked about the casino bus trip that was held on August 7, Gail Russell did well at the tables and many members enjoyed the buffet and shopping that the Sands Casino in Bethlehem PA offered.

The Mid-Summer's Night Fashion Show/Live Auction was the hottest ticket in town on August 5; we sold out the Lake Room! Donna's Boutique dressed our members in all her finery. All the ladies and our junior models looked fantastic. Derek Pedersen, son of Harry Pedersen everyone's favorite mailman, entertained during the ladies pre-fashion show playing guitar and singing. The ladies enjoyed hors d'oeuvres of shrimp toast, cheese & veggie kabobs, herb

spirals. Each table had quiche and salad. The evening was topped off with dessert of Double Diablo chocolate cake and Bananas Foster! Our wonderful wait staff for the ladies were the sons and grandsons of our members. They worked so hard. We are blessed to have such great kids in our community. The live auction, which was expertly called by Joyce Healy, was quite a success. One of the items was a fall clean-up from New Horizons Landscaping. We look forward to next years show and Auction!

The Womens Auxiliary is elated that we are donating \$1,400 back into the Highland Lakes Community. The recipients include the Highland Lakes Fire Department, Ambulance Corp, the Goodwill Fund and the Clubhouse Committee. Our donation to the Clubhouse last year went to purchase linens for the tables to be used by all the Highland Lakes organizations. Come have fun and make a positive impact on our community. Join Women's Auxiliary.

Senior Bocce

SHIRLEY BOND AND LAURA BRANIGAN

It was a great day for Bocce on Thursday, August 14. Mostly everyone was there. Three games were played. The Red Team won two games and the Green Team won one. The group was told that the Bocce luncheon will be held at the Vernon Inn next Thursday at 12 noon. No Bocce will be played that day. Pictures were taken and everyone wore their Bocce shirts and hats.

Wise Words: No one is in charge of your happiness but you; Forgive everyone everything.

Women's Volleyball

K & K STRUBE 973-764-3252 OR 4210

It was another beautiful morning for 10 dedicated women to play volleyball. Once again, Notorious Knox with her poker cards thought that trying a little 10-card draw would be a good way to start the game. But being so early, Judy Jeep decided to confuse Notorious by telling her she had too many cards, not enough cards, and then more red cards than black. It worked but Varsity Val came to the rescue and gave instructions not to think – just react. Play became so fierce that Bouncing Bono was repeatedly heard saying that she was glad she wasn't in front of some of the spikes. But eventually, she did get turned around and became the target from behind. Then, Thrilling Tressa and Kilowatt Keva were attempting to distract the other team (or maybe themselves) during the game by giving their daily schedule of who prepares the meals and their menus. That didn't distract Chaotic Christine who continued to serve multiple points and finally the game. But that kept Launching Lauren busy trying to cover the entire court. She was so dazzling that everyone stopped to watch her and forgot to help her hit the ball. After the play deteriorated, Gallant Gail decided to make her speech on proper volleyball techniques. But as the morning ended, all agreed that Shocking Cheryl deserved the award for Most Improved. Her serves and assists were always causing trouble for the opposing team. It's getting toward the end of the season. Make sure you bring your badge and some water so you can join the fun before it's too late.

Pickleball Action Continues

DORI ZARR 201-602-8339.

Sunday August 17 marked our first round-robin tournament! Twelve members participated playing four separate rounds of ten minutes each. Players commented that they enjoyed the challenge of playing with different partners whether women or men. Because of the time restriction, play was fast and furious and fun. Top prize went to Bill Beardsley with the highest score! George Jr. came in a close second, and his father, George Sr., won most improved for the men and Paula for the women. Thanks for the willingness to try something new. Let's wear our red shirts next Sunday for our second picture? See you Monday and/or Wednesday night at 6 pm..

Team Tennis August 16, 2014

CATHY TANSEY AND ELAINE KUNTZ

Twenty-seven people showed up for team tennis. A couple of new faces joined the action: Kathy Kroll, Barbara & Lou. I guess they remember how much fun tennis was and decided to return to the sport, and the friendships made. So nice to have them back. Elaine Kuntz returned to the courts to play this week after a long absence from the game. Her playing had much to be desired. John Whelan replaced Cathy, doing a good job setting up the matches. Lyn Kaplan was sporting her pink tennis shirt for two weeks in a row and looking good. Jerry Nathan was collecting for our Champagne Brunch. Lee Eisenberg is keeping on top of our amazing kitchen help, Nancy and Ann. John Whelan is working on the program, continuing to collect old pictures of the tennis players and sharing them at the Tennis Party. Can't wait to see what he has put together this year. It should be fun as always. Remember all are welcome whether you played once or every week. Come and join us. Tennis is played every Saturday morning from 9 to 11. All you need is a racquet, sneakers and a current HLCC badge. See you on the courts. Any questions call Cathy at 3174.

Winterizing

Now is the time to plan and act on things we only remember when the cold north wind is blowing.

Windows often provide the biggest impact especially if you have single pane glass. Quality double glazed, low E windows properly installed can reduce heating costs by about 8%. Doors should be tight and weather-stripped.

