Changes to By-Laws

JENNIFER ZIEGLER, SECRETARY

Highland Lakes turned 90 years-old in 2026. With this passage of time, it is necessary to keep our By-Laws in sync with the needs of our community. Additionally, New Jersey community associations are governed by the Planned Real Estate Development Full Disclosure Act (PREDFDA), amended by the 2017 Radburn Law to reform elections and board transparency. The combination of these factors has led our Voting Board to propose three amendments to our By-Laws which will be brought to a membership vote at our Annual Meeting.

A change to a community's By-Laws is a serious consideration as the By-Laws are foundational in how a community is governed. Bringing a vote before the membership is the final step in a process which started months ago with the Board identifying potential modifications needed to our By-Laws. The Voting Board then asked the By-Laws Committee, which is made up of members in our community, to review and discuss Board recommendations. The By-Laws Committee then gave their recommendations to the Voting Board. The Voting Board voted on the recommendations and directed the Club's attorney, Eileen Born of Dolan and Dolan, PA, to create a Resolution which will then be presented to the membership of Highland Lakes for approval. Article XI of our By-Laws states in-part that "the By-Laws of the Club may be amended, supplemented or repealed at any annual or special meeting of the membership of the Club by a vote of two-thirds of all of the Active Members voting at such meeting, either in person or by absentee ballot..."

The Voting Board has reviewed the recommendations from the By-Laws Committee and has determined that it is in the best interest of the community for the membership to approve the following proposed amendments to our By-Laws at our August 16, 2026, Annual Meeting.

Proposed Amendment Number 1: Article II-Purposes and Objectives: Clarification is recommended to the Purposes and Objectives clause to reflect the current status of the Club's purposes.

Current: The purposes for which it is formed are: to acquire, hold, own and provide for the care, maintenance and control of the roads, parks, dams, beaches, lakes and waters and streams connected therewith, docks, piers, pavilions, club houses, buildings and other structures, tennis courts, golf courses and other grounds used for recreation and sports, boating, bathing, fishing, hunting and the potable water supply of Highland Lakes, Sussex County, New Jersey, and of all the property used in common by the owners; to formulate rules and regulations for the use of the properties enumerated above; to perpetuate the standard and tone of the community; to provide and maintain adequate systems of administration, fire protection, policing, garbage and sewerage disposal for the properties enumerated above and also for the properties of the members of the Club; to promote sociability, good fellowship among the members, health, welfare, morals, pleasure, recreation, indoor and outdoor sports, entertainments, athletic contests and to provide suitable trophies and prizes for contestants; to guard against discord, annoyance, disorder, interloping, disturbance and trespassing and to furnish the members with club and other facilities for the enjoyment of the properties enumerated

above. (Amended 8/16/81)

Proposed: The purposes for which it is formed are: to acquire, hold, own and provide for the care, maintenance and control of the roads, parks, dams, beaches, lakes and waters and streams connected therewith, docks, piers, pavilions, club house buildings and other structures, tennis courts, ~~golf courses~~ and other grounds used for recreation and sports, boating, bathing, fishing, hunting and the potable water supply of Highland Lakes, Sussex County, New Jersey, and of all the property used in common by the owners; to formulate rules and regulations for the use of the properties enumerated above; to perpetuate the standard and tone of the community; to provide and maintain adequate systems of administration, ~~fire protection~~, policing, ~~garbage~~ and sewerage disposal for the properties enumerated above and also for the properties of the members of the Club; to promote sociability and good fellowship among the members, ~~health, welfare, morals, pleasure, through~~ recreation, indoor and outdoor sports, entertainments, and athletic contests ~~and to provide suitable trophies and prizes for contestants~~; to guard against discord, annoyance, disorder, interloping, disturbance and trespassing and to furnish the members with club and other facilities for the enjoyment of the properties enumerated above.

Proposed Amendment Number 2: Article V-Officers and Trustees, Sections VII(a) and VII(b) currently require that candidates for Officer and Trustee positions be members in good standing for at least three years immediately preceding the election. This requirement has been deleted in our proposed amendment to comply with PREDFDA which states that good standing is the sole criterion for the eligibility of candidates.

Current:

SECTION VII (a)

Candidates for the position of Officer shall have been Active Members in good standing for each of the three (3) years immediately preceding the election. (Amended 8/16/81)

SECTION VII (b)

Candidates for the Board of Trustees shall have been Active Members in good standing for each of the three (3) years immediately preceding the election. (Amended 8/16/81)

Proposed: Delete Sections VII(a) and VII(b)

Proposed Amendment Number 3: Article III, Section XI shall be amended to reflect that the Club's lien on properties for unpaid charges includes the payment of fines.