If you have a floor exposed to the outside or crawl-space, insulate the floor. Be sure to caulk or use low expansion foam anywhere you see daylight. Paint to reduce the effect of weather. If you are losing too much heat through the roof, consider spray foam insulation.

Have your heating system serviced and cleaned every year. If you are considering replacing the heating system, evaluate a direct-vent unit; they are much more efficient and usually don't require a chimney. Multi-zone units (heat pumps) for air conditioning and supplemental heat are being used more frequently; they are cost effective and don't require ducting. Also clean fireplace flues.

Insulate pipes and eliminate any drafts. If you have problems with buried pipes, try installing rigid insulation under the ground surface and over the pipe.

Clear branches from overhead lines. Clean gutters.

Windsurf Happenings

KEVIN GASTON 764-7332 OR 845-893-2923

Ally Latham and Joey Gaston Win!
When I saw the forecast, I said “Finally, we’ll have wind! Let’s just hope it holds true.” By the time the race started, the sustained winds were coming in at 9 mph and the gusts topped out at 15.7 mph as recorded by our cracker jack dock committee member, Mike Gaston. In Sport Fleet racing, both Ally Latham and Joey Gaston took turns on the victory podium. It was a joyous occasion, indeed, as it was their first wins of the season. An exciting pair of races it was. The distance between them in both contests never grew greater than thirty feet. Ally secured the win in the first race with Joey bearing down on her but he just didn’t have enough oomph in his sail to overtake her. The roles reversed in race #2 when Joey, this time determined to win his first race, decided that a good plan of action would be not to take a nap this time on the downwind. I thought only horses sleep standing up until I saw a video last week of Joey sailing on a downwind. At any rate, congratulations to both of these aspiring young sailors whether competing awake or asleep.

Meanwhile, in the Open Fleet, Chip Ehrhardt continued his flawless racing with an errorless first race en route to his fifth win of the season. He would have swept the doubleheader had he not gotten back-winded on the final tack to the finish. Rounding out the field was Joe Gaston recording a pair of third places. Of course, there were only 3 racers but Joe looked at the bright side when he responded, “Third place ain’t too shabby.” See you on the line for the last race of the season.

Boeren Wins Sunfish!

SUE BURUCHIAN

The ladies sixth sunfish race was exciting as the current Ladies Fleet Captain and previous Junior Fleet Captain, Irene Boeren, showed how to win a race. She did it with a huge lead almost half of the leg of the lake, with only her transom to be seen by the other racers! Way to go Irene! This is how it’s done-never look back! Highland Lakes can be a tricky lake when the winds are fluky. To read them takes skill and patience. Irene showed both this past Thursday. Congratulations!

Results were:
1- Irene, 2- Ellen, 3- Diane. You go girls!

Tip of the week: Tell-tales. Tell- tales are small sailing aids to help you read wind and therefore adjust your sails.

New sails have them attached to the sails (those green and red tabs). For those who don’t, we usually use old cassette tape (for those young’ins, ask your parents for some- they know what it is!) Place it on your lower boom with a string size hanging down and, if possible, on a wire hanger or tell-tales frame (available at sailing store) on your front spar so you can see it as it flows each side of the spar. This will help you see wind/puffs and help you with wind direction that you might not be able to see on the water. As a general guide, the windward tell-tale should stream aft (backwards) with an occasional lift, the leeward front tell-tale should stream aft. If one tell-tale begins to spiral, it is indicating the sail has incorrect air flow on that side. Good luck!

Force Five Sailing

LOU IANNUCCI, FLEET CAPTAIN 973-764-7042

Another beautiful day on the lake, but every day is a beautiful day when you can hoist your sails and enjoy a good wind.

In this week's episode of "As the Force 5 turns" we had the return of Grant Wisniewski, and welcome to your first official Force 5 race, James Sullivan. Both had the pleasure of enjoying the infamous "death roll" that the Force 5 boat loves to share with its skippers from time-to-time. Grant raced great in both races and had the lead in the second race, but the "death roll" got him before the last mark and he ended up on the wrong side of his boat. I think he did it on purpose just to give us older guys a chance!

A little depressing, but this Saturday, August 23, is our last two races of the season. Hopefully, we can get over that five boat hump and get a couple of more boats out there to finish strong! Also, keep in mind that the "All Boat Regatta" is Saturday August 30 and the sailor's picnic is Sunday August 31st. Please check the Newsette for more details.

The August 16 results were as follows:

Race 1	Race 2
1. Chip	Mike
2. Grant	Chip
3. Lou	Lou
4. Mike	Grant
5. James	James

FJ Fleet Race Results for August 17

MIKE GILLOOLEY, FLEET CAPTAIN 973-764-4185

We had our best turnout of the season with 13 FJ's and a Hobie for the start of the first race. It was quite a sight. Some of us who were sailing wished we could have seen what it looked like from land. The winds were extremely shifty prior to the race which made choosing the course difficult. Eventually, we went with a course 3 white. For those of you who aren't familiar with our courses, a course 3 heads to the dam at the start of the race. The second race was shortened to a course 3 red as we all needed to get to the annual meeting.