Current: The Club shall have a lien on the real property in Highland Lakes of a member for all such member's unpaid dues, assessments and initiation fees, together with late payment charges thereon, and reasonable attorney's fees for the collection thereof, which lien shall be effective and may be foreclosed in the following manner:

Proposed: The Club shall have a lien on the real property in Highland Lakes of a member for all such member's unpaid dues, assessments, fines and initiation fees, together with late payment charges thereon, and reasonable attorney's fees for the collection thereof, which lien shall be effective and may be foreclosed in the following manner:

Guard of the Week

RAY LOUGHREN, WATER SAFETY DIRECTOR

Please join me in congratulating our outstanding lifeguard staff and, in particular, the following Guards of the Week!

Victoria Annunziata

Victoria is a soon-to-be graduate of Rider University, studying Accounting and Data Analytics. Her infectious enthusiasm and dedication to weekend swim lessons make her both a leader and a valued part of the HLCC Water Safety Team. Victoria’s efforts are evidence of her deep commitment to her community, colleagues, and students. Victoria has more than earned the honor of “Guard of the Week”.

True DiGuiseppe

True is a recent high school graduate who earned Vernon’s first-ever individual wrestling title at the Hunterdon/Warren/Sussex (H/W/S) Tournament this school year. He also earned an eighth-place state medal at the NJSIAA Championship. True’s commitment to excellence is reflected in how he carries himself on the HLCC beaches. He is the definition of a “team player”; always putting others before himself. The best version of True shows up to work every day and his selfless, indomitable spirit, sets an example to those who work with him. We are so happy to see True earn the honor of “Guard of the Week”.

Swim Team Splits Final Pair of Dual Meets to Close Out Regular Season

MICHAEL BUCHNEY, HEAD COACH

HL at Erskine Lakes – July 29

With their Red Division meets already wrapped up, the Highland Lakes Swim Team would face a pair of White Division teams in successive weeks to wrap up the 2026 LSC regular season. Although both meets count towards their overall schedule, these contests are considered slightly less significant as they do not impact the division records, which are the only consideration for end-of-season trophies. Having finished 1-2 in the Red Division, HL sits comfortably in third in the upper division, the first season after being promoted from the White Division. It's a solid finish and certainly one to build off of in the coming years.

In Week 5, HL traveled to Erskine Lakes in Ringwood to battle the Flying Fish of ELAC. Unfortunately, a confluence of vacation and activity schedules forced HL to travel with a smaller-than-usual squad of only 77 swimmers. This created a structural advantage for ELAC which they were able to exploit sufficiently to pull out a narrow two-point win, 332-330.

HL won the breaststroke events 83-65 thanks to a number of strong performances, highlighted by a 1-2-3 sweep by the 15/18 Girls team of Abbey Amato, Alicia Kovacs, and Gabriella Cefaloni. EL came storming back in the butterfly events, winning the discipline 66-40, and taking an overall 131-123 lead. EL extended their lead further in the backstroke with a 94-64 tally. At the end of the backstroke events, EL lead 225-187. Highland Lakes fought back in the freestyle though, taking the discipline 91-67. Major highlights in freestyle included the 8&U Girls team of Maggie Fahmy, Olivia Vazquez, and Emersyn McDowell who swept their event. The 9/10 Girls team of Charlotte McDowell, Annette Kaicher, and Penny DelCarmen finished 1-2-4 for a major win of their own. The 15/18 Boys and Girls also took home 1-2-4 wins to help HL.

In the relay events, Highland Lakes won 5 of the 8 events, to nearly complete the comeback win, but fell one relay short. Keen observers would note that the finish judges overturned a nearly half-second win by the HL 9/10

Girls team with an "order of finish" call that awarded ELAC the win in that event. It would have been enough to secure the victory for HL, a tough pill to swallow for sure. HL left the beaches of Erskine second best, a tough loss for sure.

GP@HL- August 5

Highland Lakes hosted the Green Pond Mussels for the final dual meet of the season. The contest heavily favored the hosts, with 102 athletes competing for Highland Lakes, the most in a dual meet since 2014. Highland Lakes depth powered them to a lopsided victory. The final score of HL 319 - GP 258. Highland Lakes stopped scoring early-on in the freestyle events, securing the win with a 100+ point surplus at the end of the backstroke events.

Highland Lakes won a total of 28 of the 38 individual events and all eight of the relay contests. HL secured "big wins" in a total of 15 events, including seven sweeps, 12-point wins in four events, and 11-point wins in another four events. It was as comprehensive of a win as any in recent history.

The most important highlight of the night came just prior to the start of the contest though, as the team bid "farewell" to a huge graduating class of senior swimmers. A total of nine seniors will graduate from the team this year, most of whom have swam for the team since the 6&U program. Congratulations to: Sean Allen-Poole, Abbey Amato, Steven Bednarick, Nick Beninati, James Brantner, Jenna Brennan, Gabriella Cefaloni, True DiGuissepe, and Julie Evanick. Amongst this group of seniors are some of the most decorated swimmers in Highland Lakes Swim Team history. Seriously. This group holds a total of 9 team records, including three relay records (8&U 200 Freestyle, 15/18 200 Mixed Medley, and the 15/18 Girls 200 Medley). They have truly left their mark on the team. On a personal note this group marks the end of an era. This cohort contains the final few swimmers to have swum under the guidance of previous Head Coach Doug Miller, my first swim coach, who led the team for much of the 1990s and 2000s. The end of a distinguished era, worth commemorating.

JENNIFER ZIEGLER, SECRETARY, WOMEN’S AUXILIARY

The first week of August was jam packed for the Highland Lakes Women’s Auxiliary.

Family Day on August 2 the Auxiliary was proud to sponsor a face painter at Family Day for the enjoyment of the kids in our community. The smiles on their freshly painted faces says it all.

On Tuesday, August 4, Women’s Auxiliary hosted our Annual Fundraiser for the local community and emergency services. Stephen Christopher, hypnotist/mental­ist/game show host, once again did a great job wowing the crowd with magic and illusions and then tested our brain power with Family Feud!

Thank you to all of you who came out and supported our event!

On August 8, the Lake Room was exquisitely decorated and the dance floor was out for a wonderful evening for our annual “Covered Dish” evening. Years ago, every member would bring a dish to share. Today, we have it catered, dress up a bit and dance the night away. We kept the name for tradition!

Meetings are Tuesday mornings at 10 am in the Lake Room. Come join us!

48th Annual Frank Henninger Memorial Jogathon

NANCY GRIMALDI

August 29

Time once again to run, jog, bike, walk, or strut the 4.3 miles around our Big Beautiful Lake! Come join your neighbors for a 10 am start from the Highland Lakes Clubhouse. People of all ages, children in strollers or on bikes, and pets (we once had a pet in a stroller) all enjoy the camaraderie before, during, and after our race around the Lake.

We call it a race, and some truly try to outdo their previous times or even break the all-time record...but some just have fun strolling along with friends, taking in the gorgeous lake views and pretty landscaping along the way.

Water and OJ (joggers juice), as well as Munchkins, are available before and after the race. Also, my son, Thomas, will drive the Courtesy Car during the race for anyone or pet needing a drink of water or a ride back.

Be sure to record your time on our chart before you leave - I will call it out as you cross the finish line.

We look forward to seeing everyone back again and some newcomers as well. So, get on your sneaks and start loosening up those leg muscles, and we’ll see you at the starting line!

Junior Sunfish

ERIKA RODGER, FLEET CAPTAIN;
KEVIN MURPHY AND JUSTIN MURPHY

Wednesday had an incredible crowd of intrepid sailors out there for the Singles races! I’m so proud of everyone and how hard they worked. We had some real application of how a good start can really make or break a race, and unfortunately David had some live boat-repair experience. It was overall a really exciting day!

Friday for Doubles was the perfect day for tip day! It was wonderful to see so much confidence being built, and the skills learned. Learning how to tip and recover is so crucial to being comfortable on a sailboat, and everyone enjoyed it especially since it was so hot and the wind was not great. HUGE thank you to the safety boat for both days, but particularly for the safety crew’s very hands-on work during tip day!

The Dominators

Please, somebody pinch me. Could it be that we just experienced our third Saturday in a row of perfect sailing conditions? Could we be in some kind of time warp continuum or did the wind gods decide that we have suffered long enough? All I know is that we can always put an exclamation point on southwest winds gusting to seventeen. We did, though, have to muddle through a 40 minute delay due to a quickly passing thunderstorm to our north.

Oh yes, what about the races, you ask? Let’s just say that Joe dominated in the Championship Division, Ally dominated the LT Division, and Clyde dominated the

Senior Sunfish Results for August 9

For a vacation week we had a nice turnout, including welcoming back Loren Laudi for some very shifty though seemingly light winds – you wouldn’t know it as the proportion of incidence was...hmm...high! The shifts were so frequent we could have sailed any course, choosing a shortened Course 1 as a default.

At the first race start someone flipped unable to stand a shift of the wind. The race was tight all the way with David pulling just ahead of Bob on the last leg. Unfortunately, Bob’s mast broke at that very moment and he had to receive a tow home from our crack safety boat crew. In the end David, Chip and I crossed the line just ahead of the Napolitano duo, with dad nosing out James.

The second race was similar with only five boats remaining. Four of five boats were over at the start causing a general recall (sorry Chip). David and Chip pulled ahead and in a great 3-way finish Allan once again nosed out James and me.

Let’s keep growing the fleet! For any new entrants, my contact info is mladen@negotiators.com or call/text me at (203) 918-1102. Thanks to Luanne and Ellen and to our crack safety boat crew led by Abby. A reach out and a get well to Rich and Roger. Have a great week, and I look forward to seeing you next Sunday, August 23 (no race on the 16th with the Annual Meeting). Spread the word! Please check the sailing schedule periodically for any changes or updates. The default for every week will be 2 races.
